ACADEMIC HIGHLIGHTS

Under the leadership of Megan Keebler, Instructional Specialist, eleven of Chaffey College's Supplemental Instruction (SI) leaders submitted proposals for six conference presentations at the upcoming *3rd Annual Inland Empire Supplemental Instruction Regional Conference* (sponsored by 3CSN and the Learning Assistance Project) at Riverside City College on November 16th and 17th. All six presentations were accepted.

The Inland Empire Supplemental Instruction Conference began as a grass-roots effort by Inland Empire colleges and universities that support their students with the Supplemental Instruction program. This conference aims to share knowledge and information between Supplemental Instruction, embedded tutors, tutors, supporting staff, faculty, and administration to promote the collective success of the Supplemental Instruction (SI) program and the wonderful stories from the students who benefit from SI assistance.

The conference will feature SI Best Practices, SI Research Assessment, Innovation in SI, Collaborative Learning, Professional Learning, Student Success Strategies, Panel Discussion, Poster Presentation, Concurrent Sessions, and Presenter Awards.
