H. BOARD COMMENTS, REQUESTS, AND FUTURE AGENDA ITEMS

V. ADJOURNMENT

The next regular meeting of the Governing Board will be Thursday, March 19, 2020.

Complete agenda may be viewed at www.chaffey.edu/governing_board
SUPPORTS BOARD POLICY

This item addresses Board Policy 2200 (Governing Board Duties and Responsibilities): The Governing Board shall strive to govern with excellence with an emphasis on outward vision, strategic leadership, and a future orientation and fulfill the responsibility to be stewards of the public's interests by recognizing and considering multiple perspectives from diverse communities in affirming a common vision for the District.

ACTIVITIES THAT ADDRESS THE BOARD POLICY

Chaffey College Governing Board members report on community linkages at each regular governing board session. Community linkage reports reflect community (governmental, service, and educational) and institutional activities and events that governing board members participate in each month.

MEANS OF ASSESSMENT

The Office of Institutional Research examined community linkage activities and events reported by governing board members in the 2019 calendar year (January 2019 through December 2019). Activities and events were quantified by type, nature, and location of each reported community linkage.

SUMMARY OF EVIDENCE

In the 2019 calendar year, Chaffey College governing board members reported participating in 378 events: 131 Chaffey College events (34.7%) and 247 community events (65.3%). Chaffey College events included: college-sponsored events (39.7%); club and group events (13.7%); student support (13.0%); athletic events (9.2%); foundation events (7.6%); and other general events (16.8%). Community events included: service events (49.4%); governmental events (31.6%); and educational events (19.0%). Approximately 74.3% of community events occurred within Chaffey Community College District boundaries. However, governing board members also represented Chaffey College at regional (18.0%), statewide (6.4%) and national (1.3%) functions.

USE OF RESULTS FOR PLANNING

Empirical evidence exists that Chaffey College Governing Board members maintain collaborative partnerships, are constantly learning about and identifying the needs of the communities within the district, and advocate for the college not only in these communities but also at regional, state, and national levels. Evidence exists that governing board partnerships address Board Policy 2200 and Accreditation Standard IV.C (Leadership and Governance, Governing Board).
SUPPORTS BOARD POLICY

Board Policy 7120 Recruitment and Selection – The district will recruit and retain diverse faculty and staff who are: professionals in their respective fields, devoted to life-long learning, committed to work effectively with the diverse student/staff population, and qualified by appropriate education, training, and experience to support programs and services.

EXECUTIVE SUMMARY

Introduction

The Recruitment Analysis Monitoring Report provides data regarding the district’s recruitment and selection processes. The Report provides a recruitment analysis that details the applicant flow, recruitment source comparisons, and highlights of recruitment activities for the 2018–19 fiscal year.

Description of What Was Done

The Recruitment Analysis Monitoring Report provides a review of the activities conducted at each stage of the recruitment process. In addition to providing information on a district-wide basis, detailed information is also provided by employment groups which include management, faculty, classified staff, and part-time faculty. This report reflects the number of applicants in the applicant pool after preliminary verification of required documents and applicable testing. Further information is included by ethnicity, gender, disability status, and age.

The methods of recruitment are diverse. Recruitment sources include advertisements in print and Internet and on the California Community Registry. In addition, targeted recruitment in the form of associations, bulletins, and networking are used as appropriate.

Outcomes/Results

The overall composition of the selected candidates is included in the report.

No comments were made.

The Board convened in closed session at 2:01 p.m. Closed session was adjourned at 3:03 p.m.

STUDY SESSION

Laura Hope, associate superintendent of instruction and institutional effectiveness, introduced Dean Robert Frost who presented the Career Technical Education (CTE) Report. Dean Frost explained that CTE is increasingly tied to Guided Pathways. Dr. Frost thanked Jim Fillpot, dean of policy and grants, for preparing the data for the report. He also thanked Vanessa Thomas for her work with Strong Workforce. The presentation included: key contributors to CTE success, CTE programs in all schools and locations, CTE overview year-to-year, data overview, success and retention rates, Career Transitions Program, course agreements, articulation agreements, CTE program outcomes, core indicator performance, and top CTE programs.

Lisa Bailey, associate superintendent of business services and economic development, introduced Sandra Sisco, director, economic development, who presented the Economic Development and Contract Education Report. The presentation included: funding of the InTech Center through grant and contract awards, non-credit programs including HVACR and industrial electrical and mechanical pre-apprenticeship, contract education with 13 new employers, completer data, events and special recognition, and media and press. Ms. Sisco discussed the benefits of non-credit courses which include the College’s ability to
offer classes at no charge, less intimidating for students, and the ability to disregard the immigration status of students. She further explained that non-credit classes could be a bridge to credit courses to receive a degree or certificate.

REGULAR SESSION

The regular session reconvened at 3:32, and Dr. Eric Bishop led the Pledge of Allegiance to the Flag.

PUBLIC COMMENTS

Chaffey College Student Government (CCSG) Vice President Xochitl Escamilla addressed the Board regarding student government. Ms. Escamilla discussed successes within the organization and events sponsored by CCSG. These events included professional clothing drive, food for students during finals, refurbishing of formal wear to donate to students, and the purchase of scientific calculators for student checkout and tutoring. Ms. Escamilla mentioned that she and her son would be graduating from Chaffey College this May. She also spoke about the culinary program and the CCSG book grant.

Lisa Bailey introduced Patrick Cabildo, internal auditor, and he introduced Ryan Milligan, senior auditor with Eide Bailly CPAs and Business Advisors. Mr. Milligan presented the fiscal audit for 2018-2019. He reported that the College received an unmodified opinion and no significant weaknesses or deficiencies were found. An unmodified opinion, or clean opinion, is free from any material errors. Dr. Shannon thanked everyone who worked on the audit.

COMMUNITY LINKAGES

GOVERNING BOARD

Student Trustee Nikeenia Williams provided a written report which included information about the CCSG book grant, club rush, and the dress for success event. Ms. Williams made a statement about the pictures of former student government presidents (over 35 years of student history) being taken down from the Office of Student Life. Ms. Williams concluded by stating that she looked forward to the new year by the opening of a game room for students, the installation of a television under the shade structure, and benches for the plaza.

Trustee McDougal reported that he attended two basketball games, a Fontana City Council meeting, and distribution of ice cream to students on the Rancho Cucamonga campus.

Mr. McDougal also commented on the Governing Board member candidates’ forum. He stated that he thought it was well done and the questions were very thoughtful. He believes that the theme was communication, and he
discussed the opportunities available for students, faculty and staff to address the Board, such as at Board meetings, and during Dialogue with the Board, in which every constituent group is represented. Trustee McDougal mentioned that he was asked if California School Employees Association (CSEA) members received a cost of living adjustment (COLA) when the District received one from the state. He was told at the forum that this was not the case, and he contacted Dr. Shannon to verify this claim. In response, Dr. Shannon read from page 17 of the CSEA agreement, which states that CSEA would receive either 3% or COLA, whichever is higher. Dr. Shannon confirmed that CSEA members received 3.26%, effective July 1, 2019.

