

2023-2024 ADN ADVANCED PLACEMENT (LVN to RN)

Application Periods: September 1st – 30th 2023 and March 1st – 31st, 2024

For more information on the program policies and selection process, refer to the ADN website: <http://www.chaffey.edu/adn>

LVN to RN (Advanced Placement) Program Requirements:

1. Anatomy, Physiology, Microbiology, Microbiology Lab must be completed at the time of application. **Advisory:** Complete ALL pre-requisites before enrolling in NURADN 3 AND 3L.
2. Must have a current California Vocational Nursing License.
3. Completed or enrolled in NURADN 3 AND 3L Transition in Nursing [Term completed: _____]

There is no recency or repeat requirements on the science pre-requisites for this pathway.

- **The minimum GPA [grade point average] of these courses combined must be 2.80.**

N	IP	Required Pre-requisite courses	Pre-requisites for Biology courses	Equivalent Coursework	Grade	Points	Units	Grade Points	
		BIOL 20 Anatomy (4 units)	Eligibility for English 1A determined by the Chaffey College placement process.						
		*BIOL 22 Physiology (4 units)	BIOL 20 & Chem 9 or 10 or 1 yr. of H.S. Chemistry						
		*BIOL 23 Microbiology (3 units)	BIOL 22 or BIOL 61						
		*BIOL 23L Microbiology Lab (2 units)	Corequisite BIOL 23						
		Notes:	TOTALS:						
Divide grade points by units to determine GPA >									

- **The minimum GPA for the combined general education requirements and additional courses listed below must be 3.00.**

N	IP	Required General Education Courses	Equivalent Coursework	Grade	Points	Units	Grade Points	
		ENGL 1A Composition (3 units)						
		MATH 401 Math for Health Science (1 unit) (Recommended to enroll in at the same time as BIOL 23/23L)						
		PSYCH 25 Developmental (Lifespan) Psychology (3 units)						
		SOC 10 (Intro to Sociology) or ANTHRO 3 (Social & Cultural Anthropology) or COMSTD 74 (Intercultural Communication) (3 units)						
		COMSTD 2, 4, 6 or 8 (3 units)						
		Humanities Area/Arts or Humanities (3 - 4 units)						
		Ethnic Studies 1 through 6 (3 units)						
		Satisfactory grade ("C" or better) in a mathematics course at or above the level of the course typically known as Intermediate Algebra (e.g. Math 425, 420, 450) or (e.g. Algebra 2, Integrated Math 3 or above from high school, not to be factored in this GPA.						
		Notes:	TOTALS:					
Divide grade points by units to determine GPA >								

LVN to RN ADVANCED PLACEMENT COURSE SEQUENCE

Third semester for advanced placement

Fourth semester for advanced placement

NURADN 35 7.5 units

NURADN 47 7.5 units

NURADN 39 2.0 units

NURADN 49 2.0 units

Medication calculation proficiency must be demonstrated by written examination prior to NURADN 35 and 47.

How to calculate your GPA

1. Determine the grade points awarded for the grade you received.
2. Multiply the units of each course by the grade points awarded.
3. Divide the total number of grade points by the total number of units to calculate the GPA

Grade	Points		Grade	Points
A+,A	4.0		D+	1.3
A-	3.7		D	1.0
B+	3.3		D-	.7
B	3.0		F	0
B-	2.7		CR = C	2
C+	2.3			
C	2.0			

*There is a non-degree option, however it is not recommended. Refer to the Chaffey College catalog for further information.

NOTES:

All classes listed on previous page must be completed with a grade of "C" or better. Students must be in good standing (not on probation). Effective Fall 2014, all plus and minus grades MUST be used in the GPA calculation.

Course grades will **not** be calculated into the GPAs listed above under the following circumstances:

* International transcript courses: approved evaluation service * Grade of "P" (Pass/No Pass) * Chaffey College Assessment verifying "Competency" at the level of Math 420 or Math 450, Intermediate Algebra

According to SB 1393, the Arts and Humanities area in the General Education requirements may be waived for ADN students who have earned a BA or BS from a regionally accredited institution in the United States. SB 1393, does not apply to any applicant with a foreign bachelor's degree or higher. Official transcripts must be on file.

ADDITIONAL INFORMATION:

Should there be more qualified applicants than spaces available, general education coursework listed on the other side of this sheet completed prior to applying to the ADN program will be considered in the application process. **It is strongly recommended that all general education classes listed on the other side of this sheet are completed at the time of application.**

Once accepted (conditionally), a pre-enrollment assessment (TEAS) of basic math, reading, English, and science must be completed successfully in order to begin the program.

American Heart Association Health Care Provider card must be current throughout the program.

ALL NURADN courses listed in the boxes above must be completed with a minimum grade of C/Pass. Failure to follow the above sequence results in being dropped from the ADN program.

To be eligible to take the state examination for licensure as a registered nurse, **the California Board of Registered Nursing requires a high school diploma or equivalent and successful completion of an accredited nursing program.**

There are fees and fingerprint requirements to obtain licensure by examination or endorsement, interim permit, and biennial renewal.

Students with any convictions, including no contest pleas, infractions, misdemeanors and felonies, should contact the Board of Registered Nursing regarding legal limitations for licensure. www.rn.ca.gov A criminal background check is required prior to entering NURADN 35.

Prior to admission to the ADN Program, students must demonstrate physical and emotional health as determined by a health examination.

The college does not provide transportation to clinical facilities.
