ARTICLE 2
RECOGNITION

- 2.1** The District hereby acknowledges the Chaffey College Faculty Association (CCFA), herein known as the Association, a local chapter of CTA and an affiliate of NEA, as the exclusive representative for all faculty employees contained in the May 8, 1980, voluntary recognition document and as defined in Education Code, Section 87003. The term “faculty” is applied but not limited to the following positions: instructors, counselors, reference librarians, health service nurses, and instructional specialists. The term “faculty” does not apply to the following: guest lecturers, consultants, independent contractors, professional experts, head and assistant coaches, and Child Development Center teachers.
- 2.2** If any new academic contract positions, except those designated as management positions are established during the term of this Agreement, the placement of those positions in or out of the bargaining unit shall be made by mutual agreement. Should the issue not be resolved, it may be submitted at any time by either party to (PERB) for a ruling.

ARTICLE 3
SUPPORT OF AGREEMENT

The District and the Association agree that it is to their mutual benefit to encourage the resolution of differences through the meeting and negotiation process. Therefore, it is agreed that the District and the Association will support this Agreement and that the Association, for its term, will not appear before the Governing Board to seek change or improvement in any matter subject to the meeting and negotiation process except by mutual agreement of the District and the Association.

ARTICLE 4

The District and the Association agree to adhere to a policy of nondiscrimination in education and employment and to comply with all pertinent provisions of Title 7 and Title 9 of the United States 1964 Civil Rights Act as amended in 1972, and other applicable executive orders and federal and state laws.

Association designees who elect reassigned time shall not receive an overload assignment.

By no later than fifteen (15) days following the signing of this Agreement, the Association will submit to the superintendent/president or designee written notification of the names of bargaining unit members who are to receive reassigned time or hourly compensation.

During only those terms in which negotiations for a new contract occur, the negotiating team shall be granted a total of ten (10) equated hours per term reassigned time or fifteen (15) hours per week per term at the current instructional support hourly rate or any combination thereof (1 EH = 1.5 hours/week) at the Association's discretion. These hours shall be distributed among no more than three (3) negotiating team members. Association negotiators who elect reassigned time shall not receive an overload assignment.

If negotiations for a new contract should continue outside the fall and spring terms, not more than three (3) members of the negotiating team shall be granted compensation at the current instructional support hourly rate for two (2) hours for each one (1) hour spent at the table in active negotiations. This two-for-one ratio is intended to adequately and appropriately compensate team members for both actual table time and preparation time.

7.9 Consultation within Scope

The District shall consult on the definition of educational objectives, the determination of the content of courses and curriculum, and the selection of textbooks to the extent that such matters are within the discretion of the public school employer under the California Education Code and Government Code, Section 3543.2.

8.2 Disciplinary Action

It is agreed and understood that any bargaining unit member violating this provision will be subject to loss of pay and discipline up to and including termination by the District. During the period of contract negotiations a strike or work stoppage are exceptions.

ARTICLE 9
SAVINGS PROVISIONS

If any provisions of this Agreement or any application thereafter to any bargaining unit member or group of bargaining unit members is held to be contrary to law by a court of competent jurisdiction, such provisions or application would not be deemed valid or subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.

- a) The District shall conform to and comply with all health and safety laws.

- b) The District shall investigate allegations of health and safety violations and take appropriate actions in a timely manner to correct the condition found to be unhealthy or unsafe.
- c) In the event a District administrator knows, through appropriate documentation, that a student may pose a serious threat to the safety of the faculty members or other students, the District shall, to the extent of the law, provide timely notification to the faculty member about the possible safety threat.

The District's contribution for medical coverage shall not exceed the annual premium cost of Kaiser CalPERS Plan for the duration of this Agreement. Any premium costs during the life of this Agreement which exceed the annual premium cost of Kaiser CalPERS Plan shall be borne by the employee.

The District shall provide group medical insurance coverage for the domestic partner (as defined in the California Codes Family Code, Section 297) of an eligible bargaining unit member when all of the conditions provided in the Affidavit of Domestic Partnership are satisfied.

11.1.2 Dental Coverage

In addition to the basic coverage, dental coverage shall not exceed an annual maximum of \$3,000, two (2) cleanings per year, and an allowable orthodontic benefit for adults and children.

11.1.3 Vision Coverage

Vision coverage as provided for in the standard district plan.

11.1.4 Life Insurance Coverage

The District shall provide term life insurance in the amount of \$50,000 for all bargaining unit members who are categorized as contract or regular or temporary contract, half-time or greater, on the annual salary schedule.

11.2 Eligibility

Only those bargaining unit members who are categorized as contract or regular or temporary contract, half-time or greater, on the annual salary schedule are eligible for the above benefits.

11.3 Bargaining Unit Members - Early Retirees

11.3.1 Bargaining unit members who retire prior to the age of sixty-five (65) and who were participating in the District health and welfare programs may continue participation in the District health, vision, and dental programs. Participation in the program shall be voluntary on the part of the former bargaining unit member.

11.3.2 To be eligible in this program, the early retiree must:

- a) Be younger than age sixty-five (65) and at least fifty-five (55) years of age at the time of retirement. The program will not be available to those bargaining unit members who have reached sixty-five (65) years of age or are under fifty-five (55) years of age.

- b) Have, at the time of retirement, at least fifteen (15) contract years of service as a bargaining unit member with the District at 50 FTEF or greater.
- c) Not participate in any other District early retirement program that offers health and welfare benefits.
- d) Be eligible for coverage under the District health, dental, and vision group plans, except as provided for in Section 11.3.3 (d).

11.3.3 The terms of the early retirement health and welfare program shall be as follows:

- a) The District will continue on behalf of the qualifying retiree and the eligible dependents (including domestic partners) at the time of retirement, the amount of the premium set forth in the then applicable collective bargaining agreement for health, dental, and vision benefits. This amount may vary from year to year depending upon modifications made to the collective bargaining agreement between the District and Chaffey College Faculty Association (CCFA).
- b) The contributions set forth in Section 11.3.3 (a) shall apply to District-adopted health and welfare programs for active bargaining unit members. Any modifications made at any time in such programs shall apply to participating early retirees.
- c) In the event the medical plan elected by the participating early retiree exceeds the District's contribution rate, it shall be the participating early retiree's responsibility to ensure that the appropriate differential amount is received by the District on the first of the month prior to the month for which payment is being made. If payment is not received by the fifth (5th) day of each month, termination of benefits will occur on the last day of the month for which payment was received.
- d) Upon reaching age sixty-five (65), all benefits under this program shall terminate.

11.3.4 In the event that bargaining unit members who retire under this program or any other early retirement program, become ineligible to participate in the District-adopted health and welfare programs for any reason other than residency, the District shall have no further obligations under this early retirement program, and all benefits shall terminate immediately. If the reason for ineligibility is the residency of the participant, the District shall continue to contribute the same dollar amount set forth in Section 11.3.3 (a) on behalf of the participating early retiree, provided the conditions below are satisfied:

- a) It shall be the responsibility of the participating early retiree to:
 - 1) Secure and enroll in a plan that provides for appropriate coverage for the retiree and any eligible dependents.
 - 2) Pay the premiums for the plans elected directly to the insurer.
 - 3) Provide the District with proof of payment at such time and in such a manner as required by the District.
- b) In the event the participating early retiree satisfies all of the conditions set forth in Section 11.3.4 (a), 1, 2, and 3, the District shall reimburse the retiree for payments made to the insurer in an amount not to exceed the contribution set forth in Section

11.3.3 (a). The District will reimburse the retiree only after receipt of satisfactory information that the premium has been paid by the early retiree to the insurer.