Mr. McDougal also asked about the Center for Culture and Social Justice. Dr. Shannon asked Alisha Rosas, executive director, equity, outreach, and communications, to address the concerns. Ms. Rosas stated that the center is generally used for social events and for the Panther Pantry. The District is currently looking into providing a private space, or meeting room, that can be checked out by students.

Mr. McDougal asked about arts programs being cut due to budget restraints. Laura Hope, associate superintendent, instruction and institutional effectiveness, stated that some arts courses were cancelled due to low enrollment, and not because the District made the conscious decision to make a reduction in art courses. She also mentioned that some courses need to be recalibrated to make students competitive in the job market; scheduling and renovations are also a factor. Strategies being worked on include: online classes, four-year scheduling, outreach, and building survey tools to determine what courses and what times fit students’ needs.

Ms. Williams mentioned that in her experience, broadcasting courses are all filled beyond capacity.

Mr. McDougal also asked for an update on the system issues during the first week of classes, and Dr. Shannon asked Melanie Siddiqi, associate superintendent, administrative services, to address this issue. Ms. Siddiqi explained that Information Technology Services (ITS) had problems with the MyChaffeyView system. Students, staff, and faculty were unable to log into the portal to view classes, rosters, and student email. She explained the main issue was related to the LDAP directory, which is the database that is used to authenticate into the various systems, such as: the portal, MyChaffeyVIEW, student email, Canvas, student wireless, Colleague, and more. ITS management debriefed on the subject and developed a plan that incorporates various strategies to help prevent downtime in the future.

President McLeod stated that the Board has entrusted Dr. Henry Shannon, superintendent/president, to work through the technology problems.
Trustee Ovitt reported that he attended the spring welcome back event, and he enjoyed seeing the student discussion on their sense of belonging. Mr. Ovitt also reported attending the following events: Promise Scholars Reindeer Run; Purpose Church Christmas Program, Old Jerusalem; Ontario Chaffey Community Show Band concert; two Children’s Fund Executive Committee meetings; Community Christian Fellowship caroling; City of Ontario Parks and Recreation Commission, Julie Dorey retirement; memorial service for Wayne Nelson, owner of Hoyt Lumber and Chaffey College Class of 1947; Esperanza Scholarship Foundation Board meeting; Chaffey High School Alumni Board meeting; Chaffey High School Class of ’65 Reunion Planning meeting; Chaffey High School basketball game; YMCA Governance Committee meeting; Esperanza Scholarship Foundation, memorial service for Board member; Chaffey College policies meeting; Colony High School basketball game; Ontario Chaffey Community Show Band production meeting; Miles for Montclair Walk; and an Ontario Chaffey Community Show Band concert.

Trustee Brugger reported that she attended the Spring 2020 Welcome Back event and really enjoyed the keynote speaker, Dr. Daisy Gonzalez, deputy chancellor for the California Community College Chancellor’s Office. She also found the student panel, which was moderated by Dr. Gonzales, to be very informative and insightful. Ms. Brugger mentioned that she contributes monthly to the Panther Care program and to the Wignall Museum, and she encouraged her fellow Board members to do the same.

Trustee Roberts reported that she had been in the hospital, but that she is back now, and encouraged everyone to attend the exhibition at the Wignall Museum.

Board President McLeod reported that she attended the LVN pinning ceremony. She also encouraged everyone to attend the Dialogue with the Board if they have issues they would like to bring to the Board’s attention.

LEGISLATIVE UPDATE

Dr. Eric Bishop, associate superintendent of student services and legislative engagement, provided a PowerPoint presentation which included: 2020-2021 state budget; anticipated key 2020 legislative issues; Proposition 13 facilities bond; no changes in the student-centered funding formula funding; Proposition 98 increase: $31.9 million; cost of living adjustment (COLA): $167.2 million; $10 million for Zero Coast Textbook Pathways; Statewide Fellowship Pilot Program; financial aid; faculty obligation number; 50% law; affordable housing and homelessness; Futures Act; strengthening community college training grants; and a Pell Grant increase.
PRESENTATIONS

Melanie Siddiqi, associate superintendent of administrative services, presented the Board with the 2019 Board of Governors Energy and Sustainability Award for overall project for the solar carport installation project.

Lisa Nashua, executive director of the Foundation, introduced the following representatives from JPMorgan Chase: Sarah Bowles, vice president of global philanthropy; Schaffer Sunderland, middle market banker covering the Inland Empire; and Jarrod Ingle, Inland Empire market executive. Ms. Bowles presented a check in the amount of $100,000 to the Governing Board. This donation is intended to support the InTech Center.

**PROPOSAL**

To receive the draft of the Educational Master Plan for first reading and discussion.

**BACKGROUND**

Since the fall of 2018, College Planning Council has been working on an updated Educational Master Plan. This participatory governance group, with representation from all College stakeholders, monitors and assesses all College-wide planning efforts. This group, co-chaired by Garrett Kenehan (faculty), David Karp (faculty), Timothy McClaury (classified professional), and Laura Hope (administration), provided direction and input throughout the development of the Chaffey Goals and the planning process. Specifically, the group was charged with the following tasks:

- Foster openness and inclusion in the educational planning process through dialogue and communication with the College’s stakeholders
- Participate in the discussion of key finding and recommendations
- Ensure that the master planning process was coordinated with other campus planning processes and was consistent with the established direction and focus of the College
- Guide and review the College-wide vetting of Vision 2030, including gathering feedback on the challenges and opportunities supporting the Chaffey Goals
- Provide feedback on the drafts of the chapters that comprise Vision 2030

With the draft now complete, the College Planning Council submits it to the Chaffey College Governing Board for formal consideration and approval.
As a result of these efforts and with support of HMC Architects and the College’s consultant, former Chancellor, Dr. Eva Conrad, College Planning Council has completed a draft of the Educational Master Plan.

TOPIC: 2020-2021 NONRESIDENT TUITION AND CAPITAL OUTLAY FEE

SUPPORTS BOARD POLICY

Board Policy 5020 Nonresident Tuition – The Superintendent/President shall bring to the Governing Board for approval an action to establish nonresident tuition for the following fiscal year. The fee shall be calculated in accordance with guidelines contained in applicable state regulations and/or the California Community College Attendance Accounting Manual.

The Superintendent/President shall establish procedures regarding collection, waiver, and refunds of nonresident tuition.

PROPOSAL

To adopt the non-resident tuition fee of $290 per semester unit for the 2020-2021 fiscal year with a capital outlay fee of $16.

