

Associate Degree in Nursing (ADN)

Learn more about
one of the fastest
growing occupations
in Southern California!

Information Sessions

To attend an information session, please register by going to the Chaffey College's ADN program's website and select the date and time you would like to attend.

The ADN Information Session will review the following information:

- Chaffey College's Nursing Program Accreditation
- NCLEX pass rates
- Employment outlook
- Program prerequisites
- Multi Criteria screening and selection process
- Program costs, curriculum, and weekly schedule
- And much more!

*You do not need to
be a Chaffey College
student to attend.*

Students who are ten (10) minutes late will not be admitted into the workshop through Zoom.