11.4 Modified Section 125 Plan

The plan allows bargaining unit members to redirect a portion of salary, on a pre-tax basis, to a flexible spending account to provide reimbursement for two specific types of expenses: Dependent Day Care (DDC) and Unreimbursed Medical (URM). In addition bargaining unit members may elect to redirect, on a pre-tax basis, a share of the monthly premium for health insurance.

ARTICLE 12

- 12.1** Employees summoned to meet for the purpose of possible disciplinary actions shall have the right to request and to be accompanied by a representative.
- 12.2** There shall be only one (1) official District personnel file for each bargaining unit member. The personnel file shall be kept in a secured place in the Office of Human Resources. The material in the official District personnel file shall be considered and used as the only official personnel record of the District in any proceeding affecting the status of the bargaining unit member's employment with the District. The personnel file shall include, but need not be limited to, records of employment with the District and records of professional evaluation. In addition, such records as educational advancement and pertinent work experience as provided by the bargaining unit member shall be a part of the official District file.

- 12.3** The material in the file shall be made available for the inspection of the bargaining unit member to whom the file pertains except ratings, reports, or records which were (1) obtained prior to employment of the bargaining unit member; (2) prepared by identifiable examination committee members; and (3) obtained in connection with a promotional evaluation.
- 12.4** Any employee may examine his or her own personnel file maintained by the Chaffey Community College District at any reasonable time. A representative may, with written authorization by the bargaining unit member, have access to the respective file. Such review shall take place in the presence of an authorized representative of the Chaffey Community College District. An employee may not remove documents from the personnel file but may request to have such documents reproduced for personal use at the employee's expense. When a bargaining unit member's file is opened for any purpose other than routine office work, a file utilization form shall show the name of the person opening the file, the date, and the purpose.
- 12.5** Any item to be placed in the file shall be clearly identified as to its source or originator and its date of receipt by the District. Anonymous communications shall not be placed in the personnel file or in any other file maintained in the District.
- 12.6** A bargaining unit member may forward to the chief personnel officer materials for inclusion in his or her file. All reasonable requests for inclusion of pertinent material in the bargaining unit member's file shall be accommodated. Materials not filed shall be returned to the bargaining unit member.
- 12.7** The bargaining unit member shall have the right to respond in writing to any clearly designated item in the file. The response shall be attached to the designated item.
- 12.8** Information of a derogatory nature, except that listed under Section 12.2 of this Article, shall not be filed unless and until the bargaining unit member is given written notice and an opportunity to review and attach a written response within twenty (20) service days of receipt of such materials in accord with California Education Code provisions. Due to special circumstances, a time extension may be granted by the Chief Instructional Officer or designee.

- 12.9** The bargaining unit member shall have the right to copies of materials within the file except as noted in Section 12.2 above. The actual cost of such duplication shall be paid by the bargaining unit member. In the event of disciplinary action against the bargaining unit member, such member, upon request, shall be provided, at District, expense with a copy of any or all material in the file deemed necessary by the bargaining unit member, except as noted in Section 12.2 above.
- 12.10** The first-level manager may remove derogatory material placed in a faculty member's personnel file (other than Class I—permanent records), upon the written request of the faculty member. The first-level manager will provide a written response as to the decision in a timely manner.

ARTICLE 13
GRIEVANCE PROCEDURE FOR BARGAINING UNIT MEMBERS

13.1 Definitions

13.1.1 Grievance. A "grievance" is an allegation that a bargaining unit member has been adversely affected by a violation of the specific provisions of this Agreement.

13.1.2 Grievant. A "grievant" may be either the Association or the bargaining unit member referred to in 13.1.1. The grievant may be accompanied by a representative of the Association at any level or step in the grievance process.

13.1.3 Day. A "day" is any day in which central administrative offices of the District are open for business.

13.1.4 First-Level Manager. The "first-level manager" is the lowest level supervisor or administrator having immediate jurisdiction over the grievant who has been designated to adjust grievances by the superintendent/president.

13.1.5 Timelines. An extension of "timelines," as specified in Section 13.2 may be extended by mutual agreement between the appropriate administrator or designee and the appropriate Association representative, provided the request is made prior to the expiration of the stipulated timelines. Extensions during non-service days shall receive automatic approval, provided such requests are made to the Director of Human Resources prior to the expiration of the stipulated timeline.

13.1.6 District-Issued Email Account. The District-issued email account is the email account assigned by the District to the individual faculty member. In the event that the faculty member no longer has access to a District-issued email account, all notices from the District will be sent to the email account supplied by the faculty member to the District.

13.2 Procedure

13.2.1 Informal Level

Within ten (10) days after the grievant becomes aware of the occurrence of the act or omission giving rise to the grievance and before filing a formal written grievance, the grievant shall attempt to resolve the issue by submitting a completed informal grievance form via the District-issued email account to the appropriate first-level manager or the person occasioning the grievance. The first-level manager or the person occasioning the grievance shall respond to the grievant's District-issued email account within five (5) days. If the recipient of the grievance does not respond within the time limit, the grievant may file a formal grievance.

13.2.2 Formal Levels

a) Level I

If the grievant is not satisfied with the decision at the informal level, the grievant must, within ten (10) days of District-issued email notification of this decision, present the grievance in writing on the District's grievance form to the first-level manager or the person occasioning the grievance. If the grievant has asked for Association

representation, the Association shall review the grievance and notify the grievant and the District whether it will act as a party to the grievance.

This shall be a clear, concise statement of the grievance, the circumstances involved, the specific Agreement provision allegedly violated, the decision rendered at the informal conference, and the specific remedy sought.

The recipient of the grievance (i.e. the first-level manager or person occasioning the grievance) shall communicate via District-issued email a decision to the bargaining unit member within five (5) days after receiving the grievance. If the recipient of the grievance does not respond within the time limits, the grievant may appeal to the next level.

Within the above time limits, the recipient of the grievance may request a personal conference with the grievant with the stipulation that the grievant may be accompanied by an Association representative.

At any point in the process of Formal Level 1 and after the grievance has been submitted, the parties can mutually agree to submit the issue to the Labor Management Committee for resolution. Once submitted to the Labor Management Committee, the timelines of Formal Level I and II are suspended until either party withdraws the issue in writing from the Labor Management Committee. At that point the applicable timeline is resumed and the formal grievance process continues.

b) Level II

If the grievant is not satisfied with the decision at Level I, the grievant may, within five (5) days of District-issued email notification of this decision, appeal the decision on the appropriate form to the superintendent/president or designee.

This statement shall include a copy of the original grievance, the decision rendered at Level I, and a clear, concise statement of the reasons for the appeal.

The superintendent/president or designee shall communicate a decision to the grievant's District-issued email account within five (5) days. If the superintendent/president or designee does not respond within the time limits provided, the grievant may proceed to mediation or arbitration...

13.2.3 Notification to Association

At the Informal Level, Level I and Level II, the District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution from the District, and the Association has been given the opportunity to file a response. During the Association's response period, the timelines shall be suspended for a duration not to exceed thirty (30) service days. These timelines may be extended by mutual agreement.

13.3 Mediation

If the grievant is not satisfied with the decision at Level II, the grievant may, within five (5) days of notification to the grievant's District-issued email account of this decision, submit a request in writing to the Association requesting mediation of the dispute. Within fifteen (15) days of the grievant's request, the Association shall review the request and notify the grievant and the District that it wishes to submit or not submit the grievance to mediation.

Once the mediation request is submitted, the Association and the District shall attempt to agree upon a mediator within 30 days. If no agreement can be reached, then within three (3) days the District shall request the State Mediation and Conciliation Service to supply a mediator.

The fees and expenses of the mediation shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

The mediation will have no power to add to, subtract from, or modify the terms of this Agreement or the policies and procedures of the District.