BACKGROUND

Education Code Section 76140 requires each community college district to establish a nonresident tuition fee to be effective on July 1 of the succeeding fiscal year (effective fall semester). The District’s rate is determined using the statewide average, or Chaffey’s calculated rate, and/or comparison to contiguous districts. In addition to the non-resident rate, Education Code also allows an additional fee for capital outlay for nonresident students. This fee is determined using a formula provided by the Chancellor’s Office. The current year fees are $265 per unit with a capital outlay fee of $20.

BUDGET IMPLICATIONS

Funding Source – Nonresident students’ tuition payments.

Status of Funds – Income from these fees will be deposited in the unrestricted general fund. The actual non-resident income received in 2018-2019 was $1,820,254. This income is not included in the District’s state apportionment formula.

Future Implications – This is ongoing income for the District, based on the number of nonresident students enrolled.

RECOMMENDATION

It is recommended the Governing Board approve the nonresident tuition fee of $290 per semester unit with a capital outlay fee of $16.

Communication No. IV.E.3.d

SUPPORTS BOARD POLICY

Board Policy 6600 Capital Construction - The District will improve the physical learning environment and access by upgrading and renovating current facilities and adding additional facilities as appropriate, within the limits of District resources.

PROPOSAL

To approve the determination that the Chino Campus Instructional Building project does not meet any of the circumstances from Section 15162 of the California Environmental Quality Act (CEQA) Guidelines and that an Addendum (per Section 15164 of the CEQA Guidelines) to the previously-certified College Park Specific Plan Environmental Impact report (EIR) is the appropriate CEQA compliance document for the project.

BACKGROUND

The Chino Campus Instructional Building project consists of an approximate 35,000 GSF/23,540 ASF building that includes classroom and faculty office spaces, student success center space, restrooms, student gathering spaces, a staff break room and a mother’s room. Outdoor amenities include pedestrian walkways and bicycle racks as well as installation of a signage wall, landscape, bio-retention basins, security lighting, and infrastructure improvements. The bio-retention basins will convey flows to downstream receiving waters.

Parking will be served by the existing surface parking lots immediately northwest of the site. Pedestrian pathways will be constructed along each side of the building, connecting the site to the northwest parking lot and connecting the site to the sidewalk along College Park Avenue and to the east parking lot. The construction and operation of Instructional Building 1 will repurpose existing space in the Main Instructional Building (CHMB). This facility will serve the existing students/staff on campus and the projected growth already contemplated by Chaffey College in its Vision 2025 document.

The purpose of the proposed project is to provide more multi-discipline classroom space, expanded learning resources, faculty office space near classrooms, as well as outdoor courtyards providing for study space and areas for gathering.

The California Department of General Services (CDGS) identified 710 acres of the California Institution for Men (CIM) facility as surplus property to be conveyed, sold, or otherwise transferred from State ownership to three parties: City of Chino, Chaffey College, and a private developer. The City and its Community Development Department, Chaffey College, and the CDGS signed a Memorandum of Understanding to carry forth the planning, entitlement, and ultimately, the development of the surplus property.

A Final Environmental Impact Report (FEIR) Specific Plan for the Development of State Surplus Property and Amendment to the Redevelopment Plan for the Merged Chino Redevelopment Project Area was prepared for the College Park Specific Plan (SP) which was certified by the City of Chino on September 7, 2004.

In instances where a California Environmental Quality Act (CEQA) compliance document was previously prepared for a project, the CEQA Guidelines allow for the updating and re-use of the previously approved/certified CEQA document when a subsequent project has been identified, has changed, or differs from the previous project or conditions analyzed in the original CEQA document. Where changes
or additions to the subsequent project occur with no new significant environmental impacts, an addendum to the previously approved/certified CEQA document may be prepared, if the following conditions/requirements can be met as defined by CEQA Guidelines Section 15164.

Section 15164(a) of the CEQA Guidelines allows for the preparation of an addendum if none of the conditions described in Section 15162 of the CEQA Guidelines are met. Section 15162 of the CEQA Guidelines describe the conditions under which a Subsequent EIR must be prepared. If none of the circumstances listed in Section 15162 of the CEQA Guidelines occur and only minor technical changes or additions are necessary to update the previously approved/certified CEQA document, an addendum may be prepared per Section 15164 of the CEQA Guidelines.

Chaffey College, serving as the CEQA Lead Agency, determined that the proposed project does not meet any of the circumstances from Section 15162 of the CEQA Guidelines and that an addendum to the previously-certified College Park SP EIR is the appropriate CEQA compliance document for the project. Chaffey College’s findings are noted in the addendum.

PROPOSAL

To adopt Resolution No. 22720A, a Resolution of the Governing Board of Chaffey Community College District authorizing the issuance of Chaffey Community College District (San Bernardino County, California) 2020 general obligation refunding bonds.

BACKGROUND

On March 5, 2002, the voters of the Chaffey Community College District (the “District”) approved the issuance of not-to-exceed $230,000,000 of general obligation bonds (“Measure L”). Pursuant to Measure L, the District previously issued (i) $68,035,000 of its 2014 General Obligation Refunding Bonds, Series A, and (ii) $16,640,000 of its 2014 General Obligation Refunding Bonds, Series B (collectively, the “Prior Bonds”). The District now desires to advance refund the outstanding Prior Bonds (so refinanced, the “Refunded Bonds”), thereby generating savings for District taxpayers, through the issuance of general obligation refunding bonds (the “Refunding Bonds”) pursuant to Government Code Section 53550 et seq.

All benefits from the refunding will be delivered to the property owners in the District. The final maturity of the Refunding Bonds will not be later than the final maturity date of the Refunded Bonds.

(a) Bond Resolution. This Resolution authorizes the issuance of the Refunding Bonds, in one or more series of federally taxable bonds. The Resolution authorizes the issuance of the Refunding Bonds, specifies the basic terms, parameters and forms of the Refunding Bonds, and approves the forms of the Purchase Contract, Continuing Disclosure Certificate, Escrow Agreement and Preliminary Official Statement described below. In particular, Section 1 of the Resolution establishes the maximum aggregate principal amount of the Refunding Bonds to be issued ($65,000,000). Section 4 of the Resolution states the maximum underwriting discount (0.40%) with respect to the Refunding Bonds and authorizes the Refunding Bonds to be sold at a negotiated sale to RBC Capital Markets, LLC, as underwriter (the “Underwriter”). The Resolution authorizes the issuance of current interest bonds only; capital appreciation bonds are not authorized.

(b) Form of Purchase Contract. Pursuant to the Purchase Contract, the Underwriter will agree to buy the Refunding Bonds from the District. All of the conditions of closing the transaction are set forth in this document, including the documentation to be provided at the closing by various parties. Upon the pricing of the Refunding Bonds, the final execution copy of the Purchase Contract will be prepared following this form.
ADOPTION OF RESOLUTION AUTHORIZING THE ISSUANCE OF CHAFFEY COMMUNITY COLLEGE DISTRICT 2020 GENERAL OBLIGATION REFUNDING BONDS

February 27, 2020
Page 2

(c) **Form of Preliminary Official Statement.** The Preliminary Official Statement ("POS") is the offering document describing the Refunding Bonds which may be distributed to prospective purchasers of the Refunding Bonds. The POS discloses information with respect to, among other things, (i) the proposed uses of proceeds of the Refunding Bonds, (ii) the terms of the Refunding Bonds (interest rate, redemption terms, etc.), (iii) the bond insurance policy for the Refunding Bonds, if any, (iv) the security for repayment of the Refunding Bonds (the tax levy), (v) information with respect to the District's tax base (upon which such *ad valorem* property taxes may be levied), (vi) District financial and operating data, (vii) continuing disclosure with respect to the Refunding Bonds and the District, and (viii) absence of litigation and other miscellaneous matters expected to be of interest to prospective purchasers of the Refunding Bonds. Following the pricing of the Refunding Bonds, a final Official Statement for the Refunding Bonds will be prepared, substantially in the form of the POS.

(d) **Form of the Continuing Disclosure Certificate.** The form of the Continuing Disclosure Certificate can be found in APPENDIX C to the POS. Effective July 3, 1995, all underwriters of municipal bonds are obligated to procure from a bond issuer a covenant that such bond issuer will annually file material financial information and operating data with respect to the issuer, as well as notices of the occurrence of certain enumerated events, through the web-based Electronic Municipal Market Access ("EMMA") system maintained by the Municipal Securities Rulemaking Board (which is the federal agency that regulates "broker-dealers," including investment bank firms that underwrite municipal obligation issuances). This requirement is expected to be satisfied annually by the filing of the District's audited financial statements and other operating information about the District, and from time to time by the filing of notices of enumerated events, in the same manner the District has filed in connection with prior bond issuances. The purpose of the law is to provide investors in the Refunding Bonds with current information regarding the District.

(e) **Escrow Agreement.** Pursuant to the Escrow Agreement, proceeds from the sale of the Refunding Bonds will be deposited in an escrow fund (the "Escrow Fund") held by U.S. Bank National Association (acting as "Escrow Agent"). The monies in the Escrow Fund will be used by the Escrow Agent to refund the Refunded Bonds on the first optional redemption date therefor. Following the deposit of proceeds into the Escrow Fund, the Refunded Bonds will be defeased, and the obligation of San Bernardino County to levy a tax for the payment thereof will cease.

The Refunding Bonds will be initially registered in the name of “Cede & Co.,” the Nominee of DTC.

Each Refunding Bond shall be dated the Date of Delivery, and shall bear interest at the rates set forth in the Purchase Contract, from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before the first Record Date, in which event it shall bear interest from the Date of Delivery. Interest on the Refunding Bonds shall be payable on the respective Bond Payment Dates and shall be computed on the basis of a 360-day year of twelve 30-day months.

No Refunding Bond shall mature later than the final maturity date of the Refunded Bonds to be refunded from proceeds of such Refunding Bond.

(b) Redemption.

(i) Optional Redemption. The Refunding Bonds shall be subject to optional redemption prior to maturity as provided in the Purchase Contract or the Official Statement.

(ii) Mandatory Redemption. Any Refunding Bonds issued as Term Bonds shall be subject to mandatory sinking fund redemption as provided in the Purchase Contract or the Official Statement.

(iii) Selection of Refunding Bonds for Redemption. Whenever provision is made in this Resolution for the redemption of Refunding Bonds and less than all Outstanding Refunding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select Refunding Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Refunding Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that with respect to redemption by lot, the portion of any Refunding Bond to be redeemed in part shall be in the principal amount of $5,000 or any integral multiple thereof.

The Purchase Contract may provide that (i) in the event that a portion of any Term Bond is optionally redeemed prior to maturity pursuant to Section 6(b)(i) hereof, the remaining mandatory sinking fund payments with respect to such Term Bonds shall be reduced proportionately or as otherwise directed by the District, in integral multiples of $5,000 principal amount, in respect to the
portion of such Term Bond optionally redeemed, or (ii) within a maturity, Refunding Bonds shall be selected for redemption on a “Pro Rata Pass-Through Distribution of Principal” basis in accordance with DTC procedures, provided further that, such pro-rata redemption is made in accordance with the operational arrangements of DTC then in effect.

(iv) Redemption Notice. When redemption is authorized pursuant to this Resolution, the Paying Agent, upon written instruction from the District, shall give notice (a “Redemption Notice”) of the redemption of the Refunding Bonds. Such Redemption Notice shall specify: the Refunding Bonds or designated portions thereof (in the case of redemption of the Refunding Bonds in part but not in whole) which are to be redeemed; the date of redemption; the place or places where the redemption will be made, including the name and address of the Paying Agent; the redemption price; the CUSIP numbers (if any) assigned to the Refunding Bonds to be redeemed, the Refunding Bond numbers of the Refunding Bonds to be redeemed in whole or in part and, in the case of any Refunding Bond to be redeemed in part only, the portion of the principal amount of such Refunding Bond to be redeemed; and the original issue date, interest rate and stated maturity date of each Refunding Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Refunding Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued to the redemption date thereon, and that from and after such date, interest thereon shall cease to accrue.

With respect to any Redemption Notice of Refunding Bonds, unless upon the giving of such notice such Refunding Bonds shall be deemed to have been defeased pursuant to Section 19 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the Paying Agent (or an independent escrow agent selected by the District) on or prior to the date fixed for such redemption of the moneys necessary and sufficient to pay the principal of, premium, if any, and interest on, such Refunding Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, the Refunding Bonds shall not be subject to redemption on such date and the Refunding Bonds shall not be required to be redeemed on such date. In the event that such Redemption Notice contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, to the persons to whom and in the manner in which the Redemption Notice was given, that such moneys were not so received. In addition, the District shall have the right to rescind any Redemption Notice, by written notice to the Paying Agent, on or prior to the date fixed for such redemption. The Paying Agent shall distribute a notice of such rescission in the same manner as the Redemption Notice was originally provided.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(1) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Refunding Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(4) The Paying Agent shall provide a Redemption Notice to such other persons as may be required pursuant to the Continuing Disclosure Certificate.

A certificate of the Paying Agent to the effect that a Redemption Notice has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Refunding Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Refunding Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Refunding Bonds being redeemed with the proceeds of such check or other transfer. Such Redemption Notice may state that no representation is made as to the accuracy or correctness of CUSIP numbers printed thereon.

(v) Partial Redemption of Refunding Bonds. Upon the surrender of any Refunding Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Refunding Bond or Refunding Bonds of like tenor and maturity and of authorized denominations equal in principal amounts to the unredeemed portion of the Refunding Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Redemption Notice. Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Refunding Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Refunding Bonds to be redeemed as provided in Section 6(b)(i) hereof, together with interest accrued to such redemption date, shall be held in trust as provided in Section 19 hereof, so as to be available therefor on such redemption date, and if a Redemption Notice thereof shall have been given as aforesaid, then from and after such redemption date, interest on the Refunding Bonds to be redeemed shall cease to accrue and become payable. All money held for the redemption of Refunding Bonds shall be held in trust for the account of the Owners of the Refunding Bonds so to be redeemed.

All Refunding Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Refunding Bond purchased by the District shall be cancelled by the Paying Agent.

(vii) Refunding Bonds No Longer Outstanding. When any Refunding Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be irrevocably held in trust as provided in Section 19 hereof for the payment of the redemption price of such Refunding Bonds or portions thereof, and accrued interest thereon to the date fixed for redemption, all as provided in this Resolution, then such Refunding Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.
(i) **Election of Book-Entry System.** The Refunding Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Refunding Bonds in an authorized denomination. The ownership of each such Refunding Bond shall be registered in Bond Register maintained by the Paying Agent in the name of the Nominee, as nominee of the Depository and ownership of the Refunding Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

With respect to book-entry Refunding Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Refunding Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Refunding Bonds; (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry Refunding Bonds, including any Redemption Notice; (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Refunding Bonds to be prepaid in the event the District redeems such Refunding Bonds in part; (iv) or the payment by the Depository or any Participant or any other person, of any amount with respect to principal, premium, if any, or interest on book-entry Refunding Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Refunding Bond is registered in the Bond Register as the absolute Owner of such Refunding Bond for the purpose of payment of principal and premium and interest on and to such Refunding Bond, for the purpose of giving notices of redemption and other matters with respect to such Refunding Bond, for the purpose of registering transfers with respect to such Refunding Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on book-entry Refunding Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal of, premium, if any, and interest on book-entry Refunding Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal of, premium, if any, and interest on book-entry Refunding Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word “Nominee” in this Resolution shall refer to such nominee of the Depository.

(1) **Delivery of Letter of Representations.** In order to qualify the Refunding Bonds for the Depository’s book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in the Refunding Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify the Refunding Bonds for the Depository’s book-entry program.

(2) **Selection of Depository.** In the event (i) the Depository determines not to continue to act as securities depository for the Refunding Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the Beneficial Owners of the
Refunding Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such Refunding Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Refunding Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Refunding Bonds shall designate, in accordance with the provisions of this Section 6(c).

(3) Payments and Notices to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Refunding Bonds are held in book-entry and registered in the name of the Nominee, all payments by the District or Paying Agent with respect to principal of and premium, if any, or interest on book-entry Refunding Bonds and all notices with respect to such Refunding Bonds, including notices of redemption, shall be made and given, respectively to the Nominee, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

(4) Transfer of Refunding Bonds to Substitute Depository.

(A) The Refunding Bonds shall be initially issued as described in the Official Statement. Registered ownership of such Refunding Bonds, or any portions thereof, may not thereafter be transferred except:

1. to any successor of DTC or its Nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

2. to any Substitute Depository, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

3. to any person as provided below, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all Outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Refunding Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Refunding Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt of all Outstanding Refunding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Refunding Bonds, which the District shall prepare or cause to be prepared,
shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Refunding Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or advance refunding of any Refunding Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Refunding Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Refunding Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Refunding Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such Beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Refunding Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Refunding Bonds.

SECTION 7. **Execution of Refunding Bonds.** The Refunding Bonds shall be signed by the President of the Governing Board, or by such other member of the Board authorized to sign on behalf of the President, by his or her manual or facsimile signature, and countersigned by the manual or facsimile signature of the Secretary to or Clerk of the Board, or the designees thereof, all in their official capacities. No Refunding Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Refunding Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Refunding Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 8. **Paying Agent; Transfer and Exchange.** So long as any of the Refunding Bonds remain Outstanding, the District will cause the Paying Agent to maintain and keep at its designated corporate trust office all books and records necessary for the registration, exchange and transfer of the Refunding Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Refunding Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Refunding Bond for all purposes of this Resolution. Payment of or on account of the principal of and premium, if any, and interest on any Refunding Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District’s liability upon the Refunding Bonds, including interest, to the extent of the amount or amounts so paid.

Any Refunding Bond may be exchanged for Refunding Bonds of like tenor, Series, maturity and principal amount upon presentation at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Refunding Bond may be transferred on the Bond Register only upon presentation and surrender of the Refunding Bond at the principal corporate trust office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a
form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Refunding Bond or Refunding Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the principal amount of the Refunding Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If any Refunding Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like Series, tenor, maturity and principal amount in exchange and substitution for the Refunding Bond so mutilated, but only upon surrender to the Paying Agent of the Refunding Bond so mutilated. If any Refunding Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent and the District satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Refunding Bond of like Series, tenor, maturity and principal amount in lieu of and in substitution for the Refunding Bond so lost, destroyed or stolen (or if any such Refunding Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Refunding Bond, the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Refunding Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Refunding Bonds only after the new Refunding Bonds are signed by the authorized officers of the District as provided in Section 7. In all cases of exchanged or transferred Refunding Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Refunding Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Refunding Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Refunding Bonds surrendered upon that exchange or transfer.

Any Refunding Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Refunding Bonds that the District may have acquired in any manner whatsoever, and those Refunding Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Refunding Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Refunding Bonds shall be retained for three years, then destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Refunding Bonds during a period beginning with the opening of business on the 16th day next preceding either any Bond Payment Date or any date of selection of Refunding Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable Redemption Notice is given or (b) to transfer any Refunding Bonds which have been selected or called for redemption in whole or in part.

SECTION 9. Payment. Payment of interest on any Refunding Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal of and redemption premium, if any, payable on the Refunding Bonds shall be payable upon maturity or redemption upon surrender at the principal corporate trust office of the Paying Agent. The principal of,
premiums, if any, and interest on the Refunding Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Refunding Bonds when duly presented for payment at maturity, and to cancel all Refunding Bonds upon payment thereof. Except as otherwise required by the Act, the Refunding Bonds are obligations of the District payable solely from the levy of ad valorem property taxes upon all property subject to taxation within the District, which taxes are unlimited as to rate or amount. The Refunding Bonds do not constitute an obligation of the County and no part of any fund of the County is pledged or obligated to the payment of the Refunding Bonds.

SECTION 10. Form of Refunding Bonds. The Refunding Bonds shall be in substantially the form attached as Exhibit A, allowing those officials executing the Refunding Bonds to make the insertions and deletions necessary to conform the Refunding Bonds to this Resolution, the Purchase Contract and the Official Statement, or to correct or cure any defect, inconsistency, ambiguity or omission therein. The Paying Agent is authorized to deliver the Refunding Bonds in temporary form and, if so, the Paying Agent shall execute and deliver definitive Bonds in an equal aggregate principal amount of authorized denominations, when available, and thereupon the temporary Refunding Bonds shall be surrendered to the Paying Agent. Until so exchanged, the temporary Refunding Bonds shall be entitled to the same benefits hereunder as definitive Refunding Bonds.

SECTION 11. Delivery of Refunding Bonds. The proper officials of the District shall cause the Refunding Bonds to be prepared and, following their sale, shall have the Refunding Bonds signed and delivered, together with a final transcript of proceedings with reference to the issuance of the Refunding Bonds, to the Underwriter upon payment of the purchase price therefor.

SECTION 12. Deposit of Proceeds of Refunding Bonds; Escrow Agreement. An amount of proceeds from the sale of the Refunding Bonds necessary to purchase certain Federal Securities, or to otherwise refund the Refunded Bonds, shall be transferred to the Escrow Agent for deposit in the escrow fund established under the Escrow Agreement (the “Escrow Fund”), which amount, if uninvested, shall be sufficient, or if invested, together with an amount or amounts of cash held uninvested therein, shall be sufficient to refund the Refunded Bonds. The Board hereby authorizes the deposit of all or a portion of the premium received from the sale of the Refunding Bonds into the Escrow Fund. Premium or proceeds received from the sale of the Refunding Bonds desired to pay all or a portion of the costs of issuing the Refunding Bonds are hereby authorized to be deposited in the fund of the District held by a fiscal agent selected thereby and shall be kept separate and distinct from all other District funds, and those proceeds shall be used solely for the purpose of paying costs of issuance of the Refunding Bonds.

Any accrued interest received by the District from the sale of the Refunding Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “Chaffey Community College District 2020 General Obligation Refunding Bonds Debt Service Fund” (the “Debt Service Fund”) for the Refunding Bonds and used only for payments of principal of and interest on the Refunding Bonds. At the election of the District (i) to the extent the Refunding Bonds are sold in the more than one Series, there shall be created a separate Debt Service Fund for each such Series of Refunding Bonds, and all references herein to a Debt Service Fund shall be deemed to include each Debt Service Fund created for a Series of Refunding Bonds, and (ii) the Debt Service Fund may be established as a subaccount of, or otherwise combined with, any fund established by the County for the purpose of holding proceeds of ad valorem tax levies made to pay any bonds issued pursuant to the Authorization. A portion of the premium received by the District from the sale of the Refunding Bonds may be transferred to the Debt Service Fund or applied to the payment of cost of issuance of the Refunding Bonds, or some combination of deposits. Any excess proceeds of the Refunding Bonds not needed for the authorized purposes set forth herein for which the Refunding Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of the principal of and interest on the Refunding Bonds. If, after payment in full of the Bonds, there remain any such excess proceeds, such amounts will be transferred to any other debt
service fund for general obligation bond indebtedness of the District and in the event there is no such debt outstanding, shall be transferred to the general fund of the District upon the order of the County Auditor/Controller, as provided in Education Code Section 15234.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Refunding Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay the principal of and interest on the Refunding Bonds. DTC will thereupon make payments of principal of and interest on the Refunding Bonds to the DTC Participants who will thereupon make payments of such principal and interest to the Beneficial Owners of the Refunding Bonds. Any moneys remaining in the Debt Service Fund after the Refunding Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District.

Except as required below to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay principal of and interest on the Refunding Bonds when due.

SECTION 13. Rebate Fund

(a) General. If necessary, there shall be created and established a special fund designated the “Chaffey Community College District 2020 General Obligation Refunding Bonds Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, as the same may be amended from time to time, and the Treasury Regulations promulgated thereunder (the “Rebate Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and Section 14 of this Resolution and by the that certain tax certificate concerning certain matters pertaining to the use and investment of proceeds of the Refunding Bonds, executed and delivered to the District on the date of issuance of the Refunding Bonds, including any and all exhibits attached thereto (the “Tax Certificate”).

(b) Deposits.

(i) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate) (1) the District shall calculate or cause to be calculated with respect to the Refunding Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Rebate Regulations, using as the “computation date” for this purpose the end of such five Bond Years, and (2) the District shall deposit to the Rebate Fund from deposits from the District or from amounts available therefor on deposit in the other funds established hereunder, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated.

(ii) The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section.

(iii) The District shall not be required to calculate the “rebate amount” and the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Refunding Bonds (including amounts treated as the proceeds of the Refunding Bonds) (1) to the extent such proceeds satisfy the
expenditure requirements of Section 148(f)(4)(B) or Section 148 (f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations or the small issuer exception of Section 148(f)(4)(D) of the Code, whichever is applicable, and otherwise qualify for the exception of the Rebate Requirement pursuant to whichever of said sections is applicable, or (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Withdrawal Following Payment of Refunding Bonds. Any funds remaining in the Rebate Fund after redemption of all the Refunding Bonds and any amounts described in paragraph (ii) of subsection (d) of this Section, including accrued interest, shall be transferred to the General Fund of the District.

(d) Withdrawal for Payment of Rebate. Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(i) not later than sixty (60) days after the end of (a) the fifth (5th) Bond Year, and (b) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Rebate Regulations; and

(ii) not later than sixty (60) days after the payment of all Refunding Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Rebate Regulations.

(e) Rebate Payments. Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by or on behalf of the District.

(f) Deficiencies in the Rebate Fund. In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(g) Withdrawals of Excess Amount. In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, upon written instructions from the District, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) Record Retention. The District shall retain records of all determinations made hereunder until three years after the retirement of the Refunding Bonds.

(i) Survival of Defeasance. Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Refunding Bonds.
SECTION 14. **Security for the Refunding Bonds.** There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* property tax annually during the period the Refunding Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Refunding Bonds when due, which moneys when collected will be deposited in the Debt Service Fund of the District, and which moneys shall be applied to the payment of the principal of and interest on the Refunding Bonds when and as the same fall due, and for no other purpose. The District covenants to cause the County to take all actions necessary to levy such *ad valorem* property tax in accordance with this Section 14 and Section 53559 of the Act. Pursuant to Government Code Section 53515, the Refunding Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of *ad valorem* property taxes for the payment thereof.

Pursuant to Government Code Sections 5450 and 5451, the District hereby pledges all revenues received from the levy and collection of *ad valorem* property taxes for the payment of the Refunding Bonds and all amounts on deposit in the Debt Service Fund to the payment of the Refunding Bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in the Debt Service Fund. This pledge shall constitute an agreement between the District and the Owners of the Refunding Bonds to provide security for the payment of the Refunding Bonds in addition to any statutory lien that may exist.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Refunding Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay such principal and interest. DTC will thereupon make payments of principal of and interest on the Refunding Bonds to the DTC Participants who will thereupon make payments of such principal and interest to the Beneficial Owners of the Refunding Bonds. Any moneys remaining in the Debt Service Fund after the Refunding Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District.

