STEP 2
COMPLETE COLLEGE ORIENTATION

Please allow 2 weeks to complete the Chaffey College Matriculation Process (steps 1-4).

You must complete these steps to receive the best possible registration date.

Orientation is a presentation about Chaffey College and the programs and services available to enrolled students. All new and returning students must complete the Chaffey College orientation in order to receive the best possible registration date.

The Chaffey College Orientation prepares you to be a successful student at Chaffey College. It includes information about the college, the assessment test, the educational plan, and important information about policies and procedures.

New and returning students are required to complete the Chaffey College Orientation after submitting the application and before taking the assessment test.

The Chaffey College Orientation is scheduled through the GPS centers and is offered throughout the year on the Rancho, Chino & Fontana campuses.

To schedule an appointment for the Chaffey College Orientation, visit the orientation information page on the counseling department website at www.chaffey.edu/counseling/orientation or by calling the counseling department at (909) 652-6200.

Remember, you must attend the Chaffey College Orientation before taking the Assessment Test.
STEP 3
COMPLETE THE ASSESSMENT TEST

Assessment is a placement test that assists students in determining the appropriate English and Math course to begin with. The test focuses on the following areas:

- English and Reading
- ESL
- Mathematics

Assessment preparation workshops are available to better prepare students for their assessment test. Students can use the practice test or sign up for an Accuplacer Prep Workshop through the Counseling Department’s webpage at www.chaffey.edu/counseling/assessment.

The “Accuplacer” web-based smartphone app is also available at a minimal fee. Visit www.collegebound.org for details or search “Accuplacer” on the app store.

Students are encouraged to take the practice test before taking the actual assessment test.

Students may take the assessment test no more than twice during their enrollment at Chaffey College, and must wait at least three months before re-testing. Under certain circumstances students may be exempt from assessment.* Current high school students enrolling in classes may not waive assessment.

*Alternative Assessment

Students who have completed English or mathematics courses at another college verified by official transcripts, earned a score of 3 or higher on an AP examination in English or mathematics verified by official AP Transcripts, submitted EAP results verified on the high school transcript or earned the required score on the CSU EPT, SAT II Writing Test, or ACT English Test may complete an Alternative Assessment Form and submit to the Counseling Department. *Chaffey College does not accept assessment scores from other colleges or Universities.
STEPS TO ENROLL

STEP 4

To develop a Student Educational Plan you must meet with a Chaffey College counselor or attend an SEP group workshop. Together you will discuss your academic goals and the courses needed to achieve your goal.

TO SCHEDULE AN EDUCATIONAL PLAN

Payment may not go through, resulting in your classes being dropped. Once classes are dropped, the action cannot be reversed. Partial payments are not accepted; payment balance due in full.

STEP 7
ATTEND FIRST CLASS MEETING

It is important that every student attend the first class meeting. Students who do not attend may lose their seat to another student who is in attendance even if you are enrolled in the class.

ATTENDANCE
It is your responsibility to make sure that you are officially enrolled in the class. You are expected to attend every class meeting. If you cannot attend a class meeting, consult with the instructor of the class. You may not continue to attend a class in which you are not enrolled.

Dropping Classes
To drop a class a student must follow the procedure outlined on My ChaffeyVIEW. Drop deadlines vary for each class and are available on the student’s registration receipt or on the My ChaffeyVIEW registration system. It is the student’s responsibility to make sure classes are dropped. Failure to attend a class does not constitute an official drop.

A student who drops a class or is dropped by an instructor on or before census will receive no entry on his/her permanent record. Course drops processed after census and on or before 61% of the course will receive a “W” grade on his/her permanent record. Drops cannot be processed by a student or an instructor after 61% of the course has elapsed. Failure to drop a course may result in an “F” or “FW” grade on the students’ record. Students are responsible for payment of fees; see Step 6 for more information on the refund policy.
MORE IMPORTANT STEPS

APPLY FOR FINANCIAL AID

STEPS TO APPLY FOR FINANCIAL AID
Students must apply for financial aid each year. The priority application deadline is January 1 - March 2 for the following academic year; however, applications are available throughout the year. Most students are eligible for some type of aid, so apply even if you think you don’t qualify.

Financial Aid Office SSA 104 (909) 652-6199

FOLLOW THESE STEPS TO APPLY FOR FINANCIAL AID

Step 1
Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov Be sure to include Chaffey College’s school code 001163 so that your FAFSA information is sent to us electronically by the U.S. Department of Education.