13.4 Arbitration

If the grievant is not satisfied with the outcome of mediation, the grievant may, within five (5) days of the close of mediation, submit a request in writing to the Association requesting binding arbitration of the dispute. Within fifteen (15) days of notification of the grievant's request, the Association shall review the request and notify the grievant and the District that it wishes to submit or not submit the grievance to arbitration.

Once the arbitration request is submitted, the Association and the District shall attempt to agree upon an arbitrator within 30 days. If no agreement can be reached, then within three (3) days the District shall request the State Mediation and Conciliation Service or the Federal Mediation and Conciliation Service to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the arbitrator. The order of the striking shall be determined by lot.

The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

The arbitrator shall, as soon as possible, hear evidence and render a decision on the submitted grievance. After hearing the grievance, the arbitrator shall, within thirty (30) days, submit in writing to all parties his/her findings and decisions.

The arbitrator's decision shall be final and binding.

The arbitrator will have no power to add to, subtract from, or modify the terms of this Agreement or the policies and procedures of the District.

13.4.1 Action in Force

The dismissal of, and imposition of penalties for cause on any administrator who has tenure as a faculty member shall be in accordance with the provisions of this Agreement, provided that the District shall require such administrator to file with the Association adequate security to pay the employee's share of the cost of any arbitration resulting from the application of such procedures.

13.5 Computation of Timelines

Except for the initiation of the grievance at the informal level, timelines begin with the date the response is received by the grievant in person or by district email.

13.6 Failure of the grievant to meet the time limits provided for in this Agreement article shall be deemed a withdrawal of the grievance.

Unless otherwise specified by the District, each bargaining unit member on leave must notify the Office of Human Resources in writing by February 15 as to whether he or she will return to employment for the following year. The notification will be binding on the District and the bargaining unit member, and failure to notify the District on or before February 15, or failure to subsequently fulfill the commitment made on February 15, will be considered a voluntary resignation unless unusual circumstances warrant reconsideration by the Governing Board.

To receive credit for absence under these leave policies, the bargaining unit member shall complete and submit to the first-level manager the District's absence report form, identifying all service days missed, within seven (7) calendar days of the date the bargaining unit member returns to work.

Use of personal business days during this time may be approved by the first-level manager under extenuating circumstances. Proper documentation must accompany these requests.

- c) Each faculty member may use up to six (6) days of accumulated sick leave per year to attend to an illness of a child, parent, spouse, registered domestic partner, parent-in-law, grandparent, grandchild, or sibling. Jury fees will be endorsed back to the District, and official court verification indicating the specific days of jury service must be attached to the District absence form. However, once the above noted five (5) days have been exhausted, the part-time faculty member may retain the jury compensation. Due to special circumstances, the part-time faculty member may request an extension of paid judicial leave which may be granted by the appropriate administrator responsible for the Office of Human Resources.

A regular bargaining unit member elected to the Legislature shall be granted an unpaid leave of absence from the duties as an employee of the District. Within six (6) months after the term of office expires, the employee is entitled to return to the position held at the time of election. 14.10 Sabbatical Leave

Sabbatical leaves will be limited to professional growth activities; i.e., activities which subsequently relate to the person's assignment.

A maximum of two and one-half (2.5) percent of the prior academic year regular full-time bargaining unit members may be permitted sabbatical leaves each academic year. In determining the 2.5 percent, the District shall use the standard rounding rules to the nearest whole number. The Governing Board may, at its sole discretion, approve or disapprove sabbatical leaves.

Faculty who are granted sabbatical leaves will not be eligible to retain any District assignment, unless it's part of the sabbatical design.

If a regular faculty member receives an overall evaluation of "Needs Improvement" or "Unsatisfactory," that faculty member will not be eligible for a sabbatical leave unless and until the faculty member's evaluation has been determined to be satisfactory.

In the event that a sabbatical leave has been approved prior to the receipt of a "Needs Improvement" or "Unsatisfactory" evaluation, said sabbatical shall be revoked until the successful completion of

a remedial/development plan and the faculty member's evaluation has been determined to be satisfactory.

- 14.10.1** Application for sabbatical leaves will be made in writing using the appropriate form. By October 1 of the preceding academic year, the form will be sent to Human Resources to certify the employee has met the service requirements, is in good standing, and meets other contractual and legal conditions for the requested sabbatical. Upon certification by Human Resources, the form will be forwarded to the appropriate first-level manager who will determine whether the requested leave presents any major difficulties for the ongoing activity of the educational program. Upon recommendation by the first-level manager, the form will be forwarded to Faculty Senate by November 1. Faculty Senate will ensure the application has appropriate content and objectives that are likely to enhance professional development of the applicant and the educational program of the district. After Faculty Senate recommendation, the Chief Instructional Officer, through the superintendent/president, shall make a recommendation based on academic and professional criteria as agreed upon by Faculty Senate and the CIO, to the Governing Board.
- 14.10.2** The request for a single or multiple term, (not to exceed one (1) academic year) sabbatical leave as provided for in Section 14.10.7 shall be submitted to the Chief Instructional Officer or designee on or before January 15 of the preceding academic year.
- 14.10.3** If recommended applications exceed two and one-half (2.5) percent, first priority will be greater number of years of consecutive service without a sabbatical; second priority will be lesser number of previous sabbaticals; third priority will be seniority (based on seniority number).
- 14.10.4** The bargaining unit members' pay will be computed on the bargaining unit members' base salary on the appropriate contract/regular salary schedule.
- 14.10.5** One hundred (100) percent of the base salary for a single-semester sabbatical or eighty (80) percent of the base salary for a one (1)-year sabbatical will be paid.
- 14.10.6** The bargaining unit member must submit a detailed report of the activities during the leave. The report must be received by the Faculty Senate no later than Friday of the fourth week of instruction, after the return to regular assignment, as shown on the current Academic Calendar. The report must be received by the Chief Instructional Officer no later than Friday of the eighth week of instruction. Due to special circumstances, a time extension may be granted by the Chief Instructional Officer. Failure to carry out the sabbatical plan as approved by the Governing Board, and/or to file the required report, will result in leave pay repayment to the District.
- 14.10.7** A sabbatical leave may be granted in separate units rather than for a continuous combined leave, provided it shall be commenced and completed within a three (3) year period. Faculty members applying for sabbatical leave must indicate at the time of application if the sabbatical leave is to be taken in separate units or for a continuous combined leave.
- 14.10.8** Every bargaining unit member, as a condition of being granted a sabbatical leave of absence, shall agree in writing to render a period of service which is equal to twice the period of the leave in the employ of the Governing Board of the District after returning from the leave of absence.

14.10.9 The bargaining unit member shall be compensated while on sabbatical leave in the same manner as if the member was on duty in the District. The bargaining unit member shall provide the District with a suitable bond equal to the paid salary, fringe benefits, and retirement contribution. The bond shall indemnify the District against loss in the event the member fails to return to service for a period equal to twice the time on sabbatical leave or fails to comply with the provisions of the approved sabbatical plan. This bond shall be received by the Office of Human Resources no later than sixty (60) calendar days prior to the start of the sabbatical. Otherwise, the sabbatical is denied. Due to special circumstances, a time extension may be granted by the Chief Instructional Officer or designee. Should the faculty member not return to the District, not serve the requisite term after returning, or otherwise fail to fulfill the obligation, that person shall repay the District the full salary received while on sabbatical, plus fringe benefits and retirement contributions, paid by the District. Should the faculty member return for a portion of the required period, the repayment shall be reduced proportionately. The District shall waive repayment in the event that the failure by the faculty member to meet the obligation is caused by a mental or physical disability or by the death of the faculty member.

14.11 Military Leave

A military leave of absence will be granted to contract/regular bargaining unit members pursuant to the California Education Code. A copy of the official orders requiring the bargaining unit member to report to active duty shall be submitted promptly to the Office of Human Resources.

