### MISSION STATEMENT

*The TEST Team, in partnership with the Chaffey Connects Team, utilizes a multidisciplinary approach to addressing mental health and safety concerns to ensure student success and enhance campus safety.*

### WHAT IS THE TEST TEAM?

TEST is a collaborative team embedded within Campus Police and managed by the Chief of Police which provides proactive assessment, intervention, early screening and identification, short-term case management and monitoring, training, and program consultation for persons in need of services. The TEST co-response team consist of a Campus Police Officer and a San Bernardino County Social Worker II. The primary mission is to ensure student success and enhance campus safety by responding to crisis and mental health concerns in the campus community.

### SERVICE AREAS:

Chaffey College has 3 campuses, 3 satellite facilities, and 2 developing campuses in Fontana and Ontario. The Chaffey College Police Department provides public safety and police services for approximately 22,000 students, faculty and staff. TEST was established to address growing concerns with crisis, mental health, and substance abuse challenges that can become concerns to our campus community.
