

SPRING 2021 FAST-TRACK & SECOND START 14-WEEK CLASSES

Beginning and ending dates are listed for all classes. Class offerings, particularly instructor assignment, are subject to change without notice.

Nearly all classes this semester have transitioned predominantly online due to campus closures related to COVID-19. Some of these classes may be arranged in a synchronous manner, with instruction to occur online during specific days of the week, at specific times. Although there may be some synchronous activity to enhance instruction in online classes, students cannot be required to participate and/or be penalized for not participating in these enhanced learning opportunities. Class sections with synchronous activity are indicated below by an asterisk (*) next to the section number. Meeting day and time information for these classes can be found in the All Sections portion of this Schedule beginning on page 38.

Students enrolled in face-to-face instruction will be required to wear a face covering in order to protect themselves and others from virus transmission while in the learning environment.

Search for classes online through [MyChaffeyView](#) for complete class details and visit the Chaffey Student Toolkit at <https://www.chaffey.edu/toolkit/index.php> for information on how to be successful in online courses.