Under declaration of war or a declared presidential emergency, a contract/regular bargaining unit member who is granted military leave will earn service increments the same as if teaching. The contract/regular bargaining unit member shall be paid regular salary at the time the leave is granted for a period of time of up to thirty (30) service days maximum in any fiscal year.

14.12 Miscellaneous

14.12.1 Unless otherwise provided for in this Article, bargaining unit members, while on paid leave of absence, shall be entitled to:

- a) Return to the same general classification of position at the end of the leave which was held prior to the granting of the leave.
- b) Continued insurance benefits.
- c) Receive credit for annual salary increments granted during leave except in cases of sick leave or part-time assignment where service is not rendered for seventy-five (75) percent of the days in the academic calendar.

14.12.2 A bargaining unit member on unpaid leave of absence shall be entitled to:

- a) Return to the same general classification of position at the end of the leave which was held prior to the granting of the leave.
- b) The option to continue insurance benefits at the bargaining unit member's expense, provided eligibility requirements are met and any voluntary plan permits the continuation. It shall be the employee's responsibility to pay the first and last month's premium in advance. Thereafter, the appropriate amount is to be received by the District monthly. Failure to abide by the payment provisions will result in termination of the benefits.

14.12.3 Absence of bargaining unit members at the beginning of each new term:

- a) Each bargaining unit member has the obligation to attend the first general staff and school/area meetings on convocation day.
- b) A bargaining unit member may be excused from these obligations by request through the first-level manager to the appropriate administrator because of illness or conflicting dates for activities that can increase the member's effectiveness in the work at Chaffey College; e.g., a study grant, a summer teaching position, attending summer sessions, employment related to the teaching field.

14.12.4 Approval for an absence to attend a convention, association meeting, or organizational conference is requested through the first-level manager to the appropriate administrator and shall be made well in advance. Attendance at the aforementioned shall not be counted for unit advancement unless it meets the criteria under Section 22.2.2 (Column Advancement).

14.12.5 Leaves without pay not to exceed one (1) academic year may be granted to regular bargaining unit members. Requests are to be made through the first-level manager to the appropriate administrator. Criteria to be used in evaluation of the request include:

- a) Impact on the educational program.
- b) Appropriateness of the request to the individual bargaining unit member's assignment.
- c) Benefit to the District.

14.12.6 Absences other than those specified herein will be at the expense of the individual bargaining unit member.

14.13 Retraining Leave

14.13.1 When in the opinion of the District it is necessary for a regular bargaining unit member to be retrained (e.g., through employment, in-service, internship, or coursework, etc.) during an academic year, such leaves may be granted with the consent of the bargaining unit member subject to the following criteria:

- a) On-the-job experience is necessary to maintain recency in the field, improve teaching skills, and/or to keep up with changing technology.
- b) Changing community needs require retraining of the regular bargaining unit member for service in an existing or other area.
- c) There is a direct relationship to a bargaining unit member's current assignment.
- d) There is evidence that no other responsible alternative is available.

14.13.2 Whenever the intensive in-service training provides compensation, District compensation for the leave will be the difference between the current faculty contract and the training compensation. Existing bargaining unit member fringe benefits shall be maintained unless comparable benefits are provided by the in-service employer. Neither degree nor unit advancement credit for in-service training shall be granted. However, the

period of time a bargaining unit member spends in in-service training shall count toward service increments.

14.13.3 In accordance with current and/or anticipated needs of the District, and in an effort to maintain continued employment within the District, the District and the Association acknowledge that the primary responsibility for in-service/retraining resides with the bargaining unit member. In support of this effort, the District will develop a retraining plan and may use reassigned time as appropriate in consultation with the bargaining unit member.

14.13.4 Schools, areas, and the Faculty Senate, acting as a committee of the whole, may make recommendations regarding in-service training projects. Such recommendations shall be presented through the Chief Instructional Officer to the superintendent/president for Governing Board approval.

14.14 Reduced Workload

Regular bargaining unit members with at least ten (10) years of full-time service to the District are eligible for a reduced workload assignment.

14.14.1 The following conditions must be met to be eligible for a reduced workload:

- b) The employee must have reached the age of fifty-five (55) prior to reduction in workload.
- c) The employee must have had five (5) years of full-time faculty employment with the District, without a break in service, immediately preceding the reduction. Sabbatical leaves shall not constitute a break in service. Time spent on a sabbatical leave shall not be used in computing the five (5)-year full-time service requirement.
- d) The employee must have at least ten (10) years of full-time faculty experience with the District.
- e) A request for a reduced workload must be submitted in writing to the appropriate first-level manager on or before February 1 of the preceding academic year. Due to special circumstances, a time extension may be granted by the Chief Instructional Officer or designee.

ARTICLE 15 TRANSFER

15.1 Definition

For the purpose of this section, a "transfer" shall mean the reassignment of a contract/regular bargaining unit member for more than fifty (50) percent of his or her full-time load from one (1) school/area, department, or site to another. Transfers shall not be punitive or disciplinary in nature. They shall be based on the educational needs of the District.

15.2 Criteria

Bargaining unit members who are transferred must meet all the following criteria:

- a) Possesses the state minimum qualifications for hire, as defined in the Board of Governors' discipline list, or any District equivalencies that have been established. Possessing a California Community College life credential entitling a faculty member to teach in a discipline will not be itself sufficient to make a faculty member qualified for transfer;
- b) Possesses other District and/or external requirements of the position (e.g., external accrediting board requirements);
- c) Demonstrated recency of acquired knowledge, experience, and/or training that enables the bargaining unit member to teach or perform all required tasks and responsibilities of the assignment.

15.3 Voluntary Transfer

Regular bargaining unit members may request a voluntary transfer when there is a full-time position opening or prior to the creation of a full-time position opening.

15.3.1 Voluntary Transfer Procedure

- a) Opening Exists
 - The development of desirable qualifications shall be consistent with the process used for the hiring of tenure-track full-time faculty openings. The development of desirable qualifications must be completed before the position announcement is finalized and a Transfer Selection Team is determined.
 - The District shall provide the Association President with announcements of open faculty positions.
 - Human Resources shall email open position announcements to all full-time faculty.
 - Regular full-time faculty members desiring to transfer into an open full-time position shall file a Voluntary Transfer Request form within five (5) working days of posting.
 - It shall be the responsibility of the faculty member to provide the District with all non-Chaffey College District records necessary to substantiate the claim of meeting the criteria as specified in Section 15.2.
 - Within five (5) working days of the date the first-level manager of the school in which the opening exists receives the transfer request, the manager will notify the full-time discipline faculty of the request and the need to identify faculty to serve in the transfer selection process. Within ten (10) working days of that notification,

full-time faculty discipline peers shall select, by a majority vote, one (1) to three (3) full-time faculty discipline peers to serve on the transfer selection team. The Transfer Selection Team shall consist of the first-level manager of the school in which the opening exists, one coordinator from the discipline in which the opening exists, and the elected faculty discipline peer(s).

- A faculty discipline peer must meet the same minimum qualifications as the advertised position. In the event that discipline faculty are not available, the Labor Management Committee will convene to identify appropriate area specialist(s) to serve on the Transfer Selection Team.
- The first-level manager shall convene the Transfer Selection Team to review qualifications, interview transfer applicants, and make a recommendation to the appropriate vice president.
- Regular faculty members shall be considered before any external candidates are considered.
- Transfers are subject to approval of the first-level manager of the school in which the opening exists and the appropriate vice president. A regular faculty member who has been denied a voluntary transfer may, within five (5) working days of such denial, request a meeting with the first-level manager and the appropriate vice president to reconsider the decision. The meeting shall be scheduled and held within a reasonable time period.
- The subsequent decision of the first-level manager and vice president shall be final.

b) No Opening Exists

- A regular faculty member may also request a transfer when no opening has been announced by filing a Voluntary Transfer Request form with Human Resources. All requests for transfer submitted in this manner shall be kept on file until June 30 of the following year.
- If a need is determined for a possible transfer by the appropriate vice president, the process outlined in 15.3.1(a) shall apply.

