After you have completed Steps 1-5 please check the MyChaffey portal for your registration date.

REGISTRATION STATUS
Visit the MyChaffey portal to check your registration date and check the Registration Steps you have completed. See the “My Registration Priority Checklist.” Your registration date will be available approximately two weeks prior to the start of registration.
STEP 6
REGISTER FOR CLASSES

TO REGISTER:
Once you have completed Steps 1 through 5 you will receive a date and time to register.

Your registration date and time will be available on the MyChaffey portal approximately two weeks prior to the start of the registration period.

You are encouraged to register as soon as possible on or after the assigned registration time. The longer you wait the more difficult it is to get the classes you need.

Maximum Unit Load
You may enroll in a maximum of 18 units in fall and spring semesters, and 7 units in the summer session. Counselor signature approval is required to exceed the maximum unit load allowed.

Multiple Enrollments
You may not enroll in more than one section of any course that is not repeatable at the same time.

Time Conflicts
You may not enroll in sections that have time conflicts with other sections, or courses that meet at the same time.

High School Dual Enrollment
High School students may register online. Submission of a completed Dual Enrollment Agreement is required in order to receive a registration appointment. View the Agreement online.
You may place yourself on a wait list for a class that is closed, provided the option to wait list is available and the wait list is not already full.

Enrollment is not guaranteed. Students on the wait list will be contacted via their Chaffey student email account, if available, if a seat opens. Notification is based on your wait list rank.

Once permission to register is received, you can register for classes via the “Self-Service (Registration)” link in the MyChaffey portal.

Registration must be completed by the date and time indicated on the email notification. You will have three (3) days to complete your registration. If you do not register by the specified deadline, you will be dropped from the wait list. The Admissions and Records Office cannot extend the deadline to add a waitlisted course, nor can we add you into a class once wait list permission has expired.

WAIT LIST RESTRICTIONS AND DISCLAIMERS
You may wait list for only one section of a specific course.

Time conflicts are not checked systematically for overlapping sections when a student is wait listed.

If your permission expires on a Sunday, it is recommended that you register BEFORE Sunday, as this day may be reserved for scheduled system maintenance.

Professors have the discretion to approve registration by issuing Add Authorizations to students on the first day of instruction.

You may not enroll in and wait list in different sections of the same course at the same time. Enrollment in a course will drop you from the wait listed section.

If you wait list in two courses that are required to be taken at the same time, there is no guarantee that you will receive permission to register into both courses at the same time. You may use eligibility for one of the classes if the wait list for the second class has not yet offered you a seat. Special allowance cannot be made for these situations.

Email notification is sent to all eligible wait listed students through their Chaffey email account, if available. We are not responsible for emails that are sent to outside accounts and not received.

Wait lists will be active until the Tuesday before the first day of instruction for the term. You may still add your name to any open wait list; however, you will not move up in position. You must attend the first class meeting to request an Add Authorization in order to register.

ADD AUTHORIZATION AND LATE REGISTRATION
Once the semester begins, all students are required to have an Add Authorization for all open and closed classes. The Add Authorization is issued by the instructor and must be used before it expires on the last day to add. The Admissions and Records Office cannot extend the deadline to add classes.

The last day to add classes is as follows:
- **Full-Term**: January 24
- **14-Week**: February 4
- **Fast Track I**: January 14
- **Fast Track II**: March 25

For more information, check your registration receipt, the Schedule of Classes, or contact the Admissions and Records Office at admissions@chaffey.edu.

Note: If you have an Add Authorization and are required to submit a Repeat Petition, you must register in person in the Admissions and Records Office. The Add Authorization will be verified and, if the Repeat Petition is approved, you will be registered into the class.

**Add Authorizations for Distance Education (Online) Classes**: To find out how to contact an online instructor for an Add Authorization, please visit the Online Education webpage.

**VERIFICATION OF PAYMENT**
Once payment is made, we recommend you print out a registration receipt for your records. This receipt provides important deadline dates for refunds and dropping classes. This is especially important if you are registered for Fast Track classes, as deadlines for these classes differ significantly from those for full-term classes.

**FACTS Payment Methods:**
- Automatic bank payment (ACH)
- Credit card/debit card

**Cost to Participate:**
- $20 enrollment fee per semester (ACH & credit card)
- $2 enrollment fee for an immediate full payment
- $30 returned payment fee if a payment is returned

**Must be renewed each semester**

**Simple Steps to Enroll in the Payment Plan:**
- Go to [www.mycollegepaymentplan.com/chaffey](http://www.mycollegepaymentplan.com/chaffey)
- Click on the link “Enroll Today”. NBS scheduled payments are processed on the 5th of each month and will continue until the balance is paid in full.
  
  **NOTE:** All down payments and enrollment fees are processed immediately.

*If an invalid account number is supplied or any monthly payment is returned by the supplied bank prior to the start of the term, the payment plan with NBS will be terminated and the student's classes may be dropped.

*If an invalid account number is supplied or any monthly payment is returned by the supplied bank once the term begins, the payment plan with NBS will be terminated and there will be a hold placed on the student’s account until the balance is cleared in full.

* If there are any changes made to the student’s Chaffey College account including but not limited to adding and/or dropping classes, obtaining the California College Promise Grant (CCPG), or updating residency status, the student must adjust their payment balance by logging into the MyChaffey portal and clicking on the NBS payment plan link. If the student has any questions regarding their agreement, they may email the Chaffey College Cashier's Office at cashier.staff@chaffey.edu.