Step 2
Complete the Application for Admissions by selecting the “Application” link at www.chaffey.edu Be sure to provide your current mailing and email addresses.

Step 3
The Financial Aid office will receive a copy of your FAFSA results, electronically within 7-10 days. Once results are received by the Financial Aid office, you will be contacted by e-mail. If you are eligible for a Board of Governor’s Waiver (BOGW) this will automatically be applied within 24-48 hours after your FAFSA application is received. You will receive an e-mail indicating if awards are available or if additional documentation is needed to complete your file and determine eligibility.

Step 4
Your Financial Aid status is available on MyChaffeyView. If documentation is needed the information will be available on MyChaffeyVIEW under “My Documents”.

Step 5
Return required documents to the Financial Aid office to complete your file. Documents are processed on a first come, first served basis and it can take up to 8-10 weeks after you have submitted required paperwork. It is important that you submit requested documents as soon as possible.

Step 6
Chaffey College will notify you an award notification of eligibility via email. Once you receive your award notification email, you must log on to MyChaffeyVIEW to accept or decline awards (except the BOGW). You must read and accept the terms and conditions in order to accept awards. Failure to accept the terms and conditions will delay your disbursements. To accept or reject your awards, select accept or reject my awards.

Step 7
Get your disbursement. All financial aid disbursements are issued through MyChaffey Debit Card from HigherOne. Receiving a MyChaffey card does not mean you are eligible for financial aid. Eligibility will be determined once your financial aid file is complete. The card will not have any funds available until eligibility is confirmed and awards are accepted. Be sure to follow the steps on the envelope to activate your card online at mychaffeycard.com. Once eligibility is confirmed and you receive a disbursement notification email, funds will be available on your card.

For additional information about Chaffey College financial aid, please visit the website at www.chaffey.edu/financialaid

If you need access to a computer with internet capabilities and need assistance, you may make an appointment to complete your FAFSA in the Financial Aid Office at any Chaffey College campus in Rancho Cucamonga, Fontana, or Chino.

Where can I purchase a parking permit?
Parking permits may be purchased online via MyChaffey or in person at
the Admissions & Records/Cashier’s Office at the Chino, Fontana, or
Rancho Cucamonga Campus.

I purchased my parking permit online but haven’t received it yet.
What do I do so I don’t get a ticket?
A temporary parking permit will be issued to students who come in per-
son to the Cashier’s Office on the Rancho, Chino or Fontana Campus. The
temporary parking permit expires in 7 business days from the day it is
issued. If you do not receive your parking permit by the expiration date
of the temporary permit, email the Cashier’s Office at
cashier.staff@chaffey.edu.

Can I park wherever I want with my parking permit?
No. Parking permits allow students to park in student spaces. Students
are not permitted to park in any stall marked Staff, Visitor, or Reserved.
No parking is allowed in any area that does not have a clearly marked
parking stall.

Can I park in metered stalls with my parking permit?
Only if you pay the required meter fee. Any person parked in a metered
stall must pay the correct fee, even with a valid parking decal. Metered
stalls cost $0.25 for every 15 minutes with a limit of one hour.

What if I only have one or two classes a week and I don’t want to
purchase a parking permit?
You can purchase a daily parking permit. One hour permits are ($1) or
day permits are ($4) and are purchased from daily permit dispensing
machines located in parking lots throughout the campus.

I ride a motorcycle. Do I have to buy a parking permit?
Yes. Motorcycle permits cost $20.

What if I drive a different car or just forget my permit?
You may obtain a temporary one day permit at the Campus Police
Office with proper identification.

Why is parking so difficult on the Rancho Campus?
The first few weeks of a new semester are always the busiest. Try finding
alternate transportation such as carpooling or taking the bus. You can
also try parking lots at the east or south end of the campus. Having a
parking permit does not guarantee a parking space close to your desti-
nation and it is your responsibility to find legal parking.

For more information on parking regulations, please refer to the “Parking
and Traffic Rules and Regulations” brochure available at the Campus
Police office or on the web at www.chaffey.edu/parking or contact
Campus Police at (909) 652-6631.