15.4 Involuntary Transfer

The District may transfer a contract/regular bargaining unit member for any of the following reasons:

- a) Changes in District organization.
- b) Increases or decreases in enrollment.
- c) Addition or elimination of an educational service.
- d) Best educational interest of the District.
- e) Other reasons as determined by the District.

Except in cases of emergency¹ a contract/regular bargaining unit member who is to be involuntarily transferred shall be given written notice of the transfer no less than ten (10) working days before the transfer is to occur.

¹ An emergency is a sudden, generally unexpected occurrence or occasion requiring immediate action which affects District course offerings, facilities, or equipment, or otherwise involves an act of God or specific government order requiring the District to take certain action or refrain from taking certain action.

Within five (5) working days of the notice of involuntary transfer, a bargaining unit member may request a meeting to discuss the involuntary transfer with the first-level manager and appropriate vice president. Prior to the transfer, the meeting shall be scheduled and held with the first-level manager and the appropriate vice president to reconsider the decision.

The subsequent decision of the first-level manager and vice president shall be final.

15.5 Evaluation Resulting from Voluntary or Involuntary Transfer

Any faculty member either transferred on a voluntary or an involuntary basis shall be evaluated at least once in the first year of the transfer assignment in accordance with the procedures identified in Article 20. Once the faculty member has received a satisfactory evaluation in the transfer assignment, then he or she will return to the regular evaluation cycle for regular faculty and to the continuing evaluation cycle for contract faculty.

Directors and assistant directors (hereinafter referred to as “directors” unless otherwise noted) will perform all tasks/activities required of ESCs in addition to those required to direct the programs.

The District reserves the right to fill Health Sciences director positions with qualified administrative directors rather than faculty with reassigned time. Faculty directors will be compensated in the form of reassigned time, not stipends, and they may not work extra service/overload. Exceptions to the overload limitation, if any, must be pre-approved by the chief instructional officer.

Directors will be chosen from the pool of applicants by the first-level manager for the purpose of assisting the first-level manager as described in Section 18.5.6(g), and fulfilling the responsibilities of the licensing and/or accrediting agencies where applicable.

The evaluation shall address the duties and responsibilities as set forth in the position description and shall include a written self-evaluation, a peer evaluation, and a written evaluation by the appropriate first-level manager, which may include commendations, recommendations, and the confidential input of appropriate staff members and peers.

Peer evaluations shall be obtained by a written survey of regular, contract, and part-time faculty and other non-management employees in the program not to exceed a total of ten (10) employees chosen by mutual consent of the director and the first-level manager. In addition to the peer evaluations obtained by mutual consent, the first-level manager will accept timely survey responses from any faculty in the director's program. The first-level manager will give a two (2) week notification of the deadline for such responses to the faculty and others in the program. That person will not be eligible to serve again as a director for the five (5) years following their latest service unless that person is the only applicant for a re-advertised position or the first-level manager and the chief instructional officer have compelling reasons not to choose other qualified candidates. If the position is advertised and the applicant chosen is the current director who has already served at least five (5) years, that person will serve another year and the position will be re-advertised for the following year.
- g) Assistant directors of any Health Science program shall be in this position for a term of two (2) years. After the two-year period, the position will be rotated through the remaining qualified faculty based on seniority unless the first-level manager and the chief instructional officer have compelling reasons to choose the next senior faculty member. If it is a faculty's member turn to be assistant and the faculty wishes not to become an assistant, then their name will go to the bottom of the seniority list.
- h) The District shall advertise new, vacant, or reconfigured positions in accordance with established Human Resources recruitment practices. The advisory group shall consist of either three faculty from the program, three other Health Science directors, or a combination of both groups. When possible, the advisory group will consist of

one faculty member from the program chosen by the first-level manager; one faculty member from the program chosen by the other faculty members; and one faculty member chosen by the above two faculty. If there are not sufficient faculty in the program to form a three-member advisory group, directors from other Health Science programs will be chosen when no more program faculty are available.

The advisory group shall work with the first-level manager to develop interview questions, participate in the interview(s), and provide analysis to the first-level manager regarding specific strengths and weaknesses of the interviewed candidates.

18.5.2 Radiologic Technology (RT) Program

The Faculty Director of the RT Program shall receive \$17,000 annually. In order to meet the needs of the program, a maximum of twenty (20) additional service days (beyond the specified contracted service days as identified in 17.3.2) will be required of the faculty director of the RT program. These additional service days will be performed on non-service days as determined in consultation with the faculty director of the RT program and the first-level manager.

Full-time and part-time faculty headcount, as determined by the Office of Instruction, shall be estimated based on prior fiscal year total headcount at census and adjusted (increased or decreased) for the current year after the spring term census. The adjusted (increased or decreased) compensation shall, whenever possible, be distributed evenly over the remaining primary term payments. Operational budget shall be based on the adopted budget and adjusted based on the final budget.

Facility and equipment responsibility will be predetermined by administration and the amount added to the compensation for educational service coordinator assignments.

Longevity: After completing four (4) semesters as an educational services coordinator, longevity compensation in the amount of \$300 shall be paid and every year of coordinator service thereafter increased an additional \$100 annually. If a break in service as a coordinator exceeds five (5) years, longevity is lost. A coordinator position will be readvertised when a single person has been actively serving for five (5) consecutive years whether or not the position has been advertised during that time. That person will not be eligible to serve again as a coordinator for the five (5) years following their latest service unless that person is the only applicant for a readvertised position. These same conditions apply when multiple people share a single coordinator position over a five (5) year period.

A coordinator may elect to convert a portion of the coordinator compensation to reassigned time, not to exceed 40.00 FTEF at a cost of \$1,100 per equated hour. In programs for which reassigned time is mandated, the coordinator shall elect not less than the mandated reassigned time, and the coordinator compensation shall be reduced accordingly. The collective amount, which shall be allocated first by mandated programs and then by seniority number, for the entire group shall not exceed 440.00 FTEF during any academic year. If a coordinator elects to convert a portion of the coordinator compensation, the request must be received by Human Resources no later

The evaluation shall address the duties and responsibilities as set forth in the position description and shall include a written self-evaluation; a peer evaluation; a written evaluation by the appropriate first-level manager, which may include commendations, recommendations, and the confidential input of appropriate staff members and peers.

Peer evaluation shall be obtained by a written survey of regular, contract, and part-time faculty and other non-management employees in the coordinated program(s) or related areas not to exceed a total of ten (10) employees chosen by mutual consent. In addition to the peer evaluations obtained by mutual consent, the first-level manager will accept timely survey responses from any faculty in the coordinated area(s). The first-level manager will give two (2) weeks notification of the deadline for such responses to the faculty in the coordinated area(s). The standard District evaluation forms shall be used. The first-level manager will conduct the survey, tabulate and summarize its results, and share only the summarized results with the coordinator. The identity of any evaluator and verbatim comments shall not be shared by the first-level manager with the evaluatee. A summary of the survey results will be made available by the first-level manager for review upon request of the staff and faculty in the coordinated program(s) or department(s) for a period of one (1) month following the evaluation.

Therefore, a small department grant of \$3,000 per academic year is provided effective fall 2018. The grant shall be given to the department and distributed at the discretion of the full-time member(s) of the department. To be eligible for this grant the department must submit the distribution decision in writing to the first-level manager by April 15th of the preceding academic year. The submission must include the names, responsibilities and distribution of grant funds for the following academic year. Any recipient of small department grant money must be a full-time faculty member in the department to which the grant is awarded and may only receive one (1) small department grant or educational services coordinatorship per year. Exceptions must be by mutual agreement of the first-level manager, in consultation with the Chief Instructional Officer, and the full-time faculty of the department.

