

Did You Know?

Transfers to Four-Year Institutions

Overview: The Office of Institutional Research [data dashboards](#) offer Chaffeyans easy access to a wealth of college data. The newest dashboard provides data on Chaffey College student [transfers to four-year institutions](#); specifically, CSUs, UCs, In-State-Private (ISP), and Out-of-State (OOS) institutions. For CSU and UC transfers, information is disaggregated by gender and ethnicity. The user can further filter the information by campus, discipline, and concentration of study. For the In-State-Private and Out-of-State transfers, the user can filter the information by Institution Name.

Transfers by Enrollment Year and System

In 2023-24, Hispanic students made up about 63% of the total Chaffey College population, but only 45% of the UC transfers

Top Transfer Destinations
