

HYBRID AND ONLINE DISTANCE EDUCATION

ACCESSING YOUR HYBRID OR ONLINE COURSE

Canvas is the course management system used by faculty at Chaffey College for the delivery of both hybrid and online classes. **Students enrolled in a hybrid or online class will be granted access within Canvas after noon on the first scheduled day of class to complete online course work.**

HOW TO ACCESS CANVAS:

1. Select the Canvas link in your MyChaffey Portal (The link is located on the Launchpad)
2. Type in your log in credentials:
 - Username = MyChaffey Portal Username
 - Password = MyChaffey Portal Password
3. Agree to the terms and conditions of using Canvas
4. Select a course from your Canvas Dashboard

IS YOUR COMPUTER DISTANCE EDUCATION READY?

Before you get started with your online coursework, check a few things to be sure your computer is ready for online learning:

- Your internet connection is reliable and speedy!
- You have an updated internet browser installed. Canvas supports the latest versions of **Google Chrome**, **Firefox**, and **Safari**.

The right browser will make all the difference!

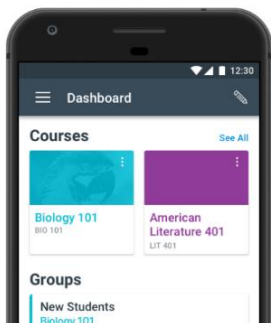

FAMILIARIZE YOURSELF WITH CANVAS BEFORE CLASSES BEGIN

Distance Education has put together a self-paced course that contains tutorials and instructions to prepare students for using Canvas at Chaffey College. You may access Chaffey's Canvas "Look Around" course via the Distance Education website at http://libguides.chaffey.edu/distance_ed/students.

INFORMATION REGARDING REGISTRATION, THE WAIT LIST/ADD PROCESS, INITIAL INSTRUCTOR CONTACT, AND ONLINE ACCESS APPEARS ON THE HYBRID AND ONLINE PAGES TO FOLLOW.

HYBRID / ONLINE

DOWNLOAD THE CANVAS STUDENT APP TODAY!

The Canvas Student App allows students to access their courses and groups using a mobile device. Students can submit assignments, participate in discussions, view grades and course materials. The app also provides access to course calendars, To Do items, notifications, and Conversations messages.

You can download the app from the Apple App Store OR Google Play Store.

SPRING 2019 HYBRID CLASSES

Beginning and ending dates are listed for all classes.
Class offerings, particularly instructor assignment and room numbers, are subject to change without notice.

WHAT IS A HYBRID CLASS?

Hybrid classes are a combination of online and classroom instruction, with at least 50% of the instruction held in the classroom. All hybrid classes meet on-campus during the first week of the class, during which important information about the class – including instructions and/or requirements for accessing the online component – is provided.

HOW TO REGISTER FOR A HYBRID CLASS

Students register for hybrid courses using the same registration process for on-campus courses. For more information about the registration process, please visit the Admissions and Records website at www.chaffey.edu/admissions/registration.shtml.

GETTING STARTED WITH YOUR HYBRID CLASS

Students should check the Schedule of Classes for the designated dates, times, and location of the first week's meeting and all subsequent on-campus meetings. Students in hybrid classes are expected to attend all class meetings as well as fully participate in the online portion of the instruction. Attendance can be a factor for an instructor to initiate a drop; not attending the first class meeting may result in a student being dropped from a course. Canvas is the course management system used by faculty at Chaffey College for the delivery of the online portion of hybrid classes. Students enrolled in a hybrid class prior to instruction will be granted access within Canvas after noon on the first scheduled day of class to complete online course work.

HOW TO ADD A HYBRID CLASS

Students waitlisted, or hoping to add a hybrid class after registration and the waitlists closes, should attend the first class meeting. If there is available space in the class, the instructor will provide an Add Code allowing the student to register via MyChaffeyVIEW or in person. Students who add a hybrid class using an instructor issued Add Code will be granted access to their course within Canvas one business day after they have completed the registration process.

HYBRID CLASS WAITLISTS

The waitlist process for hybrid classes is the same as it is for on-campus classes. For more information about the waitlist process, please visit the Admissions and Records website at www.chaffey.edu/admissions/registration.shtml.

SPRING 2019 ONLINE CLASSES

Beginning and ending dates are listed for all classes. Class offerings are subject to change without notice.

WHAT IS AN ONLINE CLASS?

Online classes are attended exclusively on the internet; there are no campus meetings. However, some do require specific dates or times for interactive online class activities. Instructors provide details of these and other requirements in the course syllabus.

HOW TO REGISTER FOR AN ONLINE CLASS

Students register for online courses using the same registration process for on-campus courses. For more information about the registration process, please visit the Admissions and Records website at www.chaffey.edu/admissions/registration.shtml.

GETTING STARTED WITH YOUR ONLINE CLASS

Participation can be a factor for an instructor to initiate to drop; not accessing your course within 24 hours of the course start date may result in a student being dropped from a course. Canvas is the course management system used by faculty at Chaffey College for the delivery of online classes. Students enrolled in an online class prior to instruction will be granted access within Canvas after noon on the first scheduled day of class to complete online course work.

HOW TO ADD AN ONLINE CLASS

Students waitlisted, or hoping to add an online class after registration and the waitlists close, should email the instructor as soon as possible. The email to the instructor should include the following information: student's full name, student ID number, position on waitlist (if applicable), and the name and section number of the course. Faculty email addresses can be found by selecting the instructor from the Online Class List on the Distance Education website at http://libguides.chaffey.edu/distance_ed/schedule. If there is available space in the class, the instructor will provide an Add Code will be granted access to their course within Canvas one business day after they have completed the registration process.

ONLINE CLASS WAITLISTS

The waitlist process for online classes is the same as it is for on-campus classes. For more information about the waitlist process, please visit the Admissions and Records website at www.chaffey.edu/admissions/registration.shtml.
