

Chino Main Instructional Building (CMIB)

5897 College Park Avenue, Chino, CA 91710

PROJECT DETAILS

Designed: In Progress
Est. Start Date: December 2026
Est. Completion: June 2027
Estimated Costs: \$3.1M
Architect: 19-6 Architects
Prime Contractor: TBD

SCOPE

- Tenant Improvement "TI" and ADA Improvement project of the existing Chino MIB, Student Success Center. Work entails the removal and/or reconfiguration of some of the student learning areas, staff offices, meeting spaces, the redistribution of HVAC ducts and electrical technology. This project also includes an outdoor learning space and landscape improvements to mirror the outdoor spaces of the Chino Instructional building.

PROJECT UPDATES

- Design firm hired, project in DSA plan review
- Prequal completed for general contracting firms
- Bid-Award process to follow upon DSA approval for the project