Payment is due at the time of registration. As the student, you are responsible for dropping classes by the stated deadlines. If you register for a class and later change your mind, it is your responsibility to drop the class. You may be responsible for some or all of the fees for dropped courses as per the Refund Policy. If you are a Financial Aid recipient, your award will not cover all of your fees. You are responsible to submit payment for any balance due. An outstanding balance will result in a Hold placed on your account.

**Methods of payment** include Visa, MasterCard, American Express, Discover, Check or Money Order payable to Chaffey College (include Chaffey ID number).

**FINANCIAL HOLDS**
Students with financial holds for past due fees will NOT be able to access the following services (title 5, section 59410):
- Grades
- Diplomas
- Registration Privileges
- Chaffey Student ID

**Financial Aid Students**
The California College Promise Grant (CCPG) (formerly BOGFW) does not cover all fees for registration. Students who receive the CCPG must pay the remaining fees by the first day of instruction. If payment is not received, a financial hold will be placed on the student’s account. For questions regarding your financial aid award, contact the Financial Aid Office at [https://kiosk.na4.qless.com/kiosk/app/home/82](https://kiosk.na4.qless.com/kiosk/app/home/82) during business hours.

**Returned Payments**
Returned payments due to insufficient funds, invalid account number entry or stopping payment on a check or credit card transaction does NOT constitute withdrawal from classes and will result in a $25 charge and a financial block on the student’s account.

**Fee Collection by the Franchise Tax Board**
Failure to pay any outstanding balance will result in the student’s name being submitted to the Franchise Tax Board for collection of any balance owed to Chaffey College.
Eligibility Requirement for Refunds
A student is eligible for a refund if classes are dropped by the published refund deadline. Refund deadlines vary. Students can view their schedule for specific refund deadlines. The instructions to view this information is on the Cashier’s Office “Deadlines & Refunds” webpage.

To be eligible for a refund, classes must be dropped within the first two weeks of instruction for full-term classes, and before the 10% point of any short-term class. The following fees are subject to refund if classes are dropped before the deadline: enrollment, health, materials, college services, transportation, student representation, technology, and non-resident tuition.

Refund for Parking Permits
To receive a parking refund, the parking permit must be returned to the Admissions and Records Office on or before the appropriate refund deadline date.

For information related to the waiver of enrollment fees, contact the Financial Aid Office at fa.staff@chaffey.edu. For questions regarding refunds, contact the Cashier’s Office at cashier.staff@chaffey.edu.

COLLEGE SERVICES FEE
The College Services Fee is budgeted by the Chaffey College Student Government (CCSG) to provide a range of opportunities, activities, and services to support and engage the students at Chaffey College. CCSG allocates the funds to benefit the students and foster the spirit of excellence and commitment to learning in all areas of the institution. This includes supporting: book grants, scholarships, lectures, cultural events, festivals, field trips, retreats, conferences, student clubs, the class gift and much, much more. Students who wish to be exempt from paying the College Services fee may submit a Student Opt Out Request form prior to the refund deadline for the applicable term.

HEALTH SERVICES FEE
Pursuant to section 76355 of the Education Code, students who can provide documentation of active membership in a religious organization that relies exclusively on prayer for healing may request to have the Health Services Fee waived. Applications for waiver are available in the Student Health Services office. CCPG eligible students will be responsible for all or a portion of the Health Services Fee as listed on the Tuition and Fees webpage.

STUDENT REPRESENTATION FEE:
The $2 Student Representation fee is used by the Associated Students of Chaffey College and the Student Senate of California Community Colleges to advocate and lobby for legislative issues that affect and benefit community colleges and community college students both at the state and federal level. Students who wish to be exempt from paying the Student Representation fee may submit a Student Opt Out Request form prior to the refund deadline for the applicable term.

TECHNOLOGY FEE:
The Chaffey College technology fee directly supports the cost of providing student access to college technology. This fee is optional and will be used, for example, to help ensure student computer labs are equipped with current hardware and software and to provide high-speed wireless access and connectivity to the internet. The technology fee is $8.00 per term in the fall and spring and $5.00 in the summer and will only be used for student-related technology. Students who wish to be exempt from paying the Technology fee may submit a Student Opt Out Request form prior to the refund deadline for the applicable term.

**DURING THE LAST 10 DAYS OF REGISTRATION ALL FEES ARE DUE PRIOR TO THE START OF THE TERM.**

**PAYMENTS FALLING ON A SUNDAY**
If your payment date falls on a Sunday, we highly recommend that you pay before Sunday, as this day is generally reserved for scheduled system maintenance. Payment may not go through, resulting in your classes being dropped. Once classes are dropped, the action cannot be reversed. **Partial payments are not accepted; balance due in full.**

Once the term starts, payment is due at the of registration. If payment is not received, a financial hold will be placed on your account.

**METHODS OF PAYMENT**
Visa, MasterCard, American Express, Discover, Check or Money Order payable to Chaffey College (include Chaffey ID number).
STEP 8
ATTEND FIRST CLASS MEETING

It is important that every student attend the first class meeting. Students who do not attend may lose their seats to other students who are in attendance, even if enrolled in the class.

