

Rancho Campus - Fall 2026 Semester

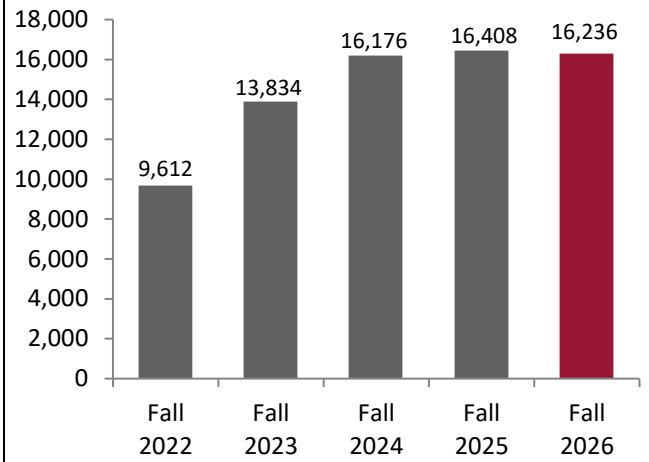

Covering credit enrollments as of first census (September 10, 2026)

Unduplicated Student Headcount

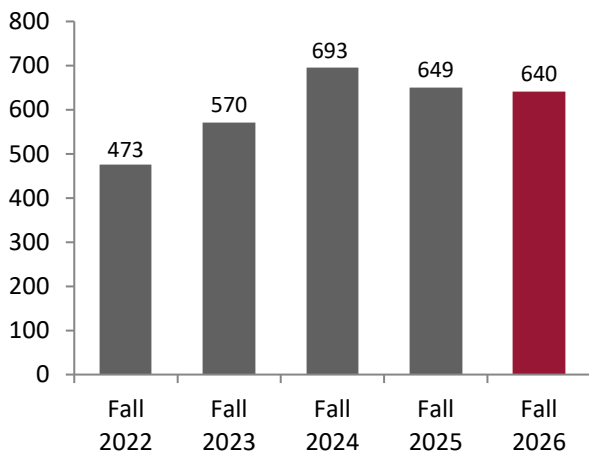

While Rancho campus headcount and enrollment have remained nearly static over the past three years, both metrics are up more than 60% compared to Fall 2022.

Number of Credit Enrollments

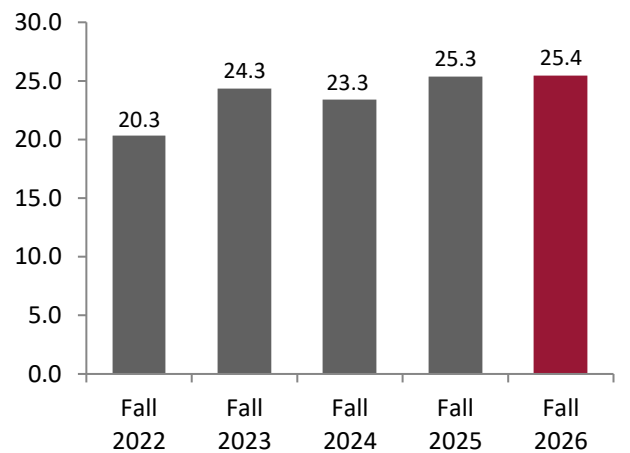

Number of Credit Sections Offered

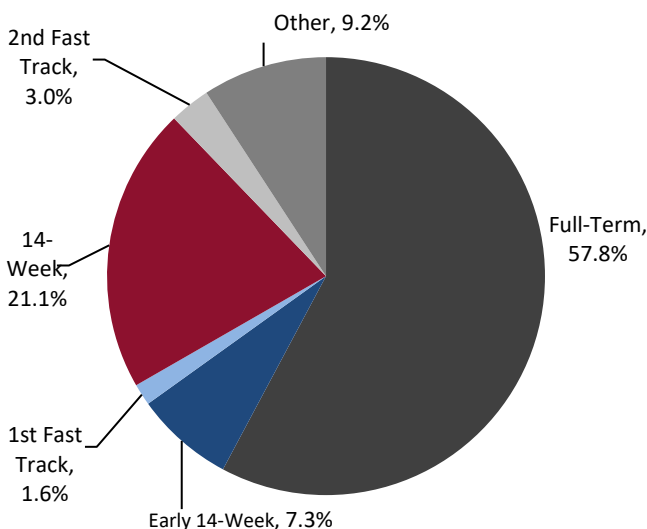

While the number of section offerings is slightly down from last fall, the average class size has stayed relatively the same.

