Early Assessment Program (EAP)

If you completed the Early Assessment Program (EAP), which is at the end of the STAR testing you completed in the 11th grade, you may be able to waive the assessment test at Chaffey College. You should already have those results back. If you would like to use them to waive the assessment test, please bring your results to either the application workshop or on the scheduled assessment test at your high school. You can access your results at www.collegeeap.org. Below are the criteria to be able to waive the assessment test by using your EAP results.

- If you scored “College Ready” for English, then you do not need to take the English/reading assessment test at Chaffey College. You are eligible to take ENGL-1A. A Prerequisite Validation and a copy of your EAP results need to be turned into the Counseling Department so that you can be cleared to register.

- If you scored “College Ready” for math, then you do not need to take the math assessment test at Chaffey College. You are eligible to take MATH-25. A Prerequisite Validation and a copy of your EAP results need to be turned into the Counseling Department so that you can be cleared to register.

- If you scored “Conditionally Ready” for math, then you need to complete a math course your senior year in high school that has a prerequisite of Algebra 2 and pass with a C or better (C does not count). Turn your official transcript into Admissions and Records and bring your EAP results to the Counseling Department and then you will be able to be cleared to register for MATH-25.

- If you scored “Conditionally Ready” for English and completed Expository Reading and Writing Curriculum (ERWC) at your high school and pass with a C or better (C- does not count), then turn your official transcript into Admissions and Records and bring your EAP results to the Counseling Department and then you will be able to be cleared to register for ENGL-1A.