Attendance
It is your responsibility to make sure that you are officially enrolled in the class. You are expected to attend every class meeting. If you cannot attend a class meeting, consult with the instructor of the class. **You may not continue to attend a class in which you are not enrolled.**

Dropping Classes
You can drop classes via the “Self-Service (Registration)” link in the MyChaffey portal. Drop deadlines vary for each class and are available on your registration receipt. It is your responsibility to make sure classes are dropped. **Failure to attend a class does not constitute an official drop.**

Students who drop classes prior to the date census rosters are due will receive no entry on their academic records. Course drops processed after the census deadline and on or before 61% of the course will receive a “W” grade on the permanent record. Drops cannot be processed by a student or an instructor after 61% of the course has elapsed. Failure to drop a course may result in an “F” or “FW” grade on the student’s record. Students are responsible for payment of fees; see Step 7 for more information on the refund policy.

IT IS ULTIMATELY YOUR RESPONSIBILITY TO DROP A CLASS. DO NOT RELY ON AN INSTRUCTOR TO DROP YOU.

FREQUENTLY ASKED QUESTIONS

Where can I purchase a parking permit?
Parking permits may be purchased online via the MyChaffey portal, or in person at the Admissions & Records Office at any of our three campus locations.

I purchased my parking permit online, but haven’t received it yet. What do I do so I don’t get a ticket?
A temporary parking permit will be issued to students who come in person to the Admissions & Records Office on the Rancho, Chino, or Fontana Campus. The temporary parking permit expires 14 calendar days from the day it is issued. If you do not receive your parking permit by the expiration date of the temporary permit, please email cashier.staff@chaffey.edu.

How can I get a parking permit refund?
The parking permit must be returned to the Admissions & Records Office on or before the appropriate refund deadline date.

Can I park wherever I want with my parking permit?
No. Parking permits allow students to park in student spaces. Students are not permitted to park in any stall marked Staff, Visitor, or Reserved. No parking is allowed in any area that does not have a clearly marked parking stall.

Can I park in metered stalls with my parking permit?
Only if you pay the required meter fee. Any person parked in a metered stall must pay the correct fee, even with a valid parking decal. Metered stalls cost $0.25 for every 15 minutes with a limit of one hour.

What if I only have one or two classes a week and I don’t want to purchase a parking permit?
You can purchase a daily parking permit from dispensing machines located in parking lots throughout the campus. One hour permits are $1.00 and full day permits are $4.00.

I ride a motorcycle. Do I have to buy a parking permit?
Yes. Motorcycle permits cost $20.

What if I drive a different car or just forget my permit?
You may obtain a temporary one day permit at the Campus Police Office with proper identification.

Why is parking so difficult on the Rancho Campus?
The first few weeks of a new semester are always the busiest. Try using alternate transportation such as carpooling or taking the bus. You can also try parking lots at the east or south end of the campus. Having a parking permit does not guarantee a parking space close to your destination and it is your responsibility to find legal parking.

For more information on parking regulations, please refer to the “Parking and Traffic Rules and Regulations” brochure available at the Campus Police office or online, or contact Campus Police at (909) 652-6632.

SPECIAL STUDENT CLASSIFICATIONS

HIGH SCHOOL DUAL ENROLLMENT

High school students may enroll at Chaffey College through Dual Enrollment to pursue advanced scholastic or vocational education [Education Code 48800(a)]. All high school, private, and home-schooled students attending Chaffey for the first time must complete an online application, the Dual Enrollment Agreement, Waiver of Liability Form (if applicable), and provide official high school transcripts showing their most recent grade level. Continued enrollment in subsequent semesters will only require the Dual Enrollment Agreement and Waiver of Liability, if applicable.

Students who attend a local district high school should submit the electronic Dual Enrollment Form. This form will be automatically routed directly to the high school and returned to Chaffey Admissions and Records once approved. Students eligible to submit the electronic form do not need to submit the additional Waiver of Liability Form. NOTE: If a high school is not listed in the drop-down menu on the form then the student will need to submit a PDF Agreement and Waiver of Liability Form.

Students who attend a private school or are home-schooled must submit the PDF version of the Dual Enrollment Agreement and the Waiver of Liability Form, available online. The student will be responsible for obtaining the required signatures from the principal/designee of the high school to approve the requested course. Home-schooled students must also submit a valid Home School Affidavit from the California Department of Education.

High school students are eligible to enroll in any approved courses except those that are remedial in nature (courses numbered 500-599) or KINACT (PE activity) courses. Students may enroll in KINLEC lecture courses with permission from the high school. Select seniors may be eligible to enroll in KINTM team courses if recruited by a Chaffey coach. An official letter from the coach will be required at time of registration.

Students may take up to 11 units in fall and spring semesters, and 6 units in summer, from the list of approved courses on the Dual Enrollment Agreement for that term.

Enrollment, health, and college service fees are waived for Dual Enrollment students. Other costs (e.g., materials fees, transportation, technology, and student representation fees, books, and parking) must be paid by the student. Students enrolling in 12 or more units in a semester will lose special-admit status and will be responsible for payment of all assessed fees. Students residing out of state will be responsible for payment of all assessed fees, including nonresident and capital outlay fees.

CTE Career Transitions

High school/ROP students who attend Career Technical Education (CTE) courses articulated with Chaffey College may be able to earn advanced placement or college credit. For additional information contact your counselor or career technician or email act.staff@chaffey.edu.

