What is a Faculty Advisor?
Faculty Advisors are professors who are trained to guide students majoring in their areas of expertise or related fields. They can assist with exploring careers, planning for higher education, possible internships, and referrals. Faculty Advising provides a mentorship between students and professors.

Are there any requirements to schedule an advising session?
There are no requirements before scheduling a session. All students are welcome to explore major and career options with an advisor. There is no minimum or maximum number of sessions. Attend as many as you like!

What should I bring?
It’s recommended you come prepared with questions and topics you’d like to discuss. Your advisor will have you fill out an intake form that will document your session and any referrals your advisor makes.

How can I make an appointment with a Faculty Advisor?
You can contact a Faculty Advisor directly by phone or e-mail. For advisor contact information, call (909) 652-6971 or visit www.chaffey.edu/facultyadvising

If an advisor in your major/career is not available...
We will do our best to match you with one of our advisors. To explore the various paths to your goal, you are welcome to meet with multiple advisors to discuss different aspects of your area of interest. If we cannot meet your needs, we can refer you to other great resources like the Chaffey College Career Center, reachable at (909) 652-6511 or careercenter@chaffey.edu.
