OVERVIEW OF REVISIONS

The District was informed by KI that a few items on the Standards Program needed to be revised due to offering changes. The attached documentation reflects only these two changes. All other information published in the June 2022 program documents remain relevant.

Dovetail has evaluated the recommended products and agrees that they meet the performance requirements of the District.

FURNITURE APPLICATION MATRIX

Please refer to each product's page for details regarding specification information. Many items will require specific details for quoting, based upon the project requirements. All items and required services have been vetted through the performance lens of the District as well as the FCCC CollegeBuys program.

It is recommended that an evaluation of the program's efficacy be scheduled within two (2) years of the program's initiation.

FF&E STANDARDS DOCUMENTATION ACADEMIC APPLICATIONS