ACADEMIC MATTERS

AUDITING
Auditing is permitted on a space available basis, solely at the discretion of the instructor. Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive credit. Conversely, a student is not permitted to change his/her enrollment from credit to audit after the deadline to drop with a “W” grade. No course credit or grade is received for an audited class, nor does the college maintain any attendance or transcript records. Priority in class enrollment shall be given to students desiring to take the course for credit; therefore, enrollment for audit purposes will not be permitted until the class has met at least once. The instructor’s signature is required to audit a class. If a student is enrolled only in the class(es) being audited, that student can obtain a photo ID card and will have access to labs and Success Centers at all locations, but they will not have access to the library book check-outs or online library resources. The cost to audit a course is $15.00 per unit. For additional information, contact Admissions and Records at (909) 652-6600.

CHANGE OF ADDRESS/PHONE NUMBER
It is the student’s responsibility to maintain a current email address, physical address and telephone number(s) on the MyChaffey portal. If a student would like to change to a mailing address that is different from the physical address, the change must be made in person in the Admissions and Records Office at any Chaffey campus. For additional information, please contact the Admissions and Records Office at (909) 652-6600.

CREDIT BY EXAMINATION
A student may challenge certain courses for Credit by Examination. Applications are available in the Admissions and Records Office. Grading is on a pass/fail basis only, there is a $25 per test fee that must be paid in advance, and the student must certify that they have not previously attempted examination for credit in the course. Additional criteria must also be met; those criteria can be found in the college catalog, which can be accessed by visiting our website www.chaffey.edu.

ENROLLMENT VERIFICATION REQUESTS
Enrollment Verification forms can be presented to health insurance agencies, housing authorities, consumer product companies, banks, etc. to provide evidence of official enrollment at Chaffey College.

A student may request enrollment verification from the Admissions and Records Office at any Chaffey campus location. Requests made at the Rancho campus are processed while the student waits. Requests made in Chino and Fontana require additional processing time. Please check with the Chino and Fontana Admissions Offices before making your request.
Students may request up to two enrollment verifications at no charge. Subsequent verifications are $5.00 each.

**Pass/No Pass Grading:** Courses that are Pass/No Pass Only or provide students the option of selecting Pass/No Pass in lieu of a letter grade are so designated in the schedule description. Courses without such information are letter grade only.

**Petitions for Grade Changes**

Students have two (2) years following the semester in which a questioned grade was recorded to request a change of grade. A petition is required to change a failing grade to W, or to remove grades. To dispute an assigned grade, contact the instructor or appropriate department coordinator. Grades are no longer subject to change after the two-year limit.

**Access to Grades**

You may access grade information for the term just completed by visiting the MyChaffey portal at my.chaffey.edu. You may also view your grades on the Chaffey Mobile App: http://www.chaffey.edu/mobile/index.shtml. Please allow 10 business days after the last day of instruction for processing.

**GRADUATION AND CERTIFICATES**

The deadline to apply for graduation and certificates is as follows:

- **Fall 2015:** November 13, 2015
- **Spring 2016**
  - Commencement participants: February 26, 2016
  - Non-participants: April 15, 2016

To participate in the May 2016 commencement, you must have received your degree or certificate in Summer, 2015, Fall, 2015 or Spring 2016.

Applications are available in the Counseling Department or online at www.chaffey.edu/counseling. Completed applications are accepted by mail, fax (909) 652-6228, or in person at the Counseling Department on the Rancho Cucamonga campus.

A prospective graduate must have completed 60 degree-applicable semester units with a minimum 2.0 degree applicable cumulative grade point average (GPA), and must have met all graduation requirements as stated in the Chaffey College Catalog. Students with a cumulative 3.5 GPA or above in degree applicable units will graduate with honors. The GPA for honors at commencement is computed after the fall semester grades are recorded on the transcript.

**NON-TRADITIONAL CREDIT**

Students may be eligible to receive college credit by passing a written examination or demonstrating proficiency via another approved method that shows mastery of a course’s objectives. Approved testing methods include Credit by Examination (Cx), College Level Examination Program (CLEP), College Entrance Examination Board Advanced Placement (AP) and International Baccalaureate (IB) tests. Unit credit is recognized for AP tests in which a score of 3, 4, or 5 is awarded; more information is available in the Counseling Office. Refer to the college catalog for more nontraditional credit information.

**Unit Evaluation**

A unit evaluation determines the total number of degree applicable units Chaffey College will accept. It is not a course-by-course evaluation and it does not clear prerequisites. A unit evaluation will be completed for all official transcripts submitted to Chaffey College; a request form is not required. The only students who require an immediate unit evaluation are veterans and those who are applying to the ADN and RT programs. If you are a veteran or are applying to the A D N or RT program and need a unit evaluation, please contact the Admissions and Records Office at (909) 652-6600 for details. The evaluation will be completed in approximately 10 business days from the date the Unit Evaluation Request form is received in the Admissions Office.

If you need an unofficial review of course credit or a prerequisite validation, visit the Counseling Department. You must submit your official transcripts to the Admissions and Records Office at least one business day prior to your counseling appointment. Please refer to the paragraph below for additional information.

**Official Evaluation of Credit Completed at Other Schools**

Students who have completed course work at other institutions and wish to obtain a degree or certificate from Chaffey College or transfer to a CSU or UC, may request an official evaluation through the Counseling Department. Schedule an appointment with a counselor after the unit evaluation has been completed.
LIMITATIONS ON ENROLLMENT

Prerequisites and Enforcement
When a course has a prerequisite, it means that a student must possess a certain body of knowledge to be successful in the course. The preexisting knowledge may be a skill, an ability, a placement preparation score, or successful completion of a course. Completion of a prerequisite course requires a grade of C or better, CR (credit) or P (pass). A grade of “C-” is not acceptable for completion of a prerequisite/corequisite course.

When a course has a corequisite, it means that the student is required to take a course at the same time as another course. Knowing the information presented in the corequisite is considered necessary for the student to be successful in the course.

Chaffey’s registration process allows for prerequisite/corequisite checking by computer. Students attempting to enroll in the computer-checked courses will be blocked from registration if they do not meet the specified prerequisites. Students are responsible for meeting prerequisites as stated in the schedule of classes and college catalog. See a counselor for assistance in determining eligibility for a specific class.

Any student who has completed prerequisite and/or corequisite courses at another college or in high school must submit official transcripts to the Admissions and Records Office. A Request for Prerequisite/Corequisite Validation form must be completed and submitted to the Counseling Department. The student will be unable to register for specific courses if prerequisites are not met.

Assessment results from other colleges may not be used to meet prerequisites; new students must arrange to take Chaffey’s assessment testing prior to registration. The Request for Prerequisite/Corequisite Validation form must be completed and submitted to the Counseling Department. The student will be unable to register for specific courses if prerequisites are not met.

Students who are enrolled in the prerequisite course at Chaffey at the time of their registration will be permitted to enroll in the subsequent course. Students who do not pass the prerequisite course with at least a grade of C or do not complete the prerequisite course will be dropped prior to the start of classes by the Admissions Office.

Any student planning to clear a math prerequisite for a math course by using their high school transcript must complete a challenge form. See prerequisite/corequisite challenge instructions for more details.

Prerequisite/Corequisite Challenge:
Prerequisites for courses will be enforced according to college policy. Students have the right to challenge prerequisites on the following grounds:

1. A prerequisite for a course necessary for graduation, transfer, or a certificate is not offered and the unavailability of that prerequisite poses a hardship.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. The prerequisite is discriminatory or being applied in a discriminatory manner.

The student must provide appropriate documentation when filing a challenge. Documentation may include, but is not limited to, high school or college transcripts, additional test results, work experience, or writing sample. Prior enrollment in the course does not exempt a student from the current prerequisite of that course.

Students challenging a prerequisite must submit a Prerequisite/Corequisite Challenge form. The form must be filed in the Counseling Department up to one week prior to the beginning of each term.

Prerequisite/Corequisite Challenge Process:
1. Complete the Prerequisite/Corequisite Challenge form and attach documentation to establish your right to challenge this prerequisite/corequisite request. Examples of documentation include official or unofficial high school and/or college transcripts, international transcripts, certificates, test scores, etc.
   a) Identify the course in which you wish to register and the prerequisite/corequisite you wish to challenge.
   b) If you are attempting to use high school coursework to meet a course prerequisite, attach a copy of your high school transcript to verify the coursework completed.
   c) If you are trying to challenge a math course, you must submit a copy of your assessment test results, along with your transcripts attached to your challenge form.
2. Meet with a counselor in the Counseling Department to assess whether you will benefit from the challenge process.
   a) The counselor will sign the form.
   b) The Counseling Department designee will enter the prerequisite/corequisite course. This will allow you to register in the course.
3. Register during the registration period. (Refer to class schedule for the last day to add.)
4. The Counseling Department staff will submit the Prerequisite/Corequisite Challenge form with documentation to the referral area (school/department indicated on the form).
5. The department coordinator will approve/deny the challenge within three (3) working days.
6. For approved challenge decisions, you will be notified by mail and you will be allowed to stay in the class.
7. For denied challenge decisions, you will be notified by both phone and mail. The Counseling Department designee will remove the prerequisite/corequisite course entered on your record, the Admissions Office will drop you from the class, and the Cashier’s Office will process your refund.
8. If you wish to appeal the denied decision, you may do so by contacting the Dean in the school/department for the course you are challenging.
More information, including the Prerequisite Challenge form, is available through the Counseling Department and the Chaffey College website. Questions should be directed to the Counseling Department at (909) 652-6200.

