

STEM Summer Research and Experience Program Cover Sheet

Name: _____ Phone #: _____

Participants in the STEM Summer Research Opportunity Program (SROP) will learn more about their desired field of study through scientific research at academic institutions, or real world experience at local companies. Students receive a stipend (up to \$2,600) and are required to commit to 15-20 hours per week for 8-10 weeks, participate in all program evaluation components, and present a research poster with an abstract.

Program dates: _____ Pre-experience orientation date: _____

To be eligible to apply you must be:

- Enrolled at Chaffey College
Must have taken courses in one of the following: Science, Technology, Engineering, Math

A complete application includes the following:

- STEM Summer Research Opportunity Cover Sheet (signed) Application can be scanned and emailed to cynthia.hoover@chaffey.edu
Completed STEM Summer Research Application
Completed Personal Statement
Unofficial transcripts from ALL colleges and/or universities attended
One faculty recommendations submitted electronically
Link: https://chaffey.qualtrics.com/jfe/form/SV_eRnqVlwS4vuA9jD

Please read the following statements and check the boxes to indicate your understanding:

- I understand the STEM SROP requires a 15-20 hour commitment for the entire 8-10 week program. I understand that I must complete the required hours, regardless of employment or summer courses.
I understand that I am required to submit an abstract, write-up and poster in order to receive my full stipend.
I understand that the STEM SROP is funded by a federal grant that requires an evaluation component, and I am willing to participate in the evaluation component.
I understand that the STEM SROP is offered in collaboration with partner universities and organizations. I understand that this opportunity will not result in employment, and give permission for this application to be shared with partner campuses/sites to assist with selection and placement.
I hereby certify to the best of my knowledge that all information submitted as a part of this application is true.