PUENTE PROJECT

An outgrowth of the Puente Project founded in 1981 at Chabot College in Hayward, the Puente Project is designed to provide individual assistance to students interested in transferring to four-year colleges and universities. Puente students are provided with intensive English instruction, focused personal counseling, introductory tours of UC and Cal State campuses, and helpful personal mentoring. Every element is an essential part of the Puente experience.

Prospective students must be eligible for English 1A at the time of application, and must write an essay describing their academic and career goals, and how participation in Puente would assist their success. Applications and essays are evaluated by the Puente program faculty, who select 30 students each year for participation in the program.

More information and application forms are available in the Counseling Department at the Fontana Campus and online at the Puente Project webpage.

**ACADEMIC MATTERS**

**AUDITING COURSES**
Auditing may be permitted on a space available basis, solely at the discretion of the instructor. Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive credit. Conversely, a student is not permitted to change his/her enrollment from credit to audit. No course credit or grade is received for an audited class, nor does the college maintain any attendance or transcript records. Priority in class enrollment shall be given to students desiring to take the course for credit; therefore, enrollment for audit purposes will not be permitted until the class has met at least once. The instructor’s signature is required to audit a class. If a student is enrolled only in the class(es) being audited, that student can obtain a photo ID card and will have access to labs and Success Centers at all locations, but will not have access to the library book check-outs or online library resources. High school students are not eligible to audit courses. The cost to audit a course is $15.00 per unit. For additional information, contact Admissions and Records at (909) 652-6600 or financialaid@chaffey.edu.

**CHANGE OF ADDRESS/PHONE NUMBER**
It is the student’s responsibility to maintain a current email address, physical address, and telephone number(s) in the MyChaffey portal. If a student would like to change to a mailing address that is different from the physical address, the change must be made in person in the Admissions and Records Office at any Chaffey campus. For additional information, please contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu.

**CREDIT BY EXAMINATION**
A student may challenge certain courses for Credit by Examination. Applications are available in the Admissions and Records Office. Grading is on a pass/fail basis only, there is a $25 per test fee that must be paid in advance, and the student must certify that they have not previously attempted examination for credit in the course. Additional criteria must also be met; those criteria can be found in the college catalog, which can be accessed by visiting www.chaffey.edu.

**ENROLLMENT VERIFICATION REQUESTS**
Enrollment Verification forms can be presented to health insurance agencies, housing authorities, consumer product companies, banks, etc. to provide evidence of official enrollment at Chaffey College.

A student may request enrollment verification from the Admissions and Records Office at any Chaffey campus location. Enrollment verifications are processed while the student waits.

Requests that require completion of additional forms may take up to 24 hours to process. Requests made in Chino and Fontana will require additional processing time. Please check with the Chino and Fontana Admissions & Records Office before making your request. Students may request up to two enrollment verifications at no charge. Subsequent verifications are $5.00 each.

**DEGREES AND CERTIFICATES**
The deadline to apply for spring degrees and certificates is February 11.

To participate in the May 2022 commencement ceremony, you must receive your degree or certificate in summer 2021, fall 2021, or spring 2022.

Apply for graduation online by logging onto MyChaffey portal. For graduation verification and application assistance contact the Counseling Department at (909) 652-6200 or counseling@chaffey.edu.

Degree candidates must complete 60 degree-applicable semester units with a minimum 2.0 degree applicable cumulative grade point average (GPA), and must meet all graduation requirements as stated in the Chaffey College Catalog. Students with a cumulative 3.5 GPA or above in degree applicable units will graduate with honors. The GPA for honors at commencement is computed after the fall semester grades are recorded on the transcript.

**NON-TRADITIONAL CREDIT**
Students may be eligible to receive college credit by passing a written examination or demonstrating proficiency via another approved method that shows mastery of a course’s objectives. Approved testing methods include Credit by Examination (Cx), College Level Examination Program (CLEP), College Entrance Examination Board Advanced Placement (AP) and International Baccalaureate (IB) tests. Unit credit is recognized for AP tests in which a score of 3, 4, or 5 is awarded; more information is available in the Counseling Office. Refer to the college catalog for more nontraditional credit information.
TRANSCRIPTS
Chaffey College has appointed Credentials Inc. as the designated agent for processing and sending official electronic transcripts on behalf of Chaffey College. The PDF transcript that is produced using this service contains the identical information as the printed transcript and can be certified as unaltered by uploading the file to the company’s website that is provided during the delivery process. Credentials Inc. has been granted the authority to deliver all such electronic requests on behalf of Chaffey College and respond to any inquiries regarding the transactions. Students will be given an option to select the PDF transcript or the standard printed transcript during the ordering process.

To order a transcript, visit Chaffey’s Credentials Solutions online form.

Unofficial Transcripts: For a printout of unofficial transcripts, go to the MyChaffey portal, click the MyChaffeyVIEW icon in the Launch Pad and select the Unofficial Transcript link.

Unit Evaluation
A unit evaluation determines the total number of degree applicable units that Chaffey College will accept. It is not a course-by-course evaluation and does not clear prerequisites. Students who submit transcripts prior to enrolling at Chaffey will need to submit a Unit Evaluation Request Form once enrollment has been completed. The only students who require an immediate unit evaluation are veterans and those who are applying to the ADN and RT programs. If you are a veteran or are applying to the ADN or RT program and need a unit evaluation, please contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu for details. The evaluation will be completed in approximately 10 business days from the date the Unit Evaluation Request form is received in the Admissions and Records Office. Health Science evaluations will be expedited only during the application period for the program.