Corequisites
When a course has a corequisite, it means that a student is required to take a course at the same time as another course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course.

Students wishing to challenge a corequisite should follow the same procedure for challenging a prerequisite.

Limitation on Enrollment
A limitation on enrollment is a non-course requirement for entry into a course or educational program, without which a student will not be permitted to remain in the selected course or program. These requirements are frequently (but not always) driven by health and safety regulations and/or mandates by outside accrediting/licensing agencies.

Advisory
An advisory is a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Since an advisory is not required, students will not be blocked from enrolling in a class if they do not meet the conditions of the advisory.

MATRICULATION
Matriculation services at Chaffey College are intended to assist students in establishing appropriate educational goals and to provide support services to help them achieve these goals. Students are provided assessment in basic skills, orientation, counseling, an educational plan, and follow-up services. New students must complete assessment and orientation prior to registering for classes.

Assessment of Foundation Skills
Assessment testing is required for placement into English, ESL, mathematics, and reading courses. Placement levels are based on a combination of test scores and other educational background information. Accommodations are available for individuals with disabilities. Chaffey uses multiple measures to place students into foundation skills courses.

Students Rights and Responsibilities
Students are entitled to certain rights under matriculation procedures. These rights include: retaking the assessment test; being informed of any district investigations of complaints challenging matriculation regulations; being provided alternative services according to language or disability needs; and filing a complaint of unlawful discrimination if they feel the assessment, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner.

Matriculation requirements also include certain student responsibilities. Upon admission to the college, students must express a broad educational goal and provide transcripts from previous college work. They must complete assessment and orientation prior to registering for classes and must develop a Student Educational Plan (SEP) with a counselor within their first six months at Chaffey. Students are responsible for attending class, completing their assignments and coursework, and maintaining progress toward their educational goal.

Exemptions and Refusal
Students may be exempt from matriculation services if they:
- Have earned an associate degree or higher (diploma or transcripts required), or
- Have completed certain coursework at another college (transcripts required), or
- Will enroll in one course only, with no intention of earning a degree at Chaffey, or
- Will enroll in performance/activity courses only.

Students have the right to refuse matriculation services and choose not to participate in assessment, orientation, and/or counseling. A student wishing to be exempt from these services based on one of the above criteria or wishing to decline participation must contact the Counseling Department to complete the necessary documentation. Students concurrently enrolled in high school and participating in the High School Partnership Program are not eligible for exemptions and cannot refuse matriculation services. Students who have previously chosen to refuse matriculation services may reconsider and participate at any time.

PHOTO ID CARD
All enrolled students are eligible for a photo ID card. Photo ID cards are required for use of labs, library, and other services. Students are encouraged to get their Photo ID card prior to the beginning of the term.

Photo ID services are available at the Rancho, Chino, and Fontana campuses in the Admissions and Records Office. The hours of operation for this service on the Rancho campus are on page 3. See the Chino Campus section and the Fontana Campus section for the business hours at those sites.

To obtain a Chaffey photo ID card, the student will need to present an alternate photo ID for verification, be currently enrolled in classes, and be financially cleared by the college. The following forms of photo identification are accepted:
- Driver’s License/State ID Card
- Military ID/Passport
- Current High School ID
- Other valid government-issued photo ID (subject to approval)

Photos must be an unobstructed, front view of the full face that is a representation of the true appearance of the card holder. No facial or hand gestures or foreign objects are to be included in the photo. Hats, sunglasses, and any other clothing that might obstruct the view of the face may not be worn. All headwear must be removed, unless worn for valid religious, cultural, or medical reasons. No picture retakes are allowed unless the picture is unusable due to closed eyes or other unforeseen problems. Please see the Admissions & Records Office for further information.

