## Representing Chaffey College Faculty in All Academic and Professional Matters

### Professionalism, Productivity, and Support Efforts

Faculty Senate would like to take this time to acknowledge and commend the faculty and various faculty groups for their tremendous efforts to serve their students by transitioning to remote instruction during the bring break period. This has been a challenge to say the least, yet they are working very hard to provide the best instruction they can during these circumstances.

- All of the faculty that met the challenge and are continuing to meet the challenge of remote instruction.
- The DE team including Angela Cardinale, DE coordinator, Jon Ausubel and Selene Pineda, DE-Cofacilitators for their ongoing commitment to help faculty transition, and their quick responsiveness to the needs of faculty.
- FSC personnel Robin Witt, Dionne Henderson, and Ava Nguyen for their numerous efforts to support the transition to remote learning and faculty support. The FSC team recently launched an online platform to showcase the work done by faculty as they transition to remote instruction during the COVID-19 crisis.
- The DE discipline leads that have stepped up to help their colleagues and provide more support. Their names are:
