AMAN/AW OMAN Project
The AMAN/AW OMAN program promotes academic success, personal growth and self-actualization for African American and other students and seeks to educate the whole student—body, mind and spirit. Informed by an ethic of love and its vital power students are engaged in the classroom and counseling services as full participants in the construction of knowledge and critical thought regarding school/life planning. With the help of Mentors, Motivational opportunities, and Leadership involvement students engage in practice that fosters civic engagement and integrates learning and service through program and club involvement.
For more information about AMAN/AW OMAN project visit the office located in the first floor of the Student Services Administration (SSA building) Dr. Donna Colondres 909/652-6226

Puente Project
The Puente Project is a counseling program open to all students. Many components work together to prepare Puente students to transfer to four-year colleges and universities. Students participating in the program will take two consecutive writing classes, English 450 and English 1A to build confidence in their writing skills through an exploration of Mexican American/Latino Literatures. Puente students will also benefit from working close with a Puente counselor until they graduate.
For more information about the Puente Program contact: Monica Molina (Puente Counselor): 909/652-6208

Career Center
The Career Center assists students in making informed and educated decisions in order to pursue their career path, while considering their role in this global economy. The Career Center office is located in the MACC building room 203