SECTION 15. **Arbitrage Covenant.** The District covenants that it will restrict the use of the proceeds of the Refunding Bonds in such manner and to such extent, if any, as may be necessary, so that the Refunding Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements shall be the sole responsibility of the District.

SECTION 16. **Legislative Determinations.** The Board hereby determines that all acts and conditions necessary to be performed thereby or to have been met precedent to and in the issuing of the Refunding Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Refunding Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Refunding Bonds. Furthermore, the Board hereby finds and determines pursuant to Section 53552 of the Act that the prudent management of the fiscal affairs of the District requires that it issue the Refunding Bonds without submitting the question of the issuance of the Refunding Bonds to a vote of the qualified electors of the District.

SECTION 17. **Official Statement.** The Preliminary Official Statement relating to the Refunding Bonds, substantially in the form on file with the Secretary to the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Refunding Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and
to execute and deliver to the Underwriter a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as an Authorized Officer executing such final Official Statement shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Refunding Bonds and is directed to deliver copies of any final Official Statement to the purchasers of the Refunding Bonds. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

SECTION 18. Insurance. In the event the District purchases bond insurance for the Refunding Bonds, and to the extent that the Bond Insurer makes payment of the principal of or interest on the Refunding Bonds, it shall become the Owner of such Refunding Bonds with the right to payment of principal or interest on the Refunding Bonds, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims of past due interest, the Paying Agent shall note the Bond Insurer’s rights as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Refunding Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Refunding Bonds maintained by the Paying Agent upon surrender of the Refunding Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the Outstanding maturities of the Refunding Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which, together with any amounts transferred from the Debt Service Fund, is sufficient to pay all Refunding Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with any amounts transferred from the Debt Service Fund and any other cash, if required, in such amount as will, together with interest to accrue thereon, in the opinion of an independent certified public accountant, be fully sufficient to pay and discharge all Refunding Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Refunding Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Refunding Bonds shall cease and terminate, except only the obligation of the independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Refunding Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, “Government Obligations” shall mean:

Direct and general obligations of the United States of America, obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations secured or otherwise guaranteed, directly or indirectly, as to principal and interest by a pledge of the full faith and credit of the United States of America. In the case of direct and general obligations of the United States of America,
Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Moody’s or S&P.

SECTION 20. Other Actions, Determinations and Approvals.

(a) Officers of the Board, District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Refunding Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby finds and determines that both the total net interest cost to maturity on the Refunding Bonds plus the principal amount of the Refunding Bonds will be less than the total net interest cost to maturity on the Refunded Bonds plus the principal amount of the Refunded Bonds.

(c) The Board anticipates that the Refunded Bonds will be redeemed on the first optional redemption date therefor following the issuance of the Refunding Bonds.

(d) The Board hereby appoints U.S. Bank National Association as the Escrow Agent for the Refunded Bonds, and further approves the form of the Escrow Agreement, substantially in the form on file with the Secretary to the Board. The Authorized Officers, each alone, are hereby authorized to execute the Escrow Agreement with such changes as they shall approve, such approval to be conclusively evidenced by such individual’s execution and delivery thereof.

(e) The Board hereby appoints RBC Capital Markets, LLC, as Underwriter and Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Disclosure Counsel, each with respect to the issuance of the Refunding Bonds.

(f) The provisions of this Resolution as they relate to the terms of the Refunding Bonds may be amended by the Purchase Contract. If the Purchase Contract so provides, the Refunding Bonds may be issued as crossover refunding bonds pursuant to Government Code Section 53558(b). All or a portion of the Refunding Bonds are further authorized to be issued on a forward delivery basis.

(g) Based on a good faith estimate received by the District from the Underwriter, the Board hereby finds that (i) the True Interest Cost of the Refunding Bonds (as defined in Government Code Section 5852.1(a)(1)(A)) is expected to be approximately 2.32%, (ii) the total Finance Charge of the Refunding Bonds (as defined in Government Code Section 5852.1(a)(1)(B)) is expected to be $435,160, (iii) the total proceeds expected to be received by the District from the sale of the Refunding Bonds, less the Finance Charge of the Bonds, is $60,854,840, and (iv) the District expects that the Total Payment Amount (as defined in Government Code Section 5852.1(a)(1)(D)), calculated to the final maturity of the Refunding Bonds, will be $72,705,110. The information presented in this section is included in satisfaction of Government Code Section 5852.1, and shall not abrogate or otherwise limit any other provision of this Resolution.
SECTION 21. Resolution to Treasurer. The Secretary to the Board is hereby directed to provide a certified copy of this Resolution to the Treasurer immediately following its adoption.

SECTION 22. Request to County to Levy Tax. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of ad valorem property taxes in each year sufficient to pay all principal of and interest coming due on the Refunding Bonds in such year, and to pay from such taxes all amounts due on the Refunding Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to pay all such principal and interest coming due on the Refunding Bonds in such year, and to pay from such taxes all amounts due on the Refunding Bonds. The Board hereby finds and determines that such ad valorem property taxes shall be levied specifically to pay the Refunding Bonds being issued to finance and refinance specific projects authorized by the voters of the District at the Election.

SECTION 23. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated as of the Date of Delivery, as originally executed and as it may be amended from time to time in accordance with the terms thereof. The Board hereby approves the form of Continuing Disclosure Certificate appended to the Preliminary Official Statement on file with the Secretary to the Board, and the Authorized Officers, each alone, are hereby authorized to execute the Continuing Disclosure Certificate with such changes thereto as the Authorized Officers executing the same shall approve, such approval to be conclusively evidenced by such execution and delivery. Noncompliance with the Continuing Disclosure Certificate shall not result in acceleration of the Refunding Bonds.

SECTION 24. Further Actions Authorized. It is hereby covenanted that the District, and its appropriate officials, have duly taken all actions necessary to be taken by them, and will take any additional actions necessary to be taken by them, for carrying out the provisions of this Resolution.

SECTION 25. Recitals. All the recitals in this Resolution above are true and correct and the Board so finds, determines and represents.
SECTION 26. **Effective Date.** This Resolution shall take effect immediately upon its passage.

PASSED AND ADOPTED this 27th day of February, 2020.

SUPPORTS BOARD POLICY

Supports and complies with policies: 2710 Conflict of Interest, 6100 Delegation of Authority, 6330 Purchasing, 6340 Contracts, and 6600 Capital Construction.