Photo ID Re-Print Policy
Re-prints are provided at no cost on Thursdays only between the hours of 8:00am and 6:45pm. There is an $8 rush fee for reprints processed on any day other than Thursday. All photo ID services close approximately 15 minutes before close of business.
- Complete a Photo ID Card Re-Print Request form, available in the Admissions and Records Office at all Chaffey campuses.
- Show proof of photo ID
- Clear ALL financial obligations to the college prior to submission of Re-Print Request form.
Photo ID Services During Peak Periods
Photo ID services may be limited during peak registration periods, open registration and the first week of instruction. To avoid delays, please request your photo ID prior to the start of the term. Students must be currently registered and financially cleared for the current term to receive a photo ID or re-print.

PROXY TRANSACTIONS AND IDENTIFICATION REQUIREMENTS
A student who is unable to initiate a transaction may designate an appointed person to complete the transaction by submitting a Proxy Transaction Form. Proxy forms are available in the Admissions and Records Office.

The Proxy Transaction form must include all of the following: student's full name, Chaffey ID number, and date of birth; name of the appointed person; a description of the transaction needed; signature of the student; and a copy of the student's picture identification with a signature. (Ed Code 76243)

The appointed person will be required to provide photographic identification before the transaction can be completed. With the exception of “rush” transcripts and enrollment verifications, Admissions and Records will mail a copy of the requested transaction directly to the student; a copy will not be released to the appointed person.

REGISTRATION DATE ASSIGNMENT
Registration priority will be assigned in the following order:
1. Students who have completed orientation, assessment, and an educational plan, and are enrolled in and receiving services from an eligible priority group as defined by Education Code 66025 and Title 5, Section 58108.
2. Continuing, returning, and new students who have completed orientation, assessment, and an educational plan; continuing students must also be in good academic standing.
3. Students who have completed more than 100 units.
4. Students who have not completed orientation, assessment, OR and educational plan, and/or are not in good academic standing.

COURSE REPETITION
Repetition of courses is allowed in certain circumstances (Title 5, Section 55040-55046, 58161, 58161.7 and Chaffey College Board Policy)

Course Repetition in a Non-Repeatable Course
1. Students who received a satisfactory grade (“A”, “B”, “C”, “CR”, or “P”) may not normally repeat the course. Exceptions exist for significant lapse of time, extenuating circumstances, and legally-mandated training requirements as a condition of continued paid or volunteer employment (see exceptions below for details). Such exceptions require a petition, available from the Admissions and Records Office.
2. Students who have received an incomplete grade (“I”) may not repeat the course. Required coursework must be completed within one year, or the “I” grade will default to an alternate grade indicated by the instructor (usually substandard). If the instructor does not provide an alternate grade, the “I” grade will automatically default to an “F”.
3. Students who have received an In-Progress grade (“IP”) must repeat the course by enrolling in it in the subsequent term (excluding summer). Coursework must be completed in that semester or the “IP” grade will default to an alternate grade indicated by the instructor (usually substandard). If the instructor does not provide an alternate grade, or if the student fails to re-
4. Students who have received an unsatisfactory grade (“D”, “F”, “FW”, “NC”, or “NP”) or have withdrawn from the course (“W”) may repeat the course once. If unsuccessful in the second attempt, the student must file a petition to be considered for a third or subsequent attempt at the course. Petitions are obtained from the Admissions and Records Office. The academic dean over the subject area being petitioned evaluates and approves/disapproves each petition on a case-by-case basis.
5. Students who have withdrawn for verified military service (“MW”) may repeat course(s) from which they have withdrawn. The “MW” grade does not affect GPA, nor does it count toward the permitted number of repetitions. The college’s course repetition policy may be different from that of the Veterans Administration. Students receiving Veterans’ educational benefits should check with the Veterans Certifying Official in the Veteran’s Resource Center before repeating any course.