Small department grant responsibilities shall be limited to:

- Recruit, interview, recommend and orient part-time faculty members
- Perform community/industry outreach relative to their discipline or program
- Perform other specific duties that exceed the regular scale of 18.2.3

Beyond the above, facilities and equipment maintenance responsibilities may be appropriate. This additional responsibility for the maintenance, updating, and repair of equipment and facilities that significantly exceeds that which is expected of a classroom instructor will be predetermined by the administration and compensated as provided in 18.5.6(k).

By April 1 of the year being funded, recipients must submit on the Small Department Grant form a summary of the completed grant responsibilities performed within that academic year.

18.6 Counselors: Work Schedules

18.6.1 The full-time base load for counselors shall be 32 hours per week and 196 annual service days. As faculty, counselors are also required to perform a full professional service week as defined in Article 18.2.3. Full-time counselors may use up to one (1) hour per day but not more than a maximum of five (5) hours of the 32 weekly hours for desk-time. The scheduling of desk-time hours is subject to the approval of the first-level manager in order to meet the needs of the District. Desk-time hours for counselors are to be used in District facilities or sites and shall be utilized between appointments. The remaining portion of the 32 hours shall be used for scheduled counseling hours directly with students. Schedule changes must be pre-approved by the first-level manager or designee. If the District, as represented by the first-level manager or vice president, requires activities beyond the normal professional activities outlined in Article 18.2.3, the faculty member will receive reassigned time.

18.6.2 An eleven (11)-month contract is defined as covering the twelve (12)-month calendar year with counseling assignments based on flex-time schedule options that meet the peak periods and other legitimate needs of the District.

18.6.3 All regular contract counselors are expected to be scheduled during peak periods.

18.6.4 Flex-time and peak-period counseling assignment schedules covering the twelve (12)-month calendar year shall be determined:

- a) In consultation with the counselor and the first-level manager. (Refer to Section 18.10.1.)
- b) In the event that the District's needs are not being met by (a) above, the principle of inverse seniority will prevail.
- c) Once a counselor has been assigned by inverse seniority, his or her name rotates to the top of the seniority list and that counselor will not be assigned involuntarily to another flex schedule until all other counselors on the list have completed an assigned flex-time.

18.6.5 If a counselor is voluntarily scheduled for a Saturday and/or Sunday as part of the regular assignment load, such individual will not be scheduled for assignment load during an

equivalent number of weekdays (Monday through Friday), as mutually agreed to in writing by the faculty member and the first-level manager.

18.7 Temporary (Part-Time) Faculty Employees

Due to special circumstances, exceptions may be granted by the Chief Instructional Officer or designee.

18.7.2 When identifiable, temporary (part-time) faculty shall have their names included in the Schedule of Classes for their sections each term. Such inclusion shall not constitute a contract of employment between the faculty and the District, nor preclude any change in or deletion of assignment.

18.7.3 Nothing in this agreement prevents temporary part-time faculty from voluntary service on committees or service in the capacity of a chair position on a committee. Such service shall not constitute a contract of employment between the faculty member and the district.

18.7.4 Full-time faculty, in accordance with section 18.10.1, will recommend assignments to the first-level manager (FLM). After assignments have been determined for the full-time faculty, the remaining assignments will be offered to part-time faculty during the initial scheduling round using the tier system below.

Tiers and Criteria

Teaching Assignments. A part-time faculty member shall have Tier 3 re-employment preference status for teaching assignments within a discipline or program area if all of the following criteria are satisfied at the time of scheduling:

- e) The part-time faculty member submits the completed Chaffey College Availability Form to the FLM, or designee, by the established due date.

A part-time faculty member shall have Tier 2 re-employment preference status for teaching assignments within a discipline or program area if all of the following criteria are satisfied at the time of scheduling:

- e) The part-time faculty member submits the completed Chaffey College Availability Form to the FLM, or designee, by the established due date.

Non-teaching Assignments. A part-time faculty member shall have Tier 3 re-employment preference status for a non-teaching assignment within a program area if all of the following criteria are satisfied at the time of scheduling:

- a) The part-time faculty member has received a “Satisfactory” rating on both of the two most recent evaluations within the program area;
- b) The part-time faculty member is at Step 3 or higher on the Part-Time Compensation Schedule;

- e) The part-time faculty member submits the completed Chaffey College Availability Form to the FLM, or to the FLM’s designee, by the established due date.

A part-time faculty member shall have Tier 2 re-employment preference status for a non-teaching assignment within a program area if all of the following criteria are satisfied at the time of scheduling:

- e) The part-time faculty member submits the completed official Availability Form to the FLM, or to the FLM's designee, by the established due date.

Any part-time faculty member at Step 1 on the part-time compensation schedule will not have any re-employment preference status. Tier 1 consists of all part-time faculty that have not met criteria for Tier 2 or 3.

Changes in Tier Status

The District shall notify each part-time faculty member and the Association President via District email whenever re-employment preference status is attained, changed or terminated. Whenever any re-employment preference status is terminated, the District shall state the specific reason(s) for the termination in the notification. A part-time faculty member's re-employment preference status may be terminated for failing to satisfy the required criteria. Once terminated, a re-employment preference status cannot be reinstated during the same term in which it was terminated, but it shall be reinstated for future terms as soon as the criteria are once again satisfied.

The District shall provide to the Association a list of all part-time faculty members that have re-employment preference status annually on or before February 1.

Special Circumstances

The District and the Association agree that a program or discipline may offer certain specific courses that require the instructor to have expertise beyond the established minimum qualifications for that program or discipline. The full-time faculty in each program or discipline shall determine the list of such specific courses and make their list available to the FLM who shall keep a record of it. It is the responsibility of the part-time faculty member to provide evidence of expertise to the FLM, or the FLM's designee, in order to be assigned to teach such a course. Evidence of expertise may include, but is not limited to, successfully completed pertinent coursework, experience teaching in the delivery mode (on-line/hybrid/fast track) and/or demonstrated work experience that is directly related to the specific course. Whenever possible, the FLM shall consult with the subject specialist(s) within the program to determine if the evidence of expertise is adequate.

Assignment Procedures

A part-time faculty with Tier 3 re-employment preference status, and who meets the qualifications for specific assignments, will be offered an assignment before part-time faculty with Tier 2 re-employment preference. A part-time faculty with Tier 2 re-employment preference status, and who meets the qualifications for specific assignments, will be offered an assignment before part-time faculty that do not have any re-employment preference status. If two or more part-time faculty with the same re-employment preference status are qualified for the same assignment, then the part-time faculty member with the earliest hire date will be first offered the assignment. If the part-time faculty mentioned in the previous sentence have identical hire dates, the assignment will be determined by the first-level-manager.

In subsequent scheduling rounds, the FLM will make every effort to apply the tier system whenever possible.

In all cases, part-time faculty assignments shall be temporary in nature, consistent with the California Education Code.

- 18.7.5** For the initial round of primary term assignments (fall and spring), the first-level manager will make every attempt to use the mutually agreed upon form(s) to solicit the scheduling availability of part-time faculty, to offer the assignments, and/or to communicate the recommendation not to employ for a specific term (if applicable). Also for the initial round of primary term assignments, each spring semester, the following time frame shall be used to solicit the scheduling availability of the then current part-time faculty, to offer the assignments for the upcoming academic year, and/or to communicate the recommendation not to employ for any of these terms (if applicable):

Term	FLM solicits availability by:	PT Faculty submits availability by:	FLM makes offer or no offer in writing by:	PT Faculty submits written acceptance within:
For fall session	February 1	February 15	April 15	7 calendar days
For spring session	February 1	February 15	October 15	7 calendar days

The coordinators may recommend appointments to the first-level manager and may communicate assignments and additional information, but the final recommendation for the employment of part-time faculty is made by the first-level manager.

