Student Life, Equity, and Engagement Events during Fall 2025

Overview: During fall 2025, the **student life, equity, and engagement team hosted 101 events** to promote equity and engagement on campus! At many (but not all) of the events, students were asked to respond to a brief online survey to assess their satisfaction with the event and solicit recommendations for future events. During the Fall 2025 semester, 1,833 students responded to the survey. The highest number of survey responses were received during Welcome Week (n=842). Note, the survey is optional so the number of surveys received does not accurately reflect the number of students who attended an event.
