

Dear Chaffey College Students:

While there are no confirmed cases of COVID-19 at Chaffey College, due to recent and escalating developments in our surrounding communities, **Chaffey College will be extending spring break from March 16-27**. All classes will be **CANCELED** during that time.

On **March 30, 2020**, nearly all Chaffey College classes will be taught in an online format. Any class switched to online format will no longer be held on campus. Please look for an email from your instructors by **March 27** with specific information on your classes and next steps.

In addition, Student Support Services is transitioning many services online, including Admissions, Financial Aid and Counseling. More information will be sent to you via email on how to access these resources.

The campus will remain open and any need for services can be accessed by phone or email as well. Please visit this [link](#) for directory information.

We will continue teaching courses online for as long as needed. The situation with COVID-19 is dynamic, and the College has a responsibility to act in accordance with state and federal guidelines that support the health of students, faculty, and staff. As the situation evolves, more information will be distributed about changes.

Additional information regarding Chaffey College's COVID-19 response efforts may be found at [www.chaffey.edu/coronavirus](http://www.chaffey.edu/coronavirus) as well as social media accounts.
