SHORT-TERM TEMPORARY HOURLY POSITION
MAINTENANCE WORKER – Air Conditioning and Heating

Start Date: ASAP
Hourly Rate: $22.00
Working Hours: Workdays and number of hours per day will vary between 7:00 am and 4:00 pm Monday – Thursday.

Duties include:
• Performing routine repair and maintenance of various heating, ventilation, and air conditioning systems including their associated electronic and computer software programs; monitoring and maintaining parking machines, fire alarms, and other District security systems and/or equipment; and performing other general maintenance tasks as assigned.

Skills required:
• Experience with heating, ventilation, air conditioning systems, and computer software and electronic programming related to energy management systems.
• Experience in general maintenance and repair.
• Ability to follow oral and written directions, work independently, and maintain effective working relationships.

Scheduling and Other Requirements
• Workdays and number of hours per day will vary dependent upon need of the department.
• Successful completion of a background check.
• Possession of a valid California Driver’s License is required.

APPLICATION PROCESS:
A District application must be completely filled out in detail. Please do not include any additional documents. Applications are to be submitted to the Office of Human Resources located at 5885 Haven Avenue, Rancho Cucamonga, CA 91737. Short-term Temporary assignments are temporary and the District retains the right to terminate employment at any time.
