

Dental Assisting/ Registered Dental Assisting Program (RDA)

Learn more about a rewarding career in the dental field. Our Dental Assisting program is fully accredited by both state and national associations.

The Dental Assisting Information Session will review the following information:

- Program overview
- Program Prerequisites
- Application and selection process
- Program cost, curriculum and weekly schedule

You do not need to be a Chaffey College student to attend.

Information Sessions

To attend an information session, please visit the Chaffey College's Dental Assisting program website for upcoming dates and times.

Students who are ten (10) minutes late will not be admitted into the workshop through Zoom.