PROPOSAL

To authorize the District to enter into eight, five-year term, on-call professional services agreements in the amount not to exceed $1,000,000 for each agreement with Carrier Johnson + Culture of Los Angeles, California, DLR Group of Riverside, California, HGA of Santa Monica, California, HMC Architects of Ontario, California, IBI Group of Los Angeles, California, Lionakis of Newport Beach, California, LPA of Irvine, California, and PBWS Architects of Pasadena, California, for Request for Qualifications (RFQ) No. 2020PW394 Architect, Criteria Architect, and Commissioning Services. The District is hiring eight architectural firms to establish a pool of qualified firms to perform services for the Measure P program for all district locations.

BACKGROUND

In November 2018, voters in the District approved Measure P a $700 million general obligation bond. In order to implement the Measure P bond program, the District will require architect, criteria architect, and commissioning services for all locations. On December 6, 2019, the district released RFQ2020PW394 Architect, Criteria Architect, and Commissioning Services. The services include master planning, programming, criteria documents, design documents, construction administration and commissioning services. Architect will supply continuity in planning for the growth of the campus, and in maintaining and updating the individual campus physical master plans. Criteria Architect will develop criteria/bridging documents for projects intended to be delivered by the design-build delivery method. Commissioning will include develop District wide commissioning specifications, perform testing of project equipment, and submit project final commissioning report. The RFQ specified that the district intended to hire one or more firms and will award task order agreements for a specific project assignment on an as needed basis. The project assignment will include: scope of work, cost estimates, and conditions specific to the project. As the need for services on a project arises, a task order agreement will be brought to the board for approval or ratification. Eighteen firms submitted proposals by the RFQ deadline on January 16, 2020. District staff evaluated each proposal based on the evaluation criteria as identified in the RFQ. SUPPORTS BOARD POLICIES
Supports and complies with Policies: 2710 Conflict of Interest, 6100 Delegation of Authority, 6330 Purchasing, 6340 Contracts.

PROPOSAL
It is recommended that the Governing Board authorize Chaffey Community College District to enter into a contract with Ocelot (CareerAmerica, LLC) of Boulder, Colorado for the Ocelot cloud-based chatbot and video content platform, which is a customizable online learning platform designed to assist students on a 24 hour basis with routine questions through the Chaffey website, on a sole source basis for the services they exclusively provide as described herein, pursuant to California Public Contract Code, Section 3400, in the amount not to exceed $128,334.

BACKGROUND
California Public Contract Code Section 20651 requires a competitive bidding process before the governing board of a community college district lets a contract of more than the bid limit (currently ninety five thousand two hundred dollars, $95,200) for (1) the purchase of equipment, materials, or supplies to be furnished, sold, or leased to the district (2) services, except construction services (3) repairs, including maintenance as defined in Section 20656, that are not a public project as defined in subdivision (c) of Section 22002.

However, California Public Contract Code Section 3400 provides relief from competitive bidding in subdivision (c)(3) “in order to obtain a necessary item that is only available from one source.” Section 3400 codifies court rulings holding that where going out to bid will yield no benefit or advantage, a public entity may declare a “sole source” and make a contract without the need for formal bidding.

Therefore, District staff believe that it is in the best interest of the District for the Board to, in this case, waive California Public Contract Code section 20651 and authorize a contract with Ocelot (CareerAmerica, LLC) for the Ocelot online platform, on a sole source basis for the services they exclusively provide, without going through a competitive bidding process.

Student Services has identified Ocelot as an online platform that provides 24 hour service to assist students with routine questions through the Chaffey website. Ocelot is a customizable online learning platform with artificial intelligence, chatbots. Chatbots will house text-based questions and answers for most departments housed under student services and has potential to expand to other departments on campus. Ocelot is mobile friendly and ADA compliant. By using this service, the college will ensure questions are answered consistently and quickly at the student’s convenience. The service provides a multilingual option for five languages, including fluency in Spanish and is consistent with the US Department of Education Spanish guidelines. The service will also provide analytics to evaluate questions to determine if any patterns warrant additional customization as well as overall usage data.

Sole Source Justification: Ocelot is a sole source provider of these proprietary products. These services are only available on a subscription basis directly through Ocelot.
BUDGET IMPLICATIONS

Funding Source – Restricted general fund, California College Promise program.

Current Status of Funds – Funds of $128,334 are included in the 2019-2020 restricted general fund budget.

Future Implications – N/A

RECOMMENDATION

District staff recommends the Governing Board authorize Chaffey Community College District to enter into a contract with Ocelot (CareerAmerica, LLC) of Boulder, Colorado for the Ocelot cloud-based chatbot and video content platform, which is a customizable online learning platform designed to assist students on a 24 hour basis with routine questions through the Chaffey website, on a sole source basis for the services they exclusively provide as described herein, pursuant to California Public Contract Code, Section 3400, in the amount not to exceed $128,334.

Re: Sole Source Nature of Ocelot Services

Dear Purchasing Officer:

Ocelot is a 16-year-old niche content and technology company. Ocelot works with institutions of higher education to help schools communicate with students and parents using chatbots and videos. Ocelot is a “Sole Source” supplier of three proprietary products, both of which are Section 508 compliant.

Ocelot has three products that no other company provides:

1 – Artificially Intelligent Conversational Ocelot Chatbots. Ocelot Bots come pre-loaded with a knowledgebase of over 2,500 text-based questions and answers, and over 2,000 FATV videos covering student service topics. Ocelot Bots are 100% customizable. They are available in Spanish. The Ocelot Platform has a unique community feature that leverages content from all Ocelot Bots (over 100 higher educations are on the platform), enabling schools to deploy and maintain their bots for a fraction of the time and effort compared to other available chatbot tools.

2 - FATV’s GetAnswers video Service. This is a comprehensive and customizable highly-visual knowledgebase of content created by Ocelot that is anchored by a pre-made library of regularly-updated online video content (our library includes over 2,000 videos) dealing with financial aid and related student service topics. Students can access the content in a variety of ways: through an artificially intelligent chatbot, a searchable portal, videos embedded on the school’s website, integration in text and email communications, school signage systems, and via social media applications. The videos in the library are updated regularly as state and federal financial aid programs change. The library can be customized for schools to meet their needs. Schools receive detailed analytics on questions answered, as well as videos watched. Video content is also available in multiple languages, including Spanish, Chinese, and Creole.

3 - GetSAP. This is a customizable online learning platform created by Ocelot that aids school clients in educating students about the school's Satisfactory Academic Progress (SAP) policy. GetSAP is a pre-loaded online platform with Ocelot content, which is supplemented by video content created by Ocelot relating to the school's unique SAP policy, along with testing components. With use of Ocelot's proprietary technology, schools can embed videos, specific counseling sessions, and calculators on their website and receive analytics on counseling sessions attempted and/or completed.

Ocelot services are available on a subscription basis directly through us. Ocelot is owned by CareerAmerica, LLC. All Ocelot content is subject to copyright protection.