Students who are not part of the above-mentioned groups may request a unit evaluation beginning the fourth week of the fall or spring semester. For summer, Unit Evaluation Requests will be accepted throughout the duration of the term. The process may take 4-6 weeks, depending on workload. Contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu for more details.

Official Evaluation of Credit Completed at Other Schools
Students who have completed coursework at other institutions and wish to obtain a degree or certificate from Chaffey College or transfer to a CSU or UC, may request an official evaluation through the Counseling Department. To have your general education coursework from another college evaluated:
1. Submit official transcripts from other schools to Admissions and Records electronically, by mail, or in person;
2. Allow a minimum of 10 business days for the transcripts to be received and processed at Chaffey College;
3. Complete the Request for Transcript Evaluation form.
4. The evaluation is a two-step process. You will receive two separate emails once each part is completed.
5. After receiving a confirmation email that your transcripts have been evaluated, log into Cranium Café to book an online appointment with a counselor.

Transcript Evaluation Services for Foreign Transcripts
Chaffey College accepts the following Transcript Evaluation Services for foreign transcripts:
- Academic and Professional International Evaluations, Inc.
- Academic Credentials Evaluation Institute

- Educational Credential Evaluators, Inc.
- Educational Records Evaluation Service
- Institute for International Credentials Evaluation at CSU Fresno

Note: Credits from an evaluation service are counted as earned credits only. Grade point averages from foreign institutions are not included on the Chaffey academic transcript. For specific information, contact the Admissions and Records Office.

LIMITATIONS ON ENROLLMENT
Prerequisites and Enforcement
When a course has a prerequisite, it means that a student must possess a certain body of knowledge to be successful in the course. The preexisting knowledge may be a skill, an ability, a placement preparation score, or successful completion of a course. Completion of a prerequisite course requires a grade of C or better, CR (credit) or P (pass). A grade of "C-" is not acceptable for completion of a prerequisite/corequisite course.

When a course has a corequisite, it means that the student is required to take a course at the same time as another course. Knowing the information presented in the corequisite is considered necessary for the student to be successful in the course.

Chaffey’s registration process allows for automated prerequisite/corequisite checking. Students attempting to enroll in the computer-checked courses will be blocked from registration if they do not meet the specified prerequisites. Students are responsible for meeting prerequisites as stated in the schedule of classes and college catalog. See a counselor for assistance in determining eligibility for a specific class.

Any student who has completed prerequisite and/or corequisite courses at another college or in high school must submit official transcripts to the Admissions and Records Office. A Request for Prerequisite/Corequisite Validation form must be completed and submitted to the Counseling Department. The student will be unable to register for specific courses if prerequisites are not met. The student will receive notification by email or mail within a week upon processing.

Any student planning to clear a math prerequisite for a math course by using their high school transcript must complete a challenge form. See prerequisite/corequisite challenge instructions for more details.

Prerequisite/Corequisite Challenge:
Prerequisites for courses will be enforced according to college policy. Students have the right to challenge prerequisites on the following grounds:
1. A prerequisite for a course necessary for graduation, transfer, or a certificate is not offered and the unavailability of that prerequisite poses a hardship.
2. The prerequisite has not been validated.
3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. The prerequisite is discriminatory or being applied in a discriminatory manner.
The student must provide appropriate documentation when filing a challenge. Documentation may include, but is not limited to, high school or college transcripts, additional test results, work experience, or writing sample. Prior enrollment in the course does not exempt a student from the current prerequisite of that course. Students challenging a prerequisite must submit a Prerequisite/Corequisite Challenge form. The form must be filed in the Counseling Department up to one week prior to the beginning of each term.

Prerequisite/Corequisite Challenge Process:
1. Meet with a counselor in the Counseling Department to assess whether you will benefit from the challenge process. The Counseling Department designee will enter the prerequisite/corequisite course within 48 hours. This will allow you to register in the course.
2. Complete the Prerequisite/Corequisite Challenge form linked below and attach documentation to establish your right to challenge this prerequisite/corequisite request. Examples of documentation include official high school and/or college transcripts, international transcripts, certificates, test scores, etc. All official transcripts must be on file with Admissions and Records.
   a) Identify the course in which you wish to register and the prerequisite/corequisite you wish to challenge.
   b) If you are attempting to use high school coursework to meet a course prerequisite, submit your high school transcript to Admissions and Records in order to verify the coursework completed.
3. Register during the registration period. (Refer to class schedule for the last day to add.)
4. The Counseling Department staff will submit the Prerequisite/Corequisite Challenge form with documentation to the referral area (school/department indicated on the form).
5. The department coordinator will resolve the challenge within five (5) business days.
6. For approved challenge decisions, you will be notified by email and you will be allowed to remain in the class.
7. For denied challenge decisions, you will be notified by both phone and mail, the Counseling Department designee will remove the prerequisite/corequisite course entered on your record, the Admissions Office will drop you from the class, and the Cashier's Office will process your refund.
8. If you wish to appeal the denied decision, you may do so by contacting the Dean in the school/department for the prerequisite you have challenged.

The Prerequisite/Corequisite Challenge form is available online. Additional information is available through the Counseling Department webpage. Questions should be directed to the Counseling Department at counseling@chaffey.edu or by joining the Counseling virtual line in QLess.

Corequisites
When a course has a corequisite, it means that a student is required to take a course at the same time as another course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course. Students wishing to challenge a corequisite should follow the same procedure for challenging a prerequisite.

Limitation on Enrollment
A limitation on enrollment is a non-course requirement for entry into a course or educational program, without which a student will not be permitted to remain in the selected course or program. These requirements are frequently (but not always) driven by health and safety regulations and/or mandates by outside accrediting/licensing agencies.

Advisory
An advisory is a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Since an advisory is not required, students will not be blocked from enrolling in a class if they do not meet the conditions of the advisory.

STUDENT RIGHTS, RESPONSIBILITIES AND EXEMPTIONS
Student support services at Chaffey College are intended to assist students in establishing appropriate educational goals and to provide support services to help them achieve these goals. Students are provided placement in English and math courses, orientation, counseling, an education plan, and follow-up services. New students should complete the placement process and orientation prior to registering for classes.

Students Rights and Responsibilities
Students are entitled to certain rights under matriculation procedures. These rights include: being informed of any district investigations of complaints challenging matriculation regulations; being provided alternative services according to language or disability needs; and filing a complaint of unlawful discrimination if they feel the placement process, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner.

Matriculation requirements also include certain student responsibilities. Upon admission to the college, students must express a broad educational goal and provide transcripts from previous college work. They must complete the placement process and orientation prior to registering for classes and must develop a comprehensive Student Education Plan (SEP) with a counselor within their first six months at Chaffey. Students are responsible for attending class, completing their assignments and coursework, and maintaining progress toward their educational goal.

Exemptions and Refusal
Students may be exempt from matriculation services if they:
- Have earned an associate degree or higher (diploma or transcripts required), or
- Have completed certain coursework at another college (transcripts required), or
- Will enroll in one course only, with no intention of earning a degree at Chaffey, or
- Will enroll in performance/activity courses only.

Students have the right to refuse matriculation services and choose not to participate in the placement process, orientation, and/or counseling. A student wishing to be exempt from these services based on one of the above criteria or wishing to decline participation must contact the Counseling Department to complete the necessary documentation. Students concurrently enrolled in high school and participating in High School Dual Enrollment are not eligible for exemptions and cannot refuse matriculation services. Students refusing services and concurrently enrolled high school students are not eligible for priority registration.

PHOTO ID CARDS
All enrolled students are eligible for a Chaffey College photo ID card. Photo ID cards are required for use of labs, library, and other services. Students must be currently enrolled and have paid all outstanding fees in order to receive a Photo ID or reprint. Photo IDs are issued while you wait in the Admissions and Records Offices at the Rancho, Chino, or Fontana campuses.
Photo IDs may now be requested online through the Student ID form on the portal. Students may upload a personal photo to the order form and request the ID card be picked up or sent by U.S. mail.

**Photo ID Re-Print Policy**

Re-prints are available at no cost on Thursdays only during regular business hours. There is an $8 rush fee for reprints processed on any day other than Thursday.

- **In person**
  - Complete a Photo ID request form.
  - Show proof of government-issued photo ID.
  - Pay all fees due to the college.

- **Online**
  - Pay all fees due to the college.
  - Complete the Photo ID request form on the MyChaffey portal.
  - Select Pick Up Mail option, then Submit.
  - The photo on file will be used to create the duplicate card. If an alternate photo is submitted it will be used only if Admissions and Records determines there has been a significant change in the student’s appearance.

Note: All picture submitted for Photo ID purposes must adhere to the guidelines outlined above. Admissions and Records reserves the right to reject any photo that is inappropriate or does not meet the above standards.

**PROXY TRANSACTIONS AND IDENTIFICATION REQUIREMENTS**

A student who is unable to initiate a transaction may designate an appointed person to complete the transaction by submitting a Proxy Transaction Form. Proxy forms are available in the Admissions and Records Office.

The Proxy Transaction form must include all of the following: student’s full name, Chaffey ID number, and date of birth; name of the appointed person; a description of the transaction needed; signature of the student; and a copy of the student’s picture identification with a signature. (Ed Code 76243)

The appointed person will be required to provide photographic identification before the transaction can be completed. With the exception of “rush” transcripts and enrollment verifications, Admissions and Records will mail a copy of the requested transaction directly to the student; a copy will not be released to the appointed person.

**RELEASE OF INFORMATION**

Students who wish to make their information available to parents or other designated individuals may file a Release of Information Form with the Admissions & Records Office. The authorization is valid until revoked in writing and covers only the educational records specified by the student. This form is for educational records protected under FERPA and is not valid for medical or other records protected under HIPAA or other privacy laws.

**REGISTRATION DATE ASSIGNMENT**

Registration priority will be assigned in the following order:

1. Students who have completed orientation, the placement process, and an education plan, and are enrolled in and receiving services from an eligible priority group as defined by Education Code 66025 and title 5, section 58108.
2. Students who have completed orientation, the placement process, and an education plan. Continuing and returning students must also be in good academic standing.
3. Students who fail to meet one or more eligibility requirements.
4. Students who have completed more than 100 units.
5. High school students.