It is understood that subsequent requests, responses, assignments, and communications may be required during and after the initial round of primary term assignments.

18.8 Extra Service/Overload

- 18.8.1** Except with the approval of the administration, contract/regular full-time faculty may not teach beyond their regular full-time assignments more than eight (8) hours equated load (26.67 FTEF) in any given term.
- 18.8.2** Unless load averaging has been applied, contract/regular full-time faculty may not teach beyond their regular full-time assignment for the purpose of extra service (overload) credit until base load (18.3.1) has been assigned.
- 18.8.3** Unless load averaging has been applied, contract/regular full-time non-teaching faculty may not serve beyond the regular full-time assignment for the purpose of extra service (overload) credit until base load (18.3.2) has been assigned.
- 18.8.4** Counselors, reference librarians, health services nurses, and instructional specialists may not work more than eight (8) equated hours (26.67 FTEF) in any given term in an extra service assignment capacity related to their full-time assignments. Counselors, reference librarians, health services nurses, and instructional specialists, may not be assigned to extra service teaching assignments during the same term that they are employed in extra service counseling, library service, or health services nursing assignments. Exceptions to this must be approved by the first-level manager.

18.8.5 All extra service (overload) assignments for bargaining unit members shall be compensated at the prevailing hourly rate unless load averaging has been applied.

18.9.2 For all terms, in the week before the first scheduled meeting, sections falling below the minimum enrollment shall be identified by the first-level manager. These sections will not be cancelled due to low enrollment until the following process occurs: For each section subject to cancellation, the first-level manager or designee will contact the instructor(s) of record via District email on a business day. This email shall be sent prior to cancelling the section with the purpose of consultation regarding cancellation. If the instructor of record responds to the email by the end of the next business day, then after consultation, the first-level manager will make a decision about cancelling the section. If the instructor of record does not respond to the email by the end of the next business day, then the first-level manager may proceed with cancelling the section.

Prior to the week before the first scheduled meeting, a first-level manager may cancel a section for any reason with mutual agreement from the instructor(s) of record.

18.9.3 For all terms, commencing with the first scheduled meeting through the second class meeting, sections that have less than the minimum section enrollment as identified in 18.9.1 are subject to cancellation unless a variance is granted by the first-level manager. During this period, sections that have at least the minimum section enrollment as identified in 18.9.1 are not subject to cancellation for low enrollment.

18.9.4 For all terms, under normal circumstances, no sections shall be canceled after the timeframe identified in 18.9.3.

18.9.5 For all terms, variances to the minimum enrollment are subject to approval by the first-level manager. To promote student success, exceptions to the minimum enrollment shall be considered by the first-level manager and may include the following:

- a) Late registration may add sufficiently to enrollment.
- b) Courses are needed for transfer.
- c) Courses are needed for completion of a certificate or degree.
- d) There are a limited number of work stations.
- e) Courses are sequential.
- f) Only one section of a course is being offered.

18.9.6 The enrollment shall be limited to the number of work stations or the physical limitations of the facility as made available by the District. In no case shall enrollment exceed

maximum allowable occupancy as established by Title 5 and the appropriate fire authorities.

- 18.9.7** Course and section enrollments are administrative matters which shall be set by the first-level manager and the Chief Instructional Officer in consultation with the appropriate faculty member(s) of the program or discipline.

- 18.10.4** Saturday and Sunday assignments shall be voluntary, either as a part of a regular load or as an overload, and shall not be used for load adjustment except by mutual consent of the first-level manager and the bargaining unit member.

For every weekend day (Saturday and/or Sunday) a faculty member is assigned the faculty member will not be scheduled during an equivalent number of weekdays (Monday through Friday). This arrangement must be mutually agreed to in writing by the faculty member and the first-level manager.

- 18.10.5** Semester assignments that are split between more than two (2) different District sites or daily assignments that require more than one (1) trip between sites as part of a regular load shall be voluntary. A District site is the main campus or an off-campus location. If the faculty member accepts the assignment, then 18.11.1 applies.
- 18.10.6** When a section assigned to be taught by any full-time bargaining unit member is canceled due to low enrollment, the bargaining unit member's teaching load will be adjusted by assignment to another section or by load averaging (see 18.3.6) in a subsequent term or terms. In such circumstances, the bargaining unit member shall provide, on a District form, evidence of vehicle insurance to the District's Business Office. Non-compliance with the aforementioned will not require any reimbursement for such mileage by the District. Such reimbursement shall be for the mileage traveled between the sites.

Mileage reimbursement is not allowed for travel to and from the bargaining unit member's residence to the assignment location.

All bargaining unit members authorized for mileage are required to have a valid California driver's license and a minimum property damage and public liability insurance as required by the State of California under the Financial Responsibility Act. Travel to and from the assigned duty shall be recompensed at the Internal Revenue Service (IRS) mileage rate. Changes in the IRS rate will take effect the following fiscal year.

Assignment of faculty to off-campus sites lies within the District Right of Assignment.

Faculty members are regularly assigned access to District equipment, materials, and services including but not limited to computers and printers, keys, swipe cards to offices and classrooms, email and voicemail accounts, special textbooks and software, and other technological and adaptive equipment. Such equipment, materials and services shall be used exclusively by the individual to whom they are assigned. Faculty shall regularly monitor and respond, as appropriate, to their District-issued email and voicemail accounts. Upon separation from the assignment, or during an extended leave, faculty members must return such District equipment and materials prior to receipt of the last pay warrant. The math instructor will be responsible for the training of the Reader Assistant and any grades assigned to the daily assignments.

At the end of the 2018-2019 academic year, the Dean of Institutional Research will perform a comparative analysis to determine the significance of daily in-class assessments which are marked and analyzed by Reader Assistants. The comparative analysis shall be completed by spring 2020 and presented to the fact-finding group at that time. The fact-finding group will then provide the information to the negotiating teams.

18.12 Final Examination Period

**ARTICLE 20
EVALUATION PROCEDURES**

The purpose of evaluation is to recognize excellent and satisfactory performance in the areas of instruction, counseling, and other educational services assigned by the District; to identify areas of performance needing improvement; and to document unsatisfactory performance of the faculty member. All evaluations are final and non-grievable.

The evaluation procedures are based on the assumption that the faculty are competent and professional. These procedures have been designed to provide a uniform and fair evaluation process in accord with due process of law.

20.2.2 Needs Improvement. This rating indicates that the performance of the evaluatee is seriously deficient and needs definite strengthening. This rating shall designate specific areas to be improved and delineate how improvement may be accomplished. Should sufficient improvement not be shown during subsequent evaluations, the evaluatee's rating will be considered unsatisfactory. For full-time faculty, poor performance in the categories of Section 18.2.3 may lead to an overall needs improvement rating.

20.2.3 Unsatisfactory. This rating indicates that the performance of the evaluatee is below minimum standards or has failed to show sufficiently improved performance from a Needs Improvement rating. In accordance with the provisions of the California Education Code, an “Unsatisfactory” rating may result in appropriate administrative action including non-retention. The plan should include specific areas of needed improvement, means of improvement, resources available to the evaluatee, and a timeframe within which the improvement is to be implemented and accomplished. The first-level manager, in consultation with the initial faculty evaluator, shall determine the evaluator for the subsequent evaluation.
- g) At the conclusion of the process described above, the first-level manager will provide a copy of the evaluation materials to the evaluatee.
- h) Additional evaluations may be conducted at the discretion of the first-level manager or the faculty evaluator.
- i) Student evaluations of faculty members shall be conducted as part of any evaluation process.

