The policy-making process shall be open and inclusive and shall seek public input, as well as the expertise of those within the District.

The policies of the Governing Board shall be subject to amendment only upon a majority vote of the members of the Governing Board at a meeting in the call for which the proposed amendment has been described in writing, or upon a unanimous vote of all Governing Board members when no such notice has been given.

The Governing Board, when it is found to be in the best interest of the District may, by a majority vote, suspend its rules and take statutorily authorized action overriding previously adopted policy.

The Governing Board shall regularly review District policies and revise them as necessary. The Governing Board shall regularly assess its policies for effectiveness in fulfilling the District’s mission.

Copies of all board policies and administrative procedures shall be readily available to District employees through the Superintendent/President.

Administrative Procedures

Such administrative procedures shall be consistent with the intent of Board Policy. Administrative procedures may be revised as deemed necessary by the Superintendent/President.

The Superintendent/President shall annually provide each member of the Governing Board with information regarding recently updated administrative procedures as well as a reminder to review the documents on the District’s website.