**COURSE REPETITION**

Repetition of courses is allowed in certain circumstances (title 5, 55040-55046, 58161, 58161.7 and Chaffey College Board Policy).

**Course Repetition in a Non-Repeatable Course**

1. Students who received a satisfactory grade (“A”, “B”, “C”, “CR”, or “P”) may not normally repeat the course. Exceptions exist for significant lapse of time, extenuating circumstances, and legally-mandated training requirements as a condition of continued paid or volunteer employment (see exceptions below for details). Such exceptions require a petition, available from the Admissions and Records Office.
2. Students who have received an incomplete grade (“I”) may not repeat the course. Required coursework must be completed within one year, or the “I” grade will default to an alternate grade indicated by the instructor (usually substandard).
3. Students who have received an In-Progress grade (“IP”) must repeat the course by enrolling in it in the subsequent term (excluding summer). Coursework must be completed in that semester or the “IP” grade will default to an alternate grade indicated by the instructor (usually substandard). “IP” grades are issued for open-entry classes that extend past the end of the term or team-sports that have seasons that overlap semesters. The IP grade issued in the first semester will remain on the student’s transcript and the course grade will be recorded in the subsequent term.
4. Students who have received an unsatisfactory grade (“D”, “F”, “FW”, “NC”, or “NP”) or have withdrawn from the course (“W”) may repeat the course once. If unsuccessful in the second attempt, the student must file a petition to be considered for a third attempt at the course. Petitions are available in the Admissions and Records Office. The academic dean over the subject area being petitioned evaluates and approves/denies each petition on a case-by-case basis. The Admissions and Records Office reserves the right to deny a petition that does not meet the standards set by title 5 of the California Code of regulations.
5. Students who have withdrawn for verified military service - military withdrawal (“MW”), or petitioned for an excuses withdrawal (“EW”), may repeat courses from which they have withdrawn. The MW and EW grades do not affect GPA, nor do they count toward the permitted number of repetitions. The college’s course repetition policy concerning military withdrawal may be different from that of the Veterans Administration. Students receiving Veterans’ educational benefits should check with the Veterans Certifying Official in the Veteran’s Resource Center before repeating any course.

**Course Repetition in a Repeatable Course**

Only courses involving Intercollegiate Academic or Athletic competition are repeatable (title 5, section 55041). These courses are identified as repeatable in their description and may be taken a maximum of four times (repeated three times).

1. All attempts at a repeatable course count in the limitation on repeats, including any that result in an unsatisfactory grade (“D”, “F”, “FW”, “NC” and “NP”) or a withdrawal annotation (“W”) on the student’s permanent record.
2. When a repeatable course is taken and a substandard grade (“D”, “F”, “FW”, “NC”, and “NP”) is earned, a student may elect to have the satisfactory grade earned in the first subsequent repeat of the course alleviate the substandard grade. Forms for this election are available in the Admissions and Records Office.
Exceptions to Repetition Restrictions:

**Significant Lapse of Time:** A student may petition to repeat a course that is not designated as repeatable and in which he or she has received a satisfactory grade (“A”, “B”, “C”, “CR”, or “P”) when:

1. there has been a significant lapse of time of no less than 36 months since that grade was obtained, and
2. the district has properly established a recency prerequisite for a course or program, or another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without the course in question (title 5, section 55043).

**Extenuating circumstance:** A student may petition to repeat a course in which the previous grade is, at least in part, the result of extenuating circumstances (verified cases of accidents, illness, or other circumstances beyond the control of the student) (title 5, section 55043).

**Legally-Mandated Training Requirement:** A student may petition to repeat a course in which a satisfactory grade was previously earned and such repetition is necessary due to a change in industry licensure standards such that repetition of the course is necessary for employment or licensure.

**RESIDENCY DETERMINATION**

Residency status for tuition purposes is determined at the time of application. Students determined to be non-resident at the time of application are notified by email with instructions to complete a Residency Questionnaire (title 5, sections 54012, 54045.5) and contact the Admissions and Records Office.

**Resident:** A person not precluded from establishing residence in California who has resided in California for at least one year and one day prior to the first day of instruction for the term. Any person who has lived in California for less than two (2) years must clearly demonstrate the following:

- Intent to make California his/her permanent residence (title 5, section 54024)
- Physical presence in California for at least one year and one day immediately prior to the first day of instruction for the term. (title 5, section 54022)

Physical presence within the state solely for educational purposes does not constitute establishing California residence regardless of the length of that presence.

**Non-Resident:** (a) a citizen or permanent resident of the United States but a resident of California for less than one year on the day before the first day of instruction for the term; (b) a person who is neither a citizen nor permanent resident of the United States.

Persons who are not citizens or permanent residents of the United States who wish to enroll at Chaffey College should contact the Admissions and Records Office for further information.

**Reclassification of Residency:** Students who have been classified as non-residents are not automatically reclassified as residents. A student seeking reclassification as a resident must meet the requirements for intent, physical presence, and financial independence in accordance with Education Code section 68044. Residency regulations clearly state that the burden of proof of residence rests upon the applicant or student. To verify your residency status, please contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu.

A student who meets the qualifications for the Non-Resident Tuition Exemption Request is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the “Residency Determination” section above. Therefore, students may not be eligible for any federal or state supported financial aid. There are two types of non-resident students: a non-resident U.S. citizen and a non-resident alien (or non-citizen). Non-resident U.S. citizens may not be eligible for state supported financial aid. Fee Waivers
There are several ways for students to reduce their college fees. Visit the college’s Types of Financial Aid webpage for more information.

