

Dear Student,

Both Chaffey Administrative Procedure 5200 and California Education Code section 76355 require that students pay a Student Health Fee each semester. This is a mandatory requirement. However, pursuant to Section 76355 of the California Education Code, students may qualify for an exemption from the fee if:

- The student depends exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization

If you believe that you meet the above exemption criteria, you may qualify to have your health fee waived. For consideration of this fee waiver, please email this form [religious-exemption-request.pdf](#) to the Director of Student Health Services, Ms. Jennifer Detisch, at [Jennifer.detisch@chaffey.edu](mailto:Jennifer.detisch@chaffey.edu), along with documentation of participation in your religious organization. The Director will review the form and notify you if you qualify for the exemption.

If you have any questions, please email me directly at [Jennifer.detisch@chaffey.edu](mailto:Jennifer.detisch@chaffey.edu) .

Thank you.
