Are you eligible for the EOPS Foster Youth Program?

Assembly Bill No. 194, Chapter 458, Code of Education, defines Foster Youth as a person who is currently in Foster Care. A ‘Former Foster Youth’ is a person who is an emancipated Foster Youth and who is up to 24 years of age.

*If by these definitions you could possibly qualify to be a part of our program, please fill out Interest Form online at: http://www.chaffey.edu/eops/foster_req.shtml or in the EOPS office and turn interest form into the EOPS office front desk. In order to qualify for EOPS Foster Youth Services, we need proof of documentation.

Proof of documentation needs to be any of the following documents:
- Dependency Status letter or County Ward of Court Verification letter from your social worker indicating your status in foster care from age 13 and onward. (Please make sure your dependency letter indicates the date past the age of 13 years old to qualify for EOPS Foster Youth Program).
- Any documentation from a Social Worker or an ILP Social Worker stating your dependency status in foster care.
- Any court documents indicating your full name and your dependency status in foster care beyond age 13 and onward.
- Transitional Conference or TILP (Transitional Independent Living Program) paperwork indicating your full name, date of birth, and your dependency status being in foster care from age 13 and onward.

*(Your ILP coordinator, After Care Service Social Worker, former Social Worker, Probation Officer, or the California Department of Social Services can verify your foster youth eligibility status.)