Average Number of Students Per Section

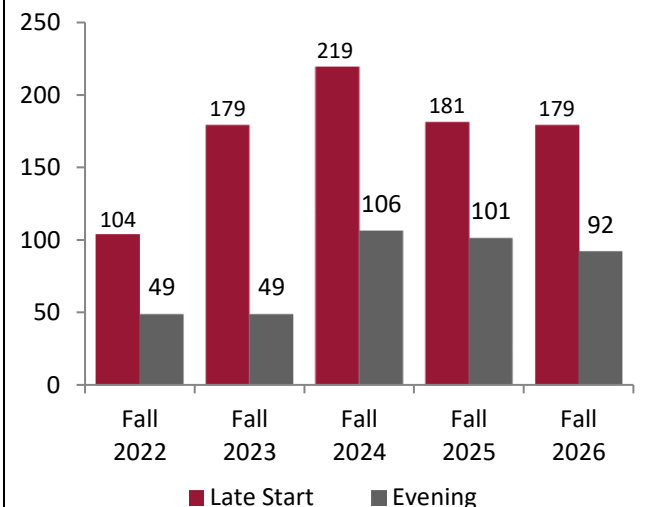

Section Distribution by Session Length

← The distribution of full-term credit courses increased from last fall (55.6%).

→ Despite some year-over-year declines, late-start and evening sections grew 72% and 88% respectively since Fall 2022, highlighting the district's commitment to flexible scheduling.

Number of Late Start and Evening Sections

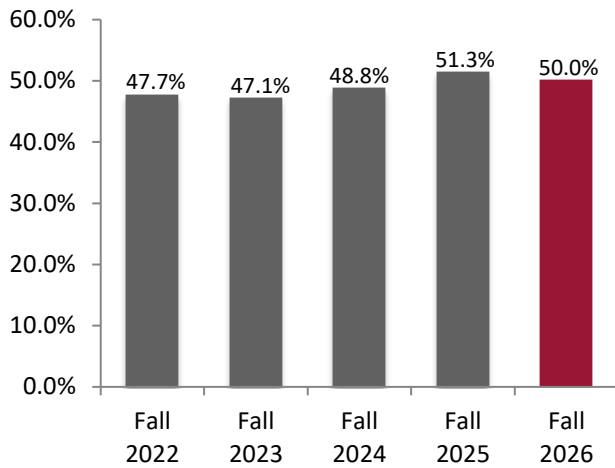

Chaffey College

Rancho Campus - Fall 2026 Semester

Covering credit enrollments as of first census (September 10, 2026)

