

10. PARKING CITATION PAYMENT PLAN

A registered owner (CVC 460, 505) or person responsible for vehicle citations received on Chaffey Community College District property shall be eligible to enroll in a payment plan when they have multiple unpaid parking citations.

The fee to enroll in a payment plan is \$25.

Applied late fees, as well as any late fees not yet applied, will be placed in abeyance while the payment plan is in place. If the individual adheres to the plan terms, these late fees will be waived once the payment plan is complete.

- (a) If an individual defaults on the payment plan, a subsequent payment plan will not be offered for those citations and any late fees placed in abeyance will be immediately reinstated. The total amount due, including all late fees, will be submitted to the appropriate Department of Motor Vehicles for a Registration hold on the vehicle. An Academic Hold will be placed on the Students records until the total fees are paid in full.
- (b) The request for a payment plan must be made before the citation is transferred to DMV for collection. (21 days after issue of the citation).

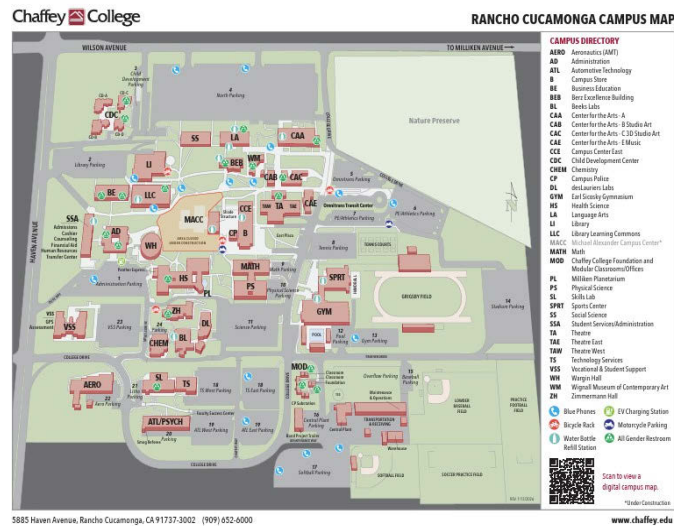

Once the payment plan is in place and the individual is adhering to its terms, an itemization of unpaid parking penalties and service fees will not be filed with the DMV (also known as a "DMV Registration Hold") and any DMV Registration Hold in place will be temporarily removed pending satisfactory completing the payment plan.

PARKING AND TRAFFIC RULES AND REGULATIONS

1. GENERAL INFORMATION

Authorization is granted to the Campus Police Department of the Chaffey Community College District by the Governing Board to issue traffic and parking citations on the grounds owned and operated by the District. Citations may be issued for violations of:

- 1 Regulations set forth by the Governing Board
- 2 California Vehicle Code

Campus Police Officers and Cadets are authorized to issue citations based upon the regulations set forth in this publication. They are not authorized to grant any privileges deviating from the regulations.

Chaffey College, like most colleges does not guarantee a parking space for all students during peak periods and therefore cannot guarantee parking, nor does the college accept liability for damages sustained to vehicles in the use of its parking facilities. Please remember that our regulations are for the purpose of protecting vehicles from damage and to insure the safety of all. Irresponsibility regarding traffic and parking regulations may result in a citation, restriction, suspension, and/or towing of vehicle at the owners expense.

Your cooperation in adhering to the college's regulations will certainly reduce potential safety hazards and assist the Campus Police staff in performing their duties.

2. PARKING PERMITS

All vehicles parked on grounds owned or operated by the Chaffey Community College District must have a valid parking permit. Semester parking permits must be purchased online through the MyChaffey Portal and are registered electronically to the vehicle's license plate; no physical permit or decal is required. Daily parking permits may be purchased through the ParkMobile mobile application or at on-site parking permit dispensers, with paper receipts required to be displayed when issued. **On-site parking permit dispensers are located near blue emergency phones throughout campus parking lots.**

Once purchased, refunds for semester parking permits are made only if all classes are dropped in the first two weeks of the fall and spring semesters and during the first ten percent of the course length for summer session. (Refer to Schedule of Classes catalog for the Refund/Credit policy).

REPLACEMENT:

Parking permits are registered electronically, and physical decals are no longer required to be displayed. When you sell or change ownership of a vehicle, you must update your license plate number and vehicle information through your MyChaffey Portal. It is the permit holder's responsibility to ensure all vehicle information remains current.

3. TEMPORARY PERMITS

Staff members or students who hold a valid parking permit and use a different vehicle must add the license plate through the MyChaffey Portal and select the vehicle as primary.

4. GUEST PARKING

Guest Parking Permits can be issued in advance by any department of Chaffey College. Guest Parking Permits must be displayed on the driver's side front dashboard, visible from the outside of the vehicle. Guest permits are not valid in reserved or staff stalls.

5. CITATIONS

Vehicles may be issued citations for illegal parking, failure to register a current vehicle license plate, failure to properly display a daily parking pass receipt when required, or for any other violation of campus parking rules and regulations. California Vehicle Code violations may also be enforced, and traffic citations may be issued.

IMPORTANT-Citations can be paid online or by mailing the fine to our Citation Processing Center. Payments must be made within 21 days of the date the citation was issued. When fines are not paid within the time restraints the fine is doubled and a hold will be placed on the license plate registration at DMV. For further information call 909-652-6632 or online at <https://chaffey.citationportal.com>

6. CONTESTING PARKING CITATIONS

Any person who believes a parking citation was issued in error may submit an appeal online through the Chaffey College Campus Police Office. Appeals must be filed within 21 calendar days of the citation issue date or within 14 days from the mailing date of a Notice of Delinquent Parking Violation, in accordance with California Vehicle Code timelines and procedures listed on the citation notice.

According to California law, disregarding of citations will result in the filing of a complaint and renewal of vehicle registration is contingent upon compliance. Any vehicle with five or more outstanding parking citations is subject to tow and storage at owner's expense.

7. CLARIFICATION OF PARKING AND TRAFFIC REGULATIONS

Any questions regarding parking fees, campus parking rules and regulations should be directed to the Campus Police Department, at 909-652-6632.

8. TRAFFIC REGULATIONS