Course Repetition in a Repeatable Course
Only courses involving Intercollegiate Academic or Athletic competition are repeatable. (Title 5, section 55041) These courses are identified as repeatable in their description and may be taken a maximum of four times (repeated three times).
1. All attempts at a repeatable course count in the limitation on repeats, including any that result in an unsatisfactory grade (“D”, “F”, “FW”, “NC” and “NP”) or a withdraw annotation (“W”) on the student’s permanent record.
2. When a repeatable course is taken and a substandard grade (“D”, “F”, “FW”, “NC”, and “NP”) is earned, a student may elect to have the satisfactory grade earned in the first subsequent repeat of the course alleviate the substandard grade. Forms for this election are available in the Admissions and Records Office.

Exceptions to Repetition Restrictions:

Significant Lapse of Time: A student may petition to repeat a course that is not designated as repeatable and in which he or she has received a satisfactory grade (“A”, “B”, “C”, “CR”, or “P”) when:
1. there has been a significant lapse of time of no less than 36 months since that grade was obtained, and
2. the district has properly established a recency prerequisite for a course or program, or another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without the course in question (Title 5, Section 55043).

Extenuating circumstance: A student may petition to repeat a course in which the previous grade is, at least in part, the result of extenuating circumstances (verified cases of accidents, illness, or other circumstances beyond the control of the student) (Title 5, Section 55045).

Legally Mandated Training Requirement: A student may petition to repeat a course in which a satisfactory grade was previously earned and such repetition is necessary due to a change in industry licensure standards such that repetition of the course is necessary for employment of licensure [Title 5, Section 55040(b)(8)].
RESIDENCY DETERMINATION

Residency status for tuition purposes is determined at the time of application. Students determined to be non-resident the time of application are notified by email with instructions to contact the Admissions and Records Office immediately. (Residency regulations also apply to high school students.)

Resident: Has resided in California for at least one year and one day prior to the first day of instruction. Any person who has lived in California for less than two (2) years must clearly demonstrate the following:

- Intent to make California his/her residence (Title 5, Section 54024)
- Physical presence in California for at least one year and one day immediately prior to the first day of instruction for the term. (Title 5, Section 54022)

Physical presence within the state solely for educational purposes does not constitute establishing California residence regardless of the length of that presence.

Non-Resident: (a) a citizen or permanent resident of the United States but a resident of California for less than one year on the day before classes begin; (b) a person who is neither a citizen nor permanent resident of the United States.

Persons who are not citizens or permanent residents of the United States who wish to enroll at Chaffey College should contact the Admissions and Records Office for further information.

Reclassification of Residency: Students who have been classified as non-residents are not automatically reclassified as residents. A student seeking reclassification as a resident must meet the requirements for intent, physical presence, and financial independence in accordance with Education Code section 68044. Residency regulations clearly state that the burden of proof of residence rests upon the applicant or student. To verify your residency status, please contact the Admissions and Records Office at (909) 652-6600.

AB540 Non-Resident Tuition Exemption Request: A student who qualifies for the Non-Resident Tuition Exemption will not have to pay the non-resident tuition fee. The qualifications for the waiver are stated below.

A student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying nonresident tuition at Chaffey College:

1. High school attendance in California for three or more years.
2. Graduation from a California high school or attainment of the equivalent thereof (equivalent considered GED or high school proficiency test) must be obtained in the state of California.
3. In the case of a person without lawful immigration status, the filing of an affidavit (available in the Admissions and Records Office) stating that the student has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.

The student must file an exemption request with the college along with a signed affidavit that indicates the student has met all applicable conditions described above. The student must also provide official high school transcripts. The exemption request and affidavit can be obtained from the Admissions and Records Office. Student information obtained in this process is strictly confidential unless disclosure is required by law.

A student who meets the qualifications for the Non-Resident Tuition Exemption Request is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the “Residency Determination” section above. Therefore, students may not be eligible for any federal or state supported financial aid. There are two types of non-resident students: a non-resident U.S. citizen and a non-resident alien (or non-citizen). Non-resident U.S. citizens may not be eligible for state supported financial aid. A non-resident alien may be eligible for state financial aid. Contact the Financial Aid Office for more information at (909) 652-6199.

ACADEMIC FREEDOM
The District is committed to academic freedom, but recognizes that academic freedom does not allow sexual harassment or any other form of unlawful harassment or discrimination. The lecture, content, and discourse that are an intrinsic part of the course content shall, in no event, constitute sexual harassment or other form of unlawful harassment or discrimination. It is recognized that an essential function of education is a probing of received opinions and an exploration of ideas that may cause some students discomfort. Accordingly, Chaffey College has classified academic dishonesty into the following categories:
• Cheating