California College Promise Grant (CCPG) (Formerly BOGFW)
The majority of Chaffey College students are eligible for the CCPG Grant, which is available to California residents and AB 540 students who meet specific income eligibility requirements. The CCPG waives mandatory enrollment cost per unit. There are no minimum or maximum unit requirements. If you qualify for the Promise Grant your per-unit enrollment fees are waived and you will be responsible for a portion of the Student Health fees, all other fees, and any materials fees which apply. The CCPG is valid for the entire academic year beginning with the summer term and ending with the following spring semester. The best way to determine your eligibility for the Promise Grant is to complete the FAFSA or California Dream Application (only for AB 540 students).

New California College Promise Grant (Formerly BOGFW) Policy
Under the new State regulations, once you have qualified for the CCPG, it is important to ensure that you meet the academic and progress standards to avoid losing the fee waiver. Students must:
- Maintain a cumulative GPA of 2.0
- Successfully complete at least 50% of all units attempted

Students will lose eligibility for the CCPG if they are on academic probation for two consecutive primary terms (fall and spring semesters are primary terms). Loss of eligibility will become effective at the first registration opportunity after such determination is made. Students with extenuating circumstances will have the opportunity to appeal the loss of the CCPG.

Federal Pell Grants
Federal Pell Grants are need-based and awarded to every undergraduate student who qualifies. In most cases, these grants DO NOT need to be paid back. These grants may be used for tuition, fees, books, transportation, and living expenses. Initial awards are estimated based on the results of the FAFSA. Estimates will change if any criteria used to determine your eligibility, such as major, degree status, satisfactory academic progress, income or family information changes. Actual payment will not be determined until your file is completed and enrollment status is verified. The amount of the Pell Grant disbursed is based on your Expected Family Contribution and enrollment status. You may even receive a Pell Grant if you attend school less than half-time provided you are otherwise eligible.

Students are only eligible to receive a Pell Grant for 6 years (12 fulltime semesters). This includes all semesters the Pell Grant has been received during a student’s educational lifetime. Students can view their current Pell Grant usage online at the U.S. Department of Education’s Federal Student Aid website using the FSA ID to access grant history.

Students may work up to 20 hours per week and earn a monthly paycheck. Federal Work Study awards are determined by financial need and are available to students enrolled in six (6) units or more per semester. FWS job listings are posted in the Student Employment Office for eligible FWS students and are filled on a first-come, first-serve basis.

Chaffey College
Spring 2022 Schedule of Classes | 38
### Course Numbering

**1-99:** Lower-division transfer and baccalaureate degree level courses. These courses are comparable to those offered in the first two years of a four-year college or university. Courses transferable to the California State University are marked **Transfer: CSU.**

Courses also transferable to the University of California are marked **Transfer: CSU; UC.** Some transferable courses have credit limitations at either CSU or UC (or both); students should consult a counselor for details on these limitations.

**400-499:** Associate degree level courses may be applied to the Associate in Arts and Associate in Science degrees, as well as to certificates.

**500-599:** Non-degree applicable foundational and college preparatory courses are not part of the associate degrees nor certificates, although they may be prerequisites to required courses. College credit is assigned and courses may be included in the student educational plan. These courses may be letter grade or pass/no-pass. If graded, the grades are not included in students’ degree applicable grade point average computation.

**600-699:** Non-credit courses provide foundational, developmental, occupational, and general education opportunities. They do not earn unit credit, are not considered part of collegiate-level study, and are either not graded or have a pass/no-pass grading schema.

### Limitations on Enrollment

Some courses have limitations on enrollment. These limitations may require corequisites (concurrent enrollment in other courses), prerequisites (successful completion of other courses or specified placement for English, math, and/or English as a second language), performance criteria, health and safety conditions, or prior acceptance into specified programs. Students not meeting the conditions imposed by these requirements may be unable to register for or may be dropped from any class for which requirements have not been met. See the “Limitations on Enrollment” section elsewhere in this Schedule of Classes for more information. Advisories are recommendations for courses or competencies that students are encouraged – but not required – to meet before or in conjunction with the course to which they are attached.

### Course Identification Number (C-ID)

The C-ID Numbering System is a statewide common number identifying specific courses that participating California colleges and universities have determined are comparable in scope and content to courses offered by other California community colleges, regardless of each college’s unique numbering system. Because courses may be modified and qualified for or deleted from the C-ID database throughout the year, students should consult www.assist.org and an academic counselor to confirm how C-ID qualified courses apply to the four-year college or university to which they plan to transfer.

### Instruction Methods: A key to understanding how classes are taught

**On campus:** The course always meets on one of our three campuses with required meeting times, as displayed in the course schedule; Canvas (the college’s online course management system) may be used as a resource for grades, handouts, submitting assignments, etc.

**Online:** The course takes place completely online in Canvas and all work is completed and submitted online. Some online courses have required live meeting times, as displayed in the course schedule. Online courses without required live meeting times will have weekly work and deadlines.

**Hybrid:** The course takes place partially online and meets partially on campus; attendance and participation in both are required. The on-campus portion will have required meeting times, as displayed in the course schedule.
