EOPS (Extended Opportunity Programs and Services)

Student Mentor Release Form

Would you like to be part of the EOPS Student Mentor Hall of Fame? To help current EOPS Chaffey College Students obtain the answers to their questions we are developing a Mentor List comprised of former EOPS Chaffey College students who have transferred to a Cal State or UC, or are current working professionals. EOPS mentors provide guidance by sharing their personal and academic experiences with current Chaffey College EOPS students. EOPS mentors share helpful information such as: adjusting to University life when transferring to a 4 year University, successfully transitioning from being a college student to a working professional, and how to motivate and challenge yourself to be the best student possible.

By signing and dating this form, you are giving EOPS permission to publish your name and contact information on our website. EOPS hopes you would welcome the opportunity to share your experiences with current and future EOPS students.