Computation of percent of parity for the Lab and Instructional Support Rate schedules shall use the hourly rates at Step 2.

1. Average the annual pay for teaching a full load at step two of the hourly rate for lab ($\$67 * 35 \text{wk} * 15 \text{hr} / 0.9 = \$39,083$) with the same for instructional support ($\$57 * 35 \text{wk} * 32 \text{hr} = \$63,840$) to get \$50,352.
2. Divide the average ($\$63,840$) by 250 students, yielding \$255.36 per student. Round to the nearest dollar: $\$255.36 = \255 per student.

21.2.5 Independent Study Rate Schedule. Compensation for Independent Study shall be \$201 per student. Faculty may take no more than two (2) Independent Study students per semester, except by mutual agreement between the faculty member and the first-level manager.

21.2.8 Column Advancement. Column advancement is effective as of the first service day of the fall term each year. It is the responsibility of the bargaining unit member to petition the District for column advancement. A form for this petitioning process will be made available to members of the Bargaining Unit. The receipt of the column advancement form, including relevant documentation for the subsequent fall term, must be received by Human Resources no later than June 30. All units and degrees must meet the criteria identified in Section 22.2.2 of the Agreement. Units as used in this procedure refer to semester units.

21.2.9 Parity

a) **Definition of Parity Compensation.** Parity Compensation is defined as seventy (70) percent of the contract/regular salary schedule, Steps 4 through 9 of Columns 1 and 2. This provision applies to temporary part-time faculty assignments and to full-time faculty overload assignments. This compensation shall take effect only in the event that the additional cost is fully funded by additional state money for the purpose of parity. In the event of partial funding for parity, the entire amount of the additional funds shall be used to improve compensation for temporary part-time faculty and full-time faculty overload assignments. Parity compensation covers the following components of the professional service obligation:

- preparing for teaching, counseling, or library services depending on assignment

Continuing part-time, contract, and regular faculty whose first paid service day was prior to fall 2003 or the implementation of the parity, whichever is later, will receive credit for each step currently held under the part-time compensation schedule. The maximum initial placement on the appropriate schedule for all faculty hired after parity is implemented shall be at step 4 of the contract/regular salary schedule. Assessment of units and degrees relevant to placement on the salary schedule will be consistent.
2. Y-Rating. Continuing part-time, contract, and regular faculty whose first-paid service day was prior to fall 2003 or the implementation of the parity, whichever is later, will be Y-Rated until their placement on the appropriate part-time schedule is at a higher rate. This includes, but is not limited to, all Self-Paced/Arranged Hours (.60) and Non-instructional and Instructional Specialists (.46).
3. Step Advancement. Beginning July 1, 2002, step advancement will be effective as of the first service day of the fall term each year. The Human Resources Office will grant each part-time faculty member step advancement according to the following guidelines:

Step 4 First-time hires or part-time faculty rehired after a three (3)-year (or six (6) semesters) break in service, summer excluded.

Step 5 Placement after completion of 100 FTEF of service at the Chaffey Community College District, for a minimum of four (4) academic terms, at step 4, summer and substitution excluded. If a break in service exceeds three (3) years, placement is at step 4.

Step 8 Placement after completion of 100 FTEF of service at the Chaffey Community College District, for a minimum of four (4) academic terms, at step 7, summer and substitution excluded. If a break in service exceeds three (3) years, placement is at step 4.

Step 9 Placement after completion of 100 FTEF of service at the Chaffey Community College District, for a minimum of four (4) academic terms, at step 8, summer and substitution excluded. If a break in service exceeds three (3) years, placement is at step 4.

No more than one (1) step will be awarded a faculty member in any one (1) year. No retroactive adjustments shall be provided for work performed prior to fall 2002.

22.1 Initial Placement on Schedule

Units and degrees must be from an accredited institution and verified by official transcripts. All graduate level academic units and degrees used for initial placement on the salary schedule shall be earned at institutions accredited by an organization or association recognized by the Council for Higher Education Accreditation. Once verified, step placement may take place according to the criteria below.

22.1.1 Step Placement

Bargaining unit members are placed on the appropriate step as determined by the following criteria:

- a) One (1) step will be granted for each full year of appropriate academic experience with a maximum credit of eight (8) steps from this source.
- b) One (1) step will be granted for each one (1) year of full-time vocational experience directly related to the assignment with a maximum credit of eight (8) steps from this source.
- c) Total credits for salary schedule placement shall not exceed eight (8) steps.

22.1.2 Column Placement

Bargaining unit members are placed on the appropriate column as determined by the following criteria:

- a) Unit credit is limited to seventy-five (75) semester units or 112.5 quarter units.
- b) Upper division and graduate units earned after the bachelor's degree are counted in excess of that degree.
- c) Under special circumstances, certain undergraduate credit units (with an earned grade of "C" or better) may be used if, upon review of the Office of Human Resources, it is determined that (a) the units directly relate to one's assignment or were earned at an institution that provides coursework to maintain licensure, and (b) if the documentation was submitted in a timely manner (within thirty (30) days of employment). Management's decision is final and non-grievable.

Acceptance of units and degrees from universities outside of the United States is subject to a determination of equivalency by an evaluation service recognized by the District. All costs associated with this evaluation shall be borne by the faculty member.

Honorary degrees are not acceptable for placement on the salary schedule.

Units which did not provide credit and units which are duplicated will not be applied for placement on the salary schedule.

22.1.3 Column Designation

COLUMN 1 Meets the state's minimum requirements through equivalencies: e.g., possession of a valid California credential authorizing community college service or possession of a bachelor's degree from an accredited college/university and less than forty-five (45) units completed after the bachelor's degree.

COLUMN 2 Possession of a master's degree from an accredited college/university, OR Possession of a bachelor's degree from an accredited college/university and forty-five (45) units completed after the bachelor's degree.

COLUMN 3 Possession of a master's degree from an accredited college/university and sixty (60) units completed after the bachelor's degree, OR Possession of a bachelor's degree from an accredited college/university and seventy-five (75) units completed after the bachelor's degree.

COLUMN 4 Possession of an earned doctorate from an accredited college/university.

Note: "Units" as used in this procedure refers to semester units.

22.2 Advancement on the Schedule

22.2.1 Step Advancement

- a) Each instructor shall be granted one (1) step on the salary schedule for each year of service at Chaffey College until the maximum is reached.
- b) Advancement to the next step requires 116 service days within the academic year, excluding summer session for a regularly employed instructor who is not on sabbatical.
- c) A faculty member shall be deemed to have completed his or her first contract year as a probationary faculty member if he or she provides service for seventy-five (75) percent of the first academic year, and shall, if employed for the succeeding year, be granted one (1) full year of service credit for purposes of advancement on the salary schedule.
- d) Veterans who were classified as regular faculty members at Chaffey College prior to going into active service receive one (1) step for each two (2) years of service. However, should war occur or a national emergency be declared, then one (1) step shall be given for each year of service.

22.2.2 Column Advancement

Eligibility

- a) All graduate level academic units and degrees used for advancement on the salary schedule shall be earned at institutions accredited by an organization or association recognized by the Council for Higher Education Accreditation.
- b) Under special circumstances, certain undergraduate units may be used if, upon review of the Chief Instructional Officer or designee, it is determined that (a) the units directly relate to one's assignment or were earned at an institution that provides coursework to

maintain licensure (eighteen (18) contact hours of training equals one (1) unit or credit effective fall term 2001) and (b) the request was made in a timely manner (prior approval for existing employees; within thirty (30) days of employment for new employees). Management's decision is final and non-grievable.

Acceptance of units and degrees from universities outside of the United States are subject to a determination of equivalency by an evaluation service recognized by the District. All costs associated with this evaluation shall be borne by the faculty member.

Honorary degrees are not acceptable for advancement on the salary schedule.
