

Spring 2023

Identity & Society: Conversations on experiences and relationships

with Dr. Jennifer M. Henry

Join us for our next installment with Dr. Jennifer Henry, Director of Social Wellness & Behavioral Support, as we discuss monthly awareness and celebrations throughout the Spring semester with Chaffey faculty, staff & student leadership.

- 1/12 National Mentoring Month/Celebration of Dr. Martin Luther King Jr's Life and Legacy
- 2/9 Black History Month Celebration
- 3/9 Intersectionality: Women's History Month & Social Workers' Month
- 4/13 Awareness: Stress, Sexual Assault Prevention & National Counseling Awareness Month
- 5/11 Multidimensional Identities & Mental Health Awareness Month

Jennifer M. Henry is a Doctor of Social Work and a Licensed Marriage and Family Therapist. She has been providing public mental health services for the past 14 years throughout Los Angeles county. She has worked with a diverse population ranging from children, adolescents, families, adults with co-occurring disorders and domestic violence survivors. She has conducted comprehensive mental health assessments, created individualized treatment plans, and provided holistic individual, family, and group therapy. Her life's mission is to be a vessel of change. An altruistic and humanistic legacy is what she aims to gift this world.
