<b>Club Name</b>	Chaffey College Culinary Arts and Hospitality Club
<b>Club Report</b>	<p>Currently our club has done a couple of events this semester, one such event is the ribbon cutting ceremony for the Chaffey Chino Campus in which our members baked, packaged, and served cookies to the attendees who came to the ribbon cutting ceremony. This allowed our club members to get an understanding about preparing and serving food for a larger number of attendees. As a whole we are doing excellent as a club, over the past couple of months we have been training future club officers, and we are preparing for future events such as the Trunk and Treat. For the Trunk and Treat we will have our own trunk and our club theme will be Ratatouille. Lastly, as a club we are allowing our members the opportunity to advertise, and promote themselves to employers or to businesses that may be interested in hiring.</p>
<b>Upcoming Club Events</b>	<p>Chaffey College Trunk or Treat: This event will be on the 26th of October, it will be around 3:30-5:00 Pm for kids aged 2-7, and 5:00-7:00 PM for kids ages 8-12, or parents with kids around both age ranges can come when ever time range best suits them. This event will be at the Rancho Campus Parking Lot R4 -North end of campus. We will be hosting a trunk with our theme as a club being Ratatouille, Hope you can attend.</p> <p>Culinary and Hospitality Club Dinner/Lunch: This event will be for members of the club, this event will be in mid November, and the location will be at Owen's Bistro. This will allow our club members the opportunity to get an insight on the operations of a hospitality business, as they will get the chance to ask how the entire restaurant operates including the kitchen, how ideas were created for the entire business, and even the front of the house activities.</p>
