

## **BP 4104 Contract Education**

Contract education is defined as those situations in which a community college district contracts with a public or private entity for the purposes of providing instruction or services or both by the community college. The District may provide educational, training, and related services to public and private organizations or individuals by means of contract education in those circumstances where the District is prohibited from using public funds to provide the requested training or services, or where public funds are not available to provide the training or services. All contract education activities shall produce sufficient revenue to cover all costs associated with the training or services provided. All contract education activities provided by the District are within the definition and scope of contract education provided in Title 5 Section 55170 and Education Code Sections 78020-78023.