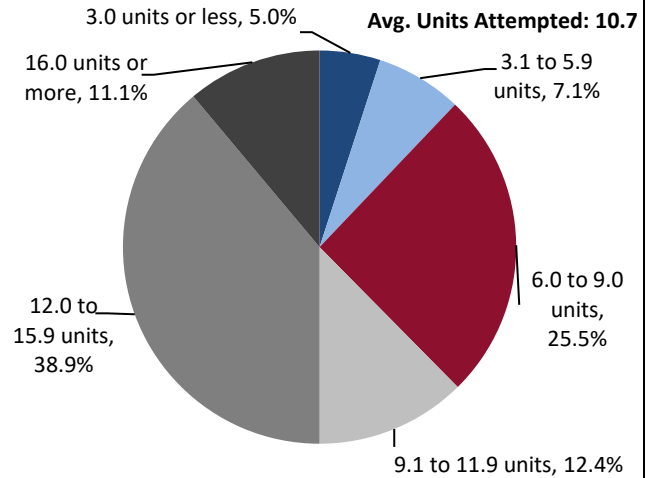

Full-Time Student Enrollment Comparison

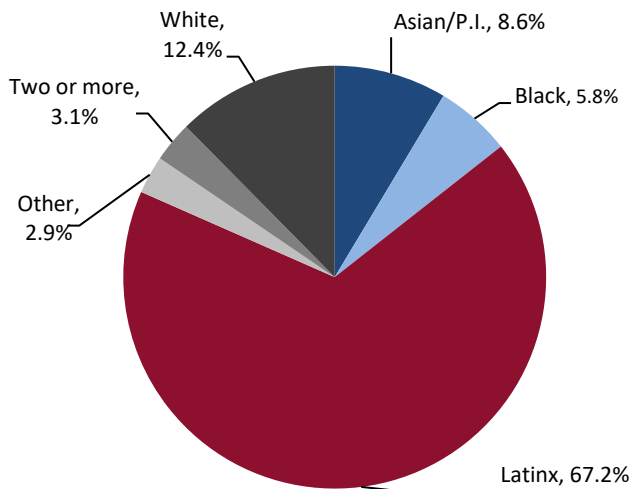

Full-time enrollment dipped slightly but remains fairly stable, with half of all students carrying a full-time course load.

Students are actively enrolled in an average of 10.7 units, which is greater than the district average (8.4).

Units Attempted Ranges

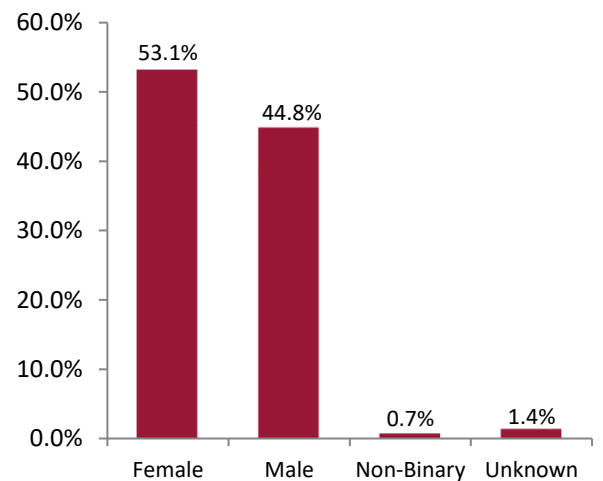

Student Ethnicity

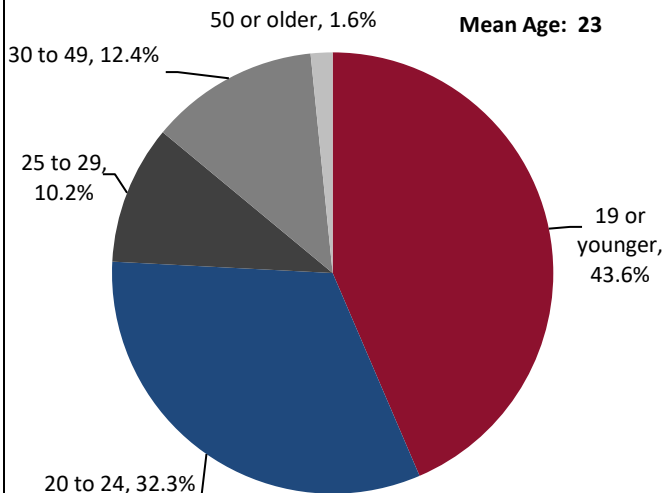

84.7% of students are from historically under-represented student populations.

The distribution of male students is greater than the district (38.5%).

Student Gender

Student Age

Mean student age is one year less than the district mean age (24).

Approx. 27.6% of all students reside outside of the Chaffey District boundaries.

Residency Status
