Achievements & Community Contribution by Classified Professionals

Caring Campus Update – Classified Senate

Classified Senate is pleased to announce the re-convening of the Caring Campus workgroup for the fall semester. Caring Campus is an initiative founded by the Institute for Evidence-Based Change (IBEC) that is designed to engage and amplify the unique perspective of Classified Professional voices in direct relation to Student Success. The group looks forward to finding new ways to engage classified in student's success in our rapidly changing workspace.

See's Candies Fundraiser – Classified Senate

Classified Senate will be hosting a holiday See's Candies Fundraiser. This will start November 1 and run through December 3. All orders can be placed online and will be shipped directly to your home. More information will be coming soon.

Sheryl Herchenroeder – Marketing

Sheryl Herchenroeder (Sports Information) recently served as a panelist in the event, *Allyship Begins at Home: What It Means to Be a Parent to an LGBTQIA+ Kid*. This virtual event was presented by the LGBTQIA+ Advocates Committee and the Lavender Coalition.

Stephanie Smith – KNA

Stephanie Smith and her family participated in the Out of the Darkness Community Walk, a suicide prevention fundraiser, in West Jordan, Utah. The event, sponsored by the American Foundation for Suicide Prevention, raised nearly \$250,000.

Alex Rodriguez - EOPS

Since joining the EOPS/CARE Department in June I have learned a lot in a hurry. In the last month I helped plan and execute six drive thru supply pick up events for our students in EOPS/CARE/CalWORKs/NextUp. I was able to coordinate with our maintenance and operations team to store the leftover supplies on campus, and worked overtime with fellow team members to build out supply kits for our students to utilize.
