

Intersegmental General Education Transfer Curriculum (IGETC) 2018-2019

Student's Name _____ ID # _____ Counselor/Success Guide _____ Date _____

Complete or partial IGETC certification of coursework is certified by the last California Community College (CCC) attended for a fall or spring semester prior to transfer. Coursework completed at another CCC should be applied in the same area in which it was listed at the CCC where it was taken. Partial Certification is defined as completing all but "2" courses on the IGETC pattern. All courses must be completed with a grade of "C" or better and a minimum of 3 semester/4 quarter units. A grade of "CR" (credit) or "P" (pass) may be used if the grading policy at the institution where it was completed states that "CR" or "P" is equivalent to a grade of "C" or better. The UC will allow no more than 14 semester units with a grade of "CR" or "P" towards the IGETC. CSUs each have their own policy. Courses may be used in only one area with an exception of Area 6, LOTE and the CSU US History and Constitution Requirement. Some IB and AP courses fulfill requirements of the IGETC. Please see a counselor for information on what AP and IB scores will fulfill requirements and how many transferable units will be granted. Only AP scores of 3, 4, and 5 and IB scores of 5, 6, and 7 count for credit. Credit for AP & IB awarded for admission is determined by the CSU and UC. The UC credit policy for AP can be found on the UC website: www.universityofcalifornia.edu.
